GIVE FORD A TRY BEFORE YOU BUY

DRIVE FORD before you buy any car

Get behind the wheel and find that smooth, responsive V-8 power, delivered by the finest, most efficient V-8 engine ever to power a Ford. Sit back and enjoy Ford's safety, sure ride, with that steady, road-hugging "Ford" feel. Relax in the deep-down comfort of Ford's big, spacious leather-trimmed seats. The practical luxury of Ford's perfectly planned interiors. Experience new, relaxing ease with Ford's "MasterGuide" Power Steering, with, sure Power Brakes and famous Fordomatic Drive. Get the feel of Ford behind the wheel, and you'll be convinced that Ford is really Canada's "worth-more" car.

Local Pair Saw Traffic Air Crash

Mr. and Mrs. Bruce Lee arrived from a Wednesday last from Moose Jaw, Sask., where Bruce was playing hockey during the winter.

The first story of the terrible plane wreck which claimed the lives of 27 people. The crash in the air was followed by an explosion which attracted their attention and they saw the big plane fall to the ground, falling over a large public school before it crashed.

CHAMBER OF COMMERCE

Plans now the date and hour of the April 25 meeting—next Monday, April 24th, at 8:30 p.m. (sharp) at the home of Mrs. E. F. Schell.

Our Town Planning committee is in charge of the evening's program. This committee has been enlarged, as the town members who acted on last year's 11. Lee, Joe Dids, R. Whitcomb and E. F. Schell have been added three others: Don Trudge, Alvin Wood and E. F. Schell.

The last three constitute a sub-committee on physical layout, recreation and parks.

There will be two films (about 20 minutes) on sports, and recreation, presented by the committee on various phases of our community. There will be a playground, baseball for seniors and others, paint-up and planting campaign etc., and we will have a short presentation and discussion on Monday will be beneficial to our community. If we are successful in bringing our neighbors and friends, lunch will be served after the meeting.

A brief business meeting of about 15 minutes will take care of our regular business matters.

CARS SMASHED IN HIGHWAY CRASH

Extensive damage was done to cars driven by Ed Hunter and Mrs. E. W. Willey when they collided at the intersection last corner some six miles north of Bashaw Thursday evening. The Hunter car, a brand new Ford, and just turned on to the highway when it was struck by a light car which was coming from the north.

While both cars were badly damaged, the passengers escaped with minor contusions and a severe shaking-up. The Star is advised.

Saskatchewan Farmers Showing More Interest In Shelterbelts

Mr. McKenzie said over two million seedling trees will be distributed in the next several weeks by Forest Nursery Stations at Indian Head and Sutherland to Saskatchewan farms. This is slightly higher than the amount distributed last year. About half of the

cial will be used for field shelterbelts, mainly in southern and central areas of the province, this amount being sufficient to plant about 350 miles. The remainder will be planted in farmstead shelterbelts, roadside hedges, woodlots.

Broadscale varieties are supplied free of charge to farmers by the forest nursery stations, while a nominal fee is charged for evergreens. In all cases the farmer pays express collect charges. The Saskatchewan Department of Agriculture pays up to \$8.00 per acre of the cost of planting, field establishment and maintenance of the plantation. For further information, apply to the Forest Nursery Station, Regina.

Search For Talent Here Saturday

The ACC-REN Search For Talent Show will be held in Bashaw, Saturday, April 29th. The Associated Canadian Travellers and Radio Station ACC-REN co-sponsor the search for talent show, with all persons going to the Northern Alberta Cripplid Children's Fund.

The Bashaw show will be held in the Elks' Hall starting at 7:00 p.m. This year's variety show is headed by producer Jack Desautels, assisted by George Gid as master of ceremonies, "J.D. and The Stripes Revue" provide professional acts, while, laughs and fun, with Carl Klugstad, accordionist; Ray MacDonald, tap dancing and tumbling; Allan and Ulla Douglas, comedians and vocalists; and Walter Mayhew, comedian and comedian.

Contestants this year must again be over 18 years of age, and only persons living in rural northern Alberta may compete.
Registrations of contestants who wish to appear on this show will be taken by Mr. G. G. Pearson. All registrations should be made as early as possible.
Captains of the Associated Canadian Travellers union who will work on the Bashaw show will be Mr. Stan Hackett.

DETACHED LATE HOME AFTER LENGTHY STAY IN HOSPITAL
On Thursday last Mrs. K. Maters returned to her home east of Bashaw after spending the previous two years and nine months in hospital.

It was in August of 1931 that Mrs. Maters was taken ill with an ailment which left her almost completely paralysed. Since that time she has been under hospital care.

Mrs. Maters is now able to move around from wheelchair to bed to the street, which indicates that a considerable improvement has been effected.

Mrs. Maters has expressed her grateful thanks to the doctors, nurses, friends and neighbors who attended to her, and has helped to make her worthwhile this long and tedious illness.

A male chorus of 16 voices from Lutheran College and Seminary at Saskatoon will present a service of song at Elks' Hall, Bashaw, on Wednesday, May 30th, 8 p.m.

Lake Bend Barn Prey To Flames

Fire completely destroyed the well equipped barn on the farm of Mr. and Mrs. Fred Hansen in the Lake Bend district on Monday. When discovered, the barn, a well known fire had gained such headway that nothing could be done to save the structure. However, a number of parked cars were saved.

The barn, which was only built in 1940, was a fine, fully modern building, and contained a quantity of hay as well.

Quick action of neighbors and the Mirror fire brigade prevented the fire from spreading to other closely by buildings with the entire wind.

4-H CLUB

April 21st... what is it... all these cars from the country in town at 8:00 a.m. What is going on? Well, maybe it is a narrow lane question.

No. It's not a wedding or a funeral... the 4-H Club is just going to take a good look at the calves raised by its members this year.

Yes at 8:00 a.m. Wednesday, April 21st, some 20 members and about 18 older men and younger boys and girls boarded cars to see the calves raised by the club members.

Starting at 8:00 a.m. at approximately 8:30 a.m., we saw all the calves east of town before noon. At about 12:30 we arrived at Smith's, where we ate our lunch.

Leaving there about 1:15, we went on to see the calves west of town. We arrived at Tuck's where we stopped for a nice lunch after seeing the calves.

After a short continued on to DeLaurier's, with four more places to go to.

About 5 p.m. we arrived back in town, having completed a most interesting and profitable day.

I am sure everyone went home very tired when they were left in the morning.

The next 4-H Club meeting, to be held in the afternoon, May 1st, will be held Friday, April 27th. The lunch committee will be: Hilda, Ray, Scholte, Orlin, Roder.

Don't forget, those banding committees working on the theme display, that we would like to have suggestions for a time and place to hold committee meetings to get on the on the display.

Two Prizes Won By Local Girls

Advice was received Monday that two Bashaw high school girls, Doreen Kimmelman and Myrtle Hanson, had won fifth place prizes in this year's 1934 Canadian Girl annual essay contest.

The topic for this year's contest was "The Marketing of Livestock in Canada".

Congratulations are due to these young ladies for their success in a national-wide contest which attracted upwards of a thousand entries.

The first place entry was by an Ontario student this year. Last year the first prize was won by Ralph Brimacombe of the Bashaw school and another Bashaw student, Betty Mowbray, received a fifth place prize.

Thus for the second consecutive year the Bashaw high school has had two of its students reach the national circle.

Home and School Association

All members and any others interested in school affairs are reminded that the April meeting of the Home and School Association will be held Thursday of this week at the school, the meeting opening at 8:30 p.m.

From 8:30 on the list of minutes to come up at this meeting is plans for our forthcoming Hobby Show. It is desired that the members bring suggestions as to how to make this even better than in the past.

There will be time at the close of a friendly chat and cup of coffee.

CHAMBER OF COMMERCE

The Chamber of Commerce meeting Monday night in the face of competition from other gatherings called for that same evening.

Many important decisions were made at this meeting, among which might be listed the following:

The "Committee of Business" is to be appointed, consisting of about five representative business men whose duty it will be to discuss all problems relating to business and to help and assist all who are established here in Bashaw through the Chamber of Commerce to find ways and means for better business.

Two delegates are to be appointed to the annual meeting of the Associated Chambers of Commerce to be held May 18 and 19 at Red Deer.

Authorization was given to purchase land for a playground.

A Clean Up and Paint Up campaign is to begin in the near future with local business men and the Village Council directing the campaign.

The Chamber declared itself willing to support all worthwhile projects in the community and will be helpful to the Senior Baseball Club in their efforts this year.

A listing of current events is to be printed, showing all activities at A.A.I.C. groups, societies, churches, lodges, etc. It is desirable that all listing show dates of meetings and the time for a period of four months if possible. The cooperation of the group is desired in getting such a list printed. This is designed to avoid unnecessary and embarrassing duplication and interference.

Prairie Tree Planting Car Opens Annual Tour

It'll begin 34 years ago. A handful of Western Canadian folk gathered at Winnipeg to solve an urgent problem. They wanted every prairie farmer to know the value of shelterbelts of trees for home improvement, for productive gardens, for more pleasant living conditions and betterment of farm values.

In all began 34 years ago. A handful of Western Canadians gathered at Winnipeg to solve an urgent problem. They wanted every prairie farmer to know the value of shelterbelts of trees for home improvement, for productive gardens, for more pleasant living conditions and betterment of farm values.

So they appointed a man to tell everybody about it, with the Canadian Pacific providing a railway deduction, and both Canadian National and Canadian Pacific "Charmers on Wheels" on their western trip.

He was soon known as the "Tree-planting Ambassador" and the public response was immediate and hearty. The Canadian Prairie Tree Planting Car was born.

This interest in tree planting has now spread to most farmers for the increase of grain yields and the protection of farm soils. Fifty to sixty acres, co-operatively planted with shelterbelts trees, have now proved their worth through retained water tables, increased crop yields and insurance against disaster in bad years.

Once again this unique travelling ambassador will be visiting prairie communities in its thirty-third year. The program presented to the public will be a most interesting and practical planting instructions in what is known as the "Tree-planting Ambassador" and the public response was immediate and hearty. The Canadian Prairie Tree Planting Car was born.

Shelterbelts are today recognized by thousands of farmers as an essential part of the farm program.

CAN YOU SPOT THE ERROR?

Last issue's error-hunting campaign proved to be most fruitful. The prize-winning discovery shortly before noon on Wednesday, May 1, was that the word "boost" was misspelled in the advertisement for the new issue of the Star. The error was in the word "boost" in the headline "Boost Your Subscription to The Star". The prize was awarded to the first person to spot the error.

OUR COMPLETE SHORT STORY

Wake Up, Lydia

By F. T. Martin

I'm not one to talk," whined Lydia Doolittle, "but it's got to be done."

Ready eyes squinted with glee as she glanced furtively around the post office. The waiting effect of her words on the clerk, satisfied, she checked a handful of airt and headed toward the door.

She stopped. "Afternoon," she greeted. "You look a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

"I'm all right," she replied. "I've been feeling a little better today."

THE WEATHER

The Star hasn't dared to comment on the weather this last few issues, fearing naturally that our language might get out of hand. So now, after two weeks of sub-normal temperatures, more squalls and the occasional hint of late winter climate, we feel that the string has at last begun to run out and we feel like predicting that the next day or two will see a more balmy brand of weather settle over Alberta. This is defiance of the weatherman's claim that this sort of weather isn't in sight. And, also, our own special weather-chap, Mr. Fleck Land, declares that he looks for this miserable weather to continue on through May!

Take your choice, dear reader—but don't say that we didn't try!

Curers were held for 78 at the annual banquet meeting of Bashaw Curling Club, held with great success Monday evening in the Metcalf ball basement. President, Bob Miller, was master of ceremonies at the banquet which earned many a sincere tribute to the members of the Ladies' Curling Club who prepared the meal.

Following the banquet, annual reports were presented and election of officers for 1961-62 held. This resulted as follows:

President . . . J. H. Pearson
Vice-President . . . Don Walker
Sec'y-Treas . . . Bob Brown
Executive . . . Gus Walter, P. F. Schultz, Dave Leford.

The Ladies Curling Club decided to elect its officers in the fall.

Jim Newsham and John Pearson, stationed at Ponoka with a department of highways crew, had Sunday dinner with Mr. and Mrs. J. H. Pearson. Johnny was born on February 14th and he is a member of another highway crew.

Local and Personal

W. J. Miller returned on Sunday to Camrose for further hospital treatment.

Mr. and Mrs. R. E. Miller of Edmonton are visitors at the home of Mr. and Mrs. Fleck Miller.

A heart condition has made it necessary for Mrs. Wm. Dellman to enter Camrose hospital for treatment.

Donald Jackson returned home to Edmonton Friday after spending Easter holidays at the home of Mr. and Mrs. Fred W. Miller.

Miss G. Bremley returned home to Camrose on Thursday after spending Easter holidays with her aunt and uncle, Mr. and Mrs. Fred W. Miller.

You are invited to attend the annual C.W. Miller's Day Tea on Monday, May 29, at 2 o'clock in the W.I. room. List of entertainers and home making.

St. Peter's Anglican W.A. held a most successful tea and sale on Saturday in the W.I. clubhouse. The W.A. values it thank everyone who helped make the tea a success.

With final examinations nearly completed, the University students are beginning to return home for the long summer vacation. It will be a few days before they are through with the long grind.

Many buses from Bashaw took in the big bus Saturday at Ponoka. R. Laidlaw of Mirnov was the brand new car, and we have the W. J. Schultz and H. Herman were also among the prize winners.

Calvin Richmond arrived home Monday, having completed his first year in Arts at the University of Alberta. He returns to Edmonton to work or to spend the summer working on a Canadian Press.

Everyone is invited to attend the Spring Fête in the United Church basement Thursday, April 27th, 8 to 10 p.m. Sponsored by the evening group of the U.C. of the Aid in support of Sunday School funds. Adults free, children 50c.

Three cheer leaders with members of the local Kiwanis ladies modeled to Camrose Sunday for the installation of officers of Camrose chapter W.O.T.M. More than 100 saw the ceremonial conducted by Edmonton chapter and drill team, following which lunch was served.

Wm. Brown has moved from his daughter Shirley (Mrs. Ken Gilman) to his husband, who is employed by an oil company, and has been transferred on brief notice to Coram, Ontario, Texas, and that they were leaving Sunday last for their new home. They expect to be located there for the next two years.

It was extremely unfortunate for Bashaw folks that so many local gatherings of an important nature were set for Monday evening last. The effect was to deprive many of an opportunity to take in the very exciting play presented by Fern Tink HSA. The Star is advised that the Fern Tink group's schedule did not permit them presenting their entertainment here any other night. As it was, the gate receipts were little more than sufficient to cover their expenses.

"TAKE UP THE SWORD OF HOPE: GIVE!"

Cancer Fund Short of Objective

Mr. J. D. Murdoch arrived home from Lacombe hospital last week. Mrs. Frieda Baird and family and Paul Marston visited at Mr. and Mrs. Ed. Rahn's on Sunday. Mr. and Mrs. Webb of Alta were Sunday guests at the Lloyd Lind family home. Mr. and Mrs. Wayne Jewell and family and Mrs. Parker, of Drumheller, spent last week at the Jim Ilchur home. Eddie Jarvis, Jr. is a patient in Lacombe hospital.

Miss Pat Simpson of Calgary and Mr. and Mrs. Arthur Simpson of Edmonton spent the week-end at the Simpson home. Miss Iris Clark of Edmonton was a week-end visitor at home. Mr. and Mrs. N. Butler of Newbury were visitors at the Lind family home this week. Mr. and Mrs. Verge Neil and Mr. and Mrs. Earl Gray, of Calgary, called Sunday on Mrs. Geo. Neil. The marriage is announced of Mr. Vernon Neil, son of Mr. and Mrs. Verge Neil of Calgary, and Miss Maryel Peterson, daughter of Mr. and Mrs. A. Peterson of Edmonton. They were married at St. Louis Cathedral in Edmonton on Saturday, May 1st.

The marvelous weather on Saturday, April 26th, had the effect of shortening the run of the fund in the annual tag day conducted by Bashaw Women's Institute in support of the Cancer Fund campaign. The amount collected was \$200.00, but half of that gathered in this way a year ago. The total amount collected here to date is \$1013.20 and further donations will be gratefully received.

4-H CLUB

The May meeting was held on April 30th at the Bashaw School. The heads of all committees conducted the theme display are to meet on May 1st at the Loughlin home. The 1934-1935 efficiency winner was named. Mr. Hal showed a film, "Crucial to Gold." It was very interesting and educational in club standards and parentals alike. After some square dancing, lunch was served. The next meeting is to be held on May 31st at the School. The lunch committee for that meeting is: Liffert, Smith, Stadel, Verge, Schultz and Gordon Schultz. All members are asked to turn in their feeding records at this meeting.

THE WEATHER
We really had looked for it to warm up before it did, but nevertheless it is a pleasure indeed to record that this time is looking in better condition this week. Monday having brought the most marked change.

Mother's Day Sunday Next

Today's world-wide observance of Mother's Day had a modest beginning. The first Mother's Day celebrated resulted from the inspiration of Anna Jarvis of Philadelphia, who felt that one day a year should be set aside as a tribute to her Mother. She introduced this idea to the church she attended... plans were made to hold similar services dedicated to mothers on the second Sunday of May, 1907, and everyone was asked to wear a white carnation in honor of his or her mother. The following year every church in Philadelphia held special services. It is widely known that Anna Jarvis herself shared dreams of the far-reaching influence of Mother's Day. The idea caught on and spread like wildfire. By 1911, every state in the union, Canada, South America, China and many other countries had adopted the custom. In 1915, an international Mother's Day council was formed... the custom of wearing a white carnation was modified. In 1914, the second Sunday in May was accepted as Mother's Day and it has remained so since.

Had Lived Here Since Early Days

A resident of this district since 1911, Gustav Butler passed away Sunday last at the age of 68 years. He had been crippled upon last fall for cancer of the stomach. He is survived by his widow and two daughters, Mrs. Martha Liddell and Mrs. Tillie R. & S. and two adopted children, Mrs. Stella Giese and Paul Butler, also two brothers, these sisters and two grandchildren. The last rites were held on Tuesday afternoon with service at two o'clock in Zion Lutheran church and interment at St. Peter's Cemetery. Mrs. E. W. Preitz officiated and funeral arrangements were in care of Hoveland's Funeral Home, a complete obituary notice will appear in a coming issue.

C. of C. Requests Prompt Action

Bashaw Chapter of Commerce wishes to assemble within the next week the dates of the regular meetings held by every organization, society, group, club, etc., within the district. The Chamber of Commerce has found that if this information is at all times available much interference could be avoided. It is their plan to have this information published in convenient form and distributed to all interested. Please Note This: It is desired to begin this service at the earliest possible date and therefore it is hoped that each of our groups have the desired information at all times. If this is the Star office the first and all that is asked is that every group co-operate to make this service a success.

Mary McFadden Leads Talent Test

To little Miss Mary McFadden, who sang pleasing songs in a most engaging manner from her home in the Search for Talent show conducted here Saturday night last by the Associated Commercial Travelers, Edmonton branch. To Mary she gave the privilege of appearing in the semi-finals of the contest being held Saturday of this week in the huge Sales Pavilion at Edmonton Exhibition Grounds. Second award went to Miss Mary McFadden, another local girl, who acted as a soloist. Third place was awarded to a Donalda boy, Jimmy Gray, singing, "Waiting on the Main Street." The winner of the semi-finals was set for Saturday.

Elks' Hall was crowded beyond the point of comfort. Many who could not be there early, including your editor, failed to gain admission.

Contestants were entered from Stettler, Delburne, Manning Creek, Fortin, Donalda, Red Deer and other points. A limit of 25 contestants had been set and many entries had to be turned down. The show was emceed by Jack Macmillan of Edmonton and there were a number of hints presented by professional entertainers from the city.

Postmaster S. E. Pearson was showing us his Coronation medal which arrived in the mails during the past week. It is a very handsome medal and one which he very proud to have. However, the has not as yet been any coronation letter which would indicate whether he was receiving it in recognition of having served 25 years in the postal service, or whether it was for his three years of service overseas in World War I.

Local and Personal

Mr. and Mrs. J. H. Pearson and Mrs. Mary Pearson of Calgary were visitors in Bashaw with Mr. and Mrs. Glenn Pearson.

Mr. and Mrs. J. L. St. Pierre spent Mother's Day in Edmonton at the home of their daughter Mrs. J. E. Mooney.

The regular meeting of St. Peter's Anglican W.A. will be held at the home of Mrs. Elvira Reed Tuesday, May 12th, at 8 p.m.

Week-end visits with Mr. and Mrs. Lyle Beakle were Elva, Talbert, Inger and Julian Velve at the Grande Prairie area.

Jerry St. Pierre, who went to Vancouver some time ago to begin teaching as a RCMP recruit, is now taking a course at Redshift, near Ottawa.

Miss Ingeborg Freitag, who has been home on vacation from University College, left on Monday for Bashaw to spend a few days with her sister Mrs. A. Hawks.

Bill Remmen was operated upon for appendix and gall bladder troubles at Fossids early last week. He is reported doing well and hoping to be home next day.

Dennis Oakey, who was operated upon for ruptured appendix some weeks ago, had to have a second operation at Fossids hospital Thursday last to clear up infection.

Mr. Ben Olson (former Sunday Star Editor) was writing asking that her copy of The Star be redirected to Fort Lacombe. They had already seen Jim Hume who lives about 100 miles from them.

The Eastern Star's calliope left on Friday last was a huge success. The prizes for fantastic military creations went to Mrs. Olive Wadman and Mrs. Betty Leonard. Miss Myrtle Himmelman was the title of "Calliope Queen."

Mr. A. E. Hinde received a long distance telephone call on Mother's Day from her son Bert who is with the Royal Bank at Oulda Trail, Manitoba. Mrs. Hinde declared that her son's voice came over very clearly.

Not too often seen here was the sight of an American brother or sister in Bashaw on Saturday morning. They were apparently taking part in some international machine being held near the border to our west.

Great anxiety was felt by family and friends when on Sunday last Mrs. Julius Schell's car was taken seriously ill. She was rescued by ambulance to St. Mary's Hospital, Camrose, where her illness is diagnosed as a brain hemorrhage. Improvement in her condition was reported Tuesday.

The Saturday Night Danes at Moon Hall begin this week. Good music, dancing starts at 8:30. It's ALL GRANDMOTHERS INVITED TO TRA IN THEIR HONOR

Bashaw Women's Institute wish to extend an invitation to all the grandmothers of the district to a Grandmother's Tea, to be held in "Old" Hall on Tuesday afternoon, May 12th, commencing at 3 o'clock.

Almost forty ladies gathered at the home of Cpl. and Mrs. Don Pringle on Friday evening to honor Mrs. Pringle, bride of six weeks. Mrs. Pringle was the recipient of many lovely gifts. A lovely lunch was served at the conclusion.

Red River Carts Constructed To Mark Historic Trails

The first of at least twelve Red River carts to be used in marking Saskatchewan's historic trails have been completed. Fred G. Galloway, Executive Director of the Saskatchewan Golden Jubilee Committee, announced recently. He said that the carts will be erected here and there along the historic trails.

The carts are being fabricated at Regina, just west of the city. They are being built by the Saskatchewan Golden Jubilee Committee, and will be used to mark the historic trails.

THE BOOSTER SECTION CAN YOU SPOT THE ERROR?

Last week's deliberate error was spotted very promptly by Percy Channon of Bashaw and by Mrs. Eva Cowan of Edmonton. This week the contest is limited to readers who get their mail through post offices other than Bashaw. Six months' subscription will be awarded to the two first contestants to advise the Editor of the deliberate error which has been in one of the advertisements below.

A reader who has you twice in the past is not eligible. We are therefore not accepting replies from readers who ask that we send the paper to another party, at the same time failing to enclose their own name.

WHAT OIL MEANS TO CANADA

By A. W. HARRIS

Journal of a series of articles on the development in Western Canada of a major oil and gas industry, the first of which is the Alberta basin, the country of Imperial Oil Co. Ltd. While it is going to some extent to be subject only to the interpretation of the various agencies, the following data of years of exploration and research by this and other sources.

We spoke last week of the oil in the underground fields taking into account the natural gas, the ways formed from oil deposits and that sometimes are not known. It is all in the oil, with the result that a gas cap forms above the oil. Naturally the more gas, the more pressure, and the more gas cap forms, particularly where there is no underlying water, the already referred to, pumped in to the recovery of the oil. The oil as there is sufficient force to bring it to the top. In cases where there is not sufficient natural force artificial pumping is resorted to. Then, in fields where the pumping is necessary, you get the kind of well with the new formation "thrust" pump.

Highway accidents main more than polio in Alberta

Eight times more people were injured in auto accidents in Alberta last year than were crippled by polio while men and women drivers killed three and a half times as many people as tuberculosis, Premier E. C. Manning told the final session of the Premier's Highway Safety Conference.

The premier emphasized the extent to which deaths at Alberta's highways overwhelmed deaths from epidemic disease and was reduced even when interest in the subject of the press and public.

"Recently 15 people were killed in the crash of a giant airplane," he said. "Automobile killed twice that number of people in Canada every week, but it did not produce the same mass of public interest."

"There will always be auto accidents, but we must have to declare an all-out war on this problem," he said.

CHAMBER OF COMMERCE

Our June-June meeting, which is
important, will be held on Monday,
June 1st, in connection with
and following the J. C. Club banquet.

We shall NOT take much time to
have some items of business taken
up, but we hope that our C. of
C. members have half an hour of
patience to dispose of these matters.

We have bought our lots for a
Playground. Now, the committee on
town planning would like to get
some equipment, and would like to
buy the best. It should be well-
made, strong and lasting. However,
such equipment will be quite ex-
pensive, whether it is bought ready-
made or made locally. We there-
fore plan to sell tickets on a basis
for children and a minimum for
the adults. These tickets will be
on sale by the end of this week
and the drawings will be held on July
1st in connection with the Domini-
con Day celebration.

Please help us to get several hun-
dred dollars for our playground
equipment by buying tickets when
you are asked. Move about on it
posters during the week.

Hope to see you at our next
meeting.

A VALUABLE ORGANIZATION

Few organizations have been called upon
to play a more important part in the de-
velopment of Canadian Agriculture than the Canadian Seed
Growers' Association, whose far-reaching program for
seed improvement embraces every province of Canada.

We take pleasure in celebrating this important body on
the occasion of this, its 50th Anniversary.

It is time to begin doing something about shading those south-facing slopes with a simple sun screen. The pattern for the design shown above gives you the formula for making a sun-shading material. The slats are for shading the south-facing slopes. The material is used for protecting the south-facing slopes from the sun.

AUTO SERVICE AND REPAIR

Let George Do It!

We have been fortunate in securing the services of GEORGE LINDSAY (formerly with the North West Motor, Red Deer) to take over our Service Shop. George comes to us very highly recommended, and you would be wise to drop in and let him know your car and tractor troubles.

We also have the latest in Wheel Alignment Equipment. Fastest alignment of wheels under tire. It also waters out your good tires when you have to "make" with the steering wheel.

Come in today for wheel alignment and enjoy better motoring.

How many gallons in a pay cheque?

More than ever before!

Back in 1939, for instance the average Canadian weekly pay cheque would buy

84 gallons of gasoline... based on figures of the Dominion Bureau of Statistics. Today's weekly pay cheque will buy 144 gallons,

including the provincial gasoline tax —

which is considerably higher than before the war.

To put it another way... In 1939 the average Canadian worked 33 minutes to earn

enough to buy one gallon of gasoline.

Today he works

Just 17 minutes, or about half the time.

And today's Esso gives more miles and better performance

than ever before.

Death Takes Toll District Pioneers

HARRY GRANT

Mr. Grant Grant has received word of the death of his brother-in-law Harry Grant of Wetaskiwin, Saskatchewan. He is being buried this (Wednesday) afternoon at 2:00 o'clock. Demand was well known here in early days, he having met most of town. He is survived by his wife and son Fred.

MRS. R. W. DAWSON

Another link with this district's earliest days has been broken with the death on Saturday last at Victoria, B.C., of Mrs. R. W. Dawson. Mrs. Dawson is survived by her husband, three sons and four daughters; also 13 grandchildren and one great-grandchild. Mr. and Mrs. Dawson were married at Souris, Man., in 1904 and on May 25th of this year celebrated their 36th anniversary.

A more complete obituary notice is expected for next issue.

Details of funeral arrangements were not available at a late hour Tuesday night.

NORMAN LOUGHRAN

This link which was added to the list of the death on Thursday last of Norman Loughran, who was a pioneer farmer of this district, where he had farmed from 1907 to 1940 when he retired to his home in Wetaskiwin. He leaves to mourn his death his wife, five sons and five daughters, also 24 grandchildren and two great-grandchildren.

The funeral service was held on Monday at the United Church here. Rev. V. C. Peterson officiating at the last rites.

A complete obituary notice will appear in next issue.

POPULAR SCHOOL PRINCIPAL
LEAVING FOR NEW FIELD

Bashaw School is losing its most beloved principal of the past several years, as it comes to the day for the longer vacation.

For some time, Mr. H. J. Dahl, who has been highly successful in his responsible role at the school here, has accepted the principalship of a school at Greenhead Camp, a military establishment at Edmonton.

Mr. Dahl has been a competent and energetic teacher and principal and has seen the scholastic record of the school notably advanced during his tenure. It is with genuine regret that the community here will have to accept a more active role for his talents.

Mr. and Mrs. Dahl and children leave today (Wednesday) for Edmonton to attend a relative's wedding. Mr. Dahl will be marking examination papers until about July 20, when they will return to pack up and move to their new home.

Outlook Bright For Good Dominion Day Weather

THE HARBERS PROMINENT
IN FIRST STRIPPER

Editor Cass. Willis has a most interesting editorial recalling the first annual Settler sports held at Dominion Day, 1904.

The day's activities are graphically detailed, even to naming the eighteen members of the village band which led the grand parade. He vividly notes the name of the banner appearing twice. Geo. Ramer, who was later to help found the new village of Bashaw, is the first hardware dealer, performing on a clarinet while his brother Ed, now residing at Seattle in the U.S., here, here a wide view.

The letter also referred to the field for the Settler No. 1 baseball team. Another team from Settler appeared in the tournament, as also did teams from Tams and Happy.

The independent says that while Settler's population was estimated at 100 in the tournament, as also did teams from Tams and Happy.

Yes, it does look like the weather for Dominion Day, when folks hit the trail to Bashaw's big sports celebration, may well be up to the best standards. For a week now it has been gradually improving with more and more good weather sunning its way, except for Sunday last when there was a shower of a rain.

Early Monday morning there was a very heavy shower which dumped loads of moisture on a line extending from west to east and passing through Lake Bond district but not much fell in town. Since then it has been sunny for the most part with the mercury climbing to the upper seventies in the afternoon.

BASEBALL

On Wednesday last Bashaw ball team emerged on top at the Elberta sports. They won from Elberta in the opening round 7-4 and defeated Elberta in the final 16-7.

Bashaw was a league game here Friday evening, winning from the Great Bend side in easy fashion.

On Sunday, the team journeyed to Alta for the League benefit tournament. The lack of the draw left Bashaw to play three games in rapid succession. They won from Miramichi 4-1 and from Alta 5-1, but in the final lost to Neudale 6-1. A good crowd saw some very fine ball games.

Local and Personal

Mrs. Rachel Grant left Monday to visit briefly at Calgary, following which she will spend some time with relatives at Chalmers in the Peace River district.

Mr. and Mrs. A. G. Waller and son Douglas, of Lathbridge, were visitors at the Robertson home over Monday night.

Philip Schindler with sons Clarence and Donald and Ken Walmsley were the Calgary stampede Monday, returning home that night.

Mrs. J. E. Trust, 51 at an Edmonton hospital, is reported to not be making good progress. Her husband returned to Bashaw Tuesday.

Bill Tynes says he has something out of the ordinary at his place and made the service of a hotel. Bill says he can show him the carcases in a hutch which has one branch that is definitely broken. Bill says so, and it must be true.

Arriving from Ottawa by car on Tuesday evening were Mr. and Mrs. Edwin Peterson and little son Bert, 7, who are making their first visit with home folks since going east three years ago.

Cadet Carson Jerichaw, Gordon Dick, Harmon Mah, Bert, Ray and Albert Carson left on Saturday for Vernon, B.C., to attend Cadet camp there for the next six weeks.

E. C. Larson was home from Lethbridge for the week-end.

Mr. and Mrs. Tom Willows arrived home Saturday from a trip to Sweet Home, Oregon, where they visited their son Claude and family.

Henry Chanson, when asked was home Saturday from a trip to the Mason baby, loaded up his motorboat and sailed it to Edmonton.

Mr. and Mrs. Art. and family, of Calgary, spent July 1st here visiting friends.

Mrs. Milton Nelson and family, of Edmonton, spent a few days here last week at the G. E. Remmer home. Mr. and Mrs. Henry Marie were also here from Calgary for Remmer's 40th wedding anniversary.

Mr. and Mrs. Henry Bert, Alan, Diana, and Ralph Schwanen, left July 1 for a two-week motor trip to U.S.A. points.

Rev. twin son of Mr. and Mrs. E. B. Schultz, fell from a basket in the school grounds, breaking his arm in two places. His injuries were treated at Camrose hospital.

Milton Scott had a narrow escape from serious injury Douglas Lake when his car failed to make a corner a mile east of town and struck a telephone pole. He got off with a leg injury, but his car was damaged extensively.

Mr. and Mrs. Marshall of 1-10 bridge, with their family, have been visitors at the home of Mrs. Marshall's parents, Mr. and Mrs. Geo. Stinson.

Mr. and Mrs. A. Sella and family left Saturday to take in the Calgary stampede and visit relatives for several days.

Mrs. Lillian Wilson of Edmonton is spending a few days at the home of her daughter Mrs. A. Sella.

Mr. R. L. MacKay and sons, vacationing at Spirit Lake.

Dorcas of friends and neighbors took advantage of the "open house" invitation to call on Mrs. Mary MacKay, Remmer Wednesday evening at last week and present congratulations to her 40th wedding anniversary. A lovely social time was enjoyed and before leave was taken Mr. Jas. A. Marshall, as spokesman for the very many friends, made presentation of a suitable token of the very high regard held for them in this community. Mr. Remmer is the only original business man now left to us.

Gene Bell, member of our senior last night, won the Miller Hardware fish-draw game over Joe White, angling at Pelican Point. Gene landed a 2 1/2 lb. Jack.

Bert Brown, with Gene Ken and Jim, took a vacation down Buffalo Lake on Sunday, which took them as far down as Eichen Lake. They were surprised to find how much this place has been developed as a summer resort. The also caught a few fish, they tell us.

Bashaw Gun Club held its next regular shoot on Thursday afternoon of this week and on Sunday.

Friday afternoon last our lawyer, F. M. Robertson, was taken to hospital at Camrose for a check-up. Mr. Robertson is well, but unfortunately ill, and his stay in hospital is just a precautionary measure. He is able to look after business which is of urgent nature.

Double Rites Held For District Pioneer Woman

MRS. R. W. DAWSON

A well known and loved pioneer
woman of the Bashaw district, Mrs.
R. W. Dawson, passed peacefully
her eternal rest in the Jubilee
Hospital, Victoria, B.C., on June 13.
Mrs. Dawson, the former Hannah
Trayer, eldest daughter of Mr. and
Mrs. Ben Trayer Sr., was born at
Cassid, County Tipperary, Ireland,
on April 28, 1857. At the age of
seven years she came with her pa-
rents to Seattle, Wash. On May 18,
1866, she was married to R. W.
Dawson of Bolton, England. They
came to Penticton by rail and then
traveled the rest of the way by
team and wagon to a homestead
near Battle Lake, eight miles east
of Bashaw, where they resided until
1894, when they moved to Victoria,
B.C., where they have resided until
the present time.

Mrs. Dawson was loved and re-
spected by all who knew her for her
kindness and thoughtfulness of oth-
ers. She was married to R. W.
Dawson with deep affection a host of
children. She is survived by her son
Robert W. Dawson of Victoria;
her sons, Robert of Portlan-
ville, Stanley and Jack of Bashaw;
four daughters, Elsie, Mrs. H.
A. Adams of Donalton, Idaho;
Edna (Mrs. H. J. Adams of Edmonton);
Gladys (Mrs. H. J. Adams of
Bashaw); and Kathleen of Victoria.

Also twelve grandchildren and one
great-grandchild. Her late husband
died March 10 of this year at 6
a.m. when, coming to Penticton,
B.C. After surviving two sisters,
Mrs. N. Holt of Bashaw and Mrs.
J. F. Williams of Donalton and three
brothers, Jack Trayer of Bashaw,
Ben Trayer of Vancouver and William
McClatchey of Seattle, Mrs.
General service was held in Mc-
Carthy Funeral Parlour, Victoria,
B.C., Friday, July 13, 2nd, at
1:30 p.m. A memorial service was
held in Bashaw at St. Peter's Angli-
can church at the same hour. The
lyrics were "Bede in The Arms Of
Jesus and Abide With Me." The min-
ister at Victoria was Rev. Canon
Wills and at Bashaw Rev. F. C.
Austin. The interment was in Royal
Oak Burial Park, Victoria. Pallbear-
ers were Jas. Hale, P. Olsen, Dick
Wahman, Will Berwick, F. K. F.
Pond, Mr. Nelson.

May the Lord love, preserve and
keep her safely forever more.

Funeral services were held by
The Family: Elsie, Lucile and
Gladys; and boys: Jack and
Edwin; and girls: Mary, Helen,
Cecilia, and Emily; and Mrs. J. F.
Williams of Donalton and William
McClatchey of Seattle.

Representatives of Penticton
Chapter 1313 were present. There was
a program of music and vocal num-
bers, after which lunch was served
to the assembled guests.

Yed Jackson is spending the
summer at Bashaw, where he is em-
ployed in a service station.

Albert Sells, son of Mrs. C. Sells,
Monday evening to visit his wife
who has been in hospital since Sat-
urday.

BASEBALL

The final games of the schedule
have been played up in the League
and announced. The playoffs
is expected any day. The games
as played have not seemed im-
pressive. On Sunday our boys went

Dutch farmers plan to turn B.C. \$30,000,000 marsh into productive farms pulp mill for Alberta

A group of enterprising Dutch immigrant-farmers are struggling against time in British Columbia's lush Fraser Valley to turn a tract of wild marsh land into a productive model farm community. In the 700 Meadows, a large area surrounded by decrepit dikes about 30 miles east of the city of Vancouver, the farmers are using their own supply of water and farm products to Vancouver, Canada's third largest city.

Spoken by J. H. Broom, director and lawyer from Vancouver, the farmers are planning to reclaim 7,000 acres of swampy land, the last large tract of open farmland in British Columbia. The area had been diked and farmed by Dutch immigrants since 1840. The water level was raised by the Fraser River in 1940 and set at a normal level to allow the water to flow back into the marsh. The river took one crop out of three. The river took the other two. With the water gone the area became a paradise for hunters.

Broom came to Canada with his family in 1941 and set up a company to take and build the area and build homes for future settlers. He admitted it might appear "unrealistic" to landowners Dutch farmers, who measure their property in yards, that the area has 14,000,000 square miles of water. The area is now a vast marsh with little arable land left.

At the same time a pamphlet was built on 62 plots. The pamphlet contained the names of interested persons and the names of the Dutch farmers. The pamphlet was sent to the Dutch farmers. The pamphlet was sent to the Dutch farmers. The pamphlet was sent to the Dutch farmers.

Within a year the land was dry and drainage ditches were cut. The area was now a vast marsh with little arable land left. The area was now a vast marsh with little arable land left. The area was now a vast marsh with little arable land left.

LAMBERTON

Mr. and Mrs. T. Dick and Mrs. H. Hummel, of Bluffton, were guests of Dr. Valentin at his home.

Mr. and Mrs. Wayne Jewell and children, of Drumheller, spent part of their holidays with Mr. and Mrs. J. H. Fisher, near the town of Lacombe.

Mrs. J. H. Fisher is a patient in Lacombe hospital.

Mrs. V. H. Stetley has also been hospitalized in Lacombe.

Mr. and Mrs. Ed. Baker of Poncha visited their sister Mrs. F. Baird and family last week. Linda Baird returned home with them for a holiday.

Many from the district noted by Edmonton on Monday to view the Exhibition parade in which the Mirror band participated. The young band, of whom Miller and entire district are justly proud, made a fine impression on parade spectators and are to be congratulated on their undertaking. The band is composed of 24 members and two banner carriers, along with their drum major, Lorne Stetley. Lacombe district members include Dr. Baird, Mrs. Rhonda Ferguson, Hugh Lindsay and Bruce Clark.

Mr. and Mrs. J. H. Fisher and Mr. and Mrs. Wayne Jewell spent Thursday in Red Deer and at Oatland.

Mr. and Mrs. John Clarke of Calgary visited their mother Mrs. Mary Clarke last week. Mrs. Clarke remained here for a longer visit.

Mr. and Mrs. W. H. Turner and Mr. and Mrs. Donald Devere, of Red Deer, spent Sunday with Mr. and Mrs. Lawrence Elmer.

A flock of snipe was witnessed by several on Wednesday night of last week when a perfect window was formed about two a.m. A hard rain had passed over, after which brilliant moonlight created the phenomenon.

Mr. and Mrs. Ed. Baker, Mrs. J. H. Clark and Mrs. J. H. Clark returned to Calgary Saturday night, after having attended the wedding of Miss Marjorie Brenne, daughter of Mr. and Mrs. Roy Brenne, and Mr. William Deberry of Regina.

John Armstrong of Stettler and his daughter, Mrs. Joe Raines of Waskagan, Ont., visited with Mr.

and Mrs. Hugh Stevenson and others last week.

Mr. and Mrs. H. and daughter, of Inverness, visited Mrs. Mary Clark last week.

Mr. and Mrs. J. H. Whiteman and a brother and wife, of Mill, North Dakota, were district visitors last week, viewing acquaintances they had made in the early 1900's, having lived here at that time.

Mr. and Mrs. L. H. Clark and Miss Clara Baird were district visitors on Friday. Mr. Baird returned with them for the week-end.

Mr. W. H. H. and Mrs. J. H. Davidson, of Stettler, spent Sunday with their aunt and uncle, Mr. and Mrs. Hugh Stevenson and at the L. H. Clark home.

Miss P. H. Simpson and a friend of Calgary, spent the week-end at her home in Stettler, and Mr. and Mrs. Simpson of Edmonton were also here.

Mr. and Mrs. H. G. Gilmour and children, of Winnipeg, are holidaying with their aunt and uncle, Mr. and Mrs. George Baird and Mrs. Rhonda Ferguson.

W. H. H. has returned to his home in Calgary after spending a week with his mother.

To Receive Civil Defence Course

On Thursday afternoon and evening next a Civil Defence course—which must of us think of as a "fire drill"—will be held at Bashaw. This was in charge of Walter Jackson of Red Deer, an instructor on the subject of fire-fighting and is one of five units stationed throughout the Province at various points.

Mr. Jackson will bring the pump and hose together with the equipment (it carries) every Thursday afternoon for the next five weeks and anyone who has signed up for such a 11 1/2 hr. service with Civil Defence can take the instruction on various methods of fire fighting.

Quite a large number, in addition to members of the local Fire Brigade, have signed up for the instruction.

NEW CNR BRIDGE AT ARDLEY

The Dominion Times reports that the superintendents of the CNR railway bridge at Ardley in New Brunswick, which will be five spans when completed, and reports are that this service will resume about September 1st. It is understood service is to be better than that prevailing before the bridge went over two years ago.

All construction is taking place from the north side of the river, according to the Times.

Mr. and Mrs. H. Stevenson and others last week.

Mr. and Mrs. H. and daughter, of Inverness, visited Mrs. Mary Clark last week.

Mr. and Mrs. J. H. Whiteman and a brother and wife, of Mill, North Dakota, were district visitors last week, viewing acquaintances they had made in the early 1900's, having lived here at that time.

Home Freezer One Bingo Prize

Bashaw Elks are sponsoring a big evening of Bingo on Wednesday, July 25th, when they are offering over eight hundred dollars in prizes. The principal prize is a 16 cubic foot home freezer and there are twenty other valuable prizes. Included in these is an Automatic Toaster which will be awarded to the person whose name is drawn. Each person entering the ball that evening is to fill out the coupon on a free ticket which is being placed under the windshield wiper of every car. The coupon is to be deposited in a barrel at the door and the draw will be made from the barrel.

The first Bingo numbers will be called at 8:00 p.m. and we are advised to not take a single chance to walk off with a valuable prize.

LOCAL MOON LODGES TO HOLD ROSTERS AUGUST 12th

Wentworth Light House Association will hold their 10th Anniversary on Thursday afternoon, August 12th, when they will visit Bashaw under the sponsorship of the Bashaw Moon Lodge. This is the date for the annual Moon Roster and the addition of the grandmaster will add considerably to the interest.

The visitors (and ladies, too!) have appeared at parties recently and their program of musical entertainments and sports was exceedingly well received.

Posters will be posted later this week giving details of the day's activities.

THE WEATHER

This district has been in the grip of a dry spell and plenty of really hot weather for the past couple of weeks. This would seem to have been broken by a change in the weather which brought a brief but heavy rain squall late Tuesday afternoon. The sudden lowering of the temperature suggests that this may have been the start of a change. A note has been reported up to a late hour on Tuesday.

This week at the Day Theatre, opening Wednesday and Thursday, double feature, *Feminine Pools* (The Beverly Hills) and *Pure Rins* (The View, Friday and Saturday, we are to have the Postscripter, in color starring Alan Ladd and Lee Remick in a thrilling air adventure story.

Rev. Leslie and Mrs. Peterson and family, who had been visiting here for some days, left on Monday for their homes at the coast, travelling through the northwestern States. On Sunday some 21 members of the Peterson family were present at a family reunion held at the home of Mr. and Mrs. R. Benke.

Some fifty-five neighbors and friends of Mr. and Mrs. Bob Miller gathered at the W.J. clubroom on Wednesday night last to tender a surprise party honoring Mr. and Mrs. Bob Miller on the occasion of their wedding anniversary. J. F. Frost made presentation of a poem of mine, together with the good wishes of a host of friends, all of whom could be in attendance. There was some light pleasing entertainment and a particularly delicious lunch.

TRUCK SAFETY - ACT SAFELY

Accident reports in Canada and the United States show that farming is one of the most dangerous of all occupations. In Canada, only mining and construction are more dangerous pursuits than Agriculture.

Watch That Tractor! A few days ago another fatal farm tractor accident occurred in Western Canada. Here, this time, a tractor driven by a young farmer, became stuck in a ditch. When the driver attempted to get the machine out of the mud it rear-ended, rolled backward, and crushed him to death. This unfortunate act lost your friendliness by the farmer's wife and by his 12-year old son. "Yes, tractor accidents of this kind, particularly accidents involving infants, occur far too frequently in the Prairie Provinces. Actually, they account for the largest number of accidents on the farm."

Some Safety Facts: Your tractor is a dangerous piece of equipment. In operating it "take time and take care." Don't take chances. Stay a safe distance from deep ditches and be careful on steep grades. Keep the front wheels on the ground - when they "take" you'll remember that tractor speeds of many times 50 miles per hour are always dangerous, especially on rough land or roads. Watch that clutch! Keep it properly adjusted, and engaged slowly. Use your farm tractor safely today. Tomorrow may be too late.

The loss of human life, the suffering and sorrow, and the loss of manpower and income caused each year in Western Canada by farm accidents is staggering. But, power machinery is a necessary part of today's farm equipment but it needs to be handled with untiring care, and with the right attitude towards its safety. Make every effort this crop season to prevent accidents on your own farm. The responsibility is yours. Contact: Mr. Bailey, Art Bailey, and Dr. Bels.

GOOD CROWD TURNS OUT

GOOD CROWD TURNS OUT TO CATHOLIC PARISH PICK
Perfect weather Sunday brought out a good crowd to the annual Catholic picnic here on Friday. High class baseball was played, the final game between Miller and Nebraska being ended in darkness in the ninth with the score tied. "Mahaw had lost a thriller to Nebraska and Hehl had won from Aliz 4-1.
It was announced that Nebraska would meet Bashaw in the second playoff game here Friday at 8.

The man shrugged the boy's

head and turned back quickly.

"You're around here, aren't

you kid?"

"Yes, this is my brother's

name. A Red, Mister? Thanks—

May get a job now?"

"You're looking for a job?"

The man reached in his pocket

and doled out a few coins.

"You got 'em?"

"Yes, Red, I got 'em."

"Good. Now go on, I hope

you find a job."

The man looked at the boy's

face and shook his head.

"You're a kid, aren't you?"

"Yes, Red, I'm a kid."

VILLAGE OF BASHAW, ALBERTA

Very Important Notice!

The Village Council finds it necessary to warn householders and others against allowing bulky material such as coarse paper, cloth materials (including oily rags), and bulky matter of any sort to be sent into the sewer system.

Within the last few days a serious blocking of the main sewer near the outlet very nearly caused a complete break-up of the whole system, and this was found to have been caused by the careless use of the sewer as mentioned above.

It should be pointed out that, had it been necessary to dig up the blocked point in the sewer, the whole Village would have been put to great expense and inconvenience.

It should also be emphasized that, where the blockage takes place in a service line, the expense of clearing the block will be borne by the individual concerned.

This notice is inserted by order of the

VILLAGE COUNCIL

Local and Personal

Mrs. Joe Heston of Poncha was a visitor at the Chas. Naufus home Saturday last. Mrs. Archie Johnson returned with her to Poncha.

Women's Institute

Bashaw W.I. will meet at the home-venue of Bashaw 11th. The judging will take place next week for our annual Broom Tack and Garden contest. October 1st. Judges will do the judging for it.

Also, we are happy to announce Tuesday, Aug. 24, to the data set for our first Flower Show, to be held in the Moose Hall. You will be served in the afternoon. Look for further particulars in the next issue. Print lists for the next week. A complete judge from Lacombe Experimental Station will do the judging.

Mr. W. H. Stobbs is a patient in Poncha hospital.

Mrs. D. D. Melvin of Edmonton is spending holiday here with her parents Mr. and Mrs. R. W. Selley.

Mr. and Mrs. G. Clement of Calgary are visitors at the home of their daughter Mrs. Glen Spence.

Mrs. E. Wadson and Mrs. Dick Cammidge and family spent Wednesday at Stylen Lake and Red Deer.

Mr. and Mrs. E. Broome of Calgary arrived Thursday to spend the week-end with Mr. and Mrs. Fred Way.

Mr. and Mrs. Gordon Brown, accompanied by Mrs. Beth Stewart and family, motored to Edmonton on Monday.

Mr. E. Kimmelman was an Edmonton visitor at the week-end, returning Tuesday.

Mrs. H. Grommet and children returned at the week-end after a two-week vacation at Stylen Lake. Benny, young son of Mr. and Mrs. Gm, underwent an eye operation at Edmonton Monday.

Mrs. H. Stiles, Deborah and Miss Lillian Schultz left on Saturday to spend some days at Innisfail.

Miss Maria Spence of Calgary, who has been a guest at the home of Mr. and Mrs. Bob Miller, returned home on Saturday. She was accompanied by her cousin Barbara, who will spend a week in Calgary.

MOBILE CHEST X-RAY UNIT TO VISIT HERE NEXT MONTH

Organization is now being made for the visit about the middle of September of the Christmas Seal Free Chest X-ray Unit. The definite date is now to be announced.

More than 1100 had chest x-rays taken at the previous visit of the unit.

It is possible that a blood donor clinic may be held here at the same time.

Bashaw Mills are sponsoring a Machinery Show and St. at Carnival on Thursday afternoon and Friday night. The show will be staged on the street adjacent to the Fire Hall and there will be no fee for admission.

Moose Sports Delight Many

Threatening ailes and heavy rain nearly interfered to some extent with the numbers in attendance at the annual Moose sports Thursday last, but the rain held off so that most of the program was not spoiled.

Following entries in the parade were: The Junior High School, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

THE GYMNASIA

The program of sports put on by the Westsask High League Association was "top-notch." More than forty riders engaged in a variety of events for which prize-winners were awarded.

Mr. and Mrs. H. Rets and Mr. and Mrs. "Tiny" Miska (Cameron) returned to Drumheller Sunday. The Miskas had a busy week at the Rets home. Miss Olga Ghomara of Calgary is visiting with her mother Mrs. J. Cherniak.

F. R. Scholtz was home for a few days last week from Drayton Valley where he is doing welding for all drilling rigs.

PRELUDE HOLDS NERBASKA HITLESS AND RUNLESS
Playing here Friday night before a slim crowd, Bob Brown pitched sensationally to turn back the slant Nerbaska, none went hit or run and dead-end the three-game playoff series at one game apiece. The game to decide who will meet Ajax in the final will be held on Sunday afternoon next at Nerbaska. Brown's nation fielded faithfully and the only visitors to get to base got on through walks.

Albie Wood did a swell job behind the plate in Herb Brown's absence.

Teacher Shortage Hits Local School

With school opening next Wednesday, Sept. 1, it would be nice to be able to take the complete roster of teachers, but there is still one vacancy on the high school staff and it would appear almost certain that this will result in the Grade 12 class being open for this term. Eight or so people would be affected by this, and the Star understands that numerous notices to this effect have been sent from the Division office to those concerned.

The teaching staff, therefore, will most probably be: R. M. Watson, principal; C. C. Dahms, vice-principal; Mrs. Gene Bell, Mrs. H. B. Scott, Mrs. Campbell, Mrs. Schell, Mrs. Blythe, Mrs. Woodward, Mrs. Lund and Mrs. Becker.

Lois Leck has been appointed school caretaker, according to E. E. Trust who has served for many years past.

AN BISHOP OF CANTERBURY TO PREACH AT CALGARY

The Bishop of Calgary announces the forthcoming visit of the Most Rev. Geoffrey Fyfe, Archbishop of Canterbury, during the week-end of Sept. 1 and 2 on Sunday he will preach at 11 a.m. in the Cathedral in Calgary and his services as well as the service will be broadcast over Station CKRD, Red Deer. The same evening at 7:30 p.m. he will preach at 11 a.m. in the Cathedral in Calgary and his services as well as the service will be broadcast over Station CKRD, Red Deer. The same evening at 7:30 p.m. he will preach at 11 a.m. in the Cathedral in Calgary and his services as well as the service will be broadcast over Station CKRD, Red Deer.

PLAYOFF FINAL POSTPONED

Wet grounds at Nebraska forced postponement until Sunday night of the final of the playoff series between Bashaw and Nebraska. The winner meets Albi in the 1st.

W.I. Flower Show A Grand Success

The W.I. Flower Show, held at Moose Hall in Tuesday, was a tremendous success, and the display of gorgeous blooms and plants was truly a revelation to the many who visited the display.

Judging was in the capable hands of Mr. H. T. Allen of Lacrosse Experimental Station.

Grand Aggregate winners were won by Mrs. J. W. Oberg with a total of 17 points. Mrs. Bob Miller was second with 14 points and Mrs. Fred Wachsenicht third with 13 points.

The Star expects that it has not seen in this issue for the prize list. It will appear in full next week. Also held over to next week are the awards in the Border Yards and Garden Centre, judged by ladies from Albi.

Gun Club

Dale Scholz, probably youngest member of the Gun Club, was age 10 at last Sunday's shoot. The local club's range is 15 miles east of the town.

Ken Rippler, Fortinet, tied with Bob Brown in the doubles competition, first to be held by the club. Both made scores of 16 out of 24 targets.

Bob Brown was one prize in the rifle-and-shot shooting and Chas. Rippler of Fortinet was another.

THE WEATHER

It was Tuesday spontaneously at a late hour Thursday when this letter went to press. And the same was true of Monday, which gave rise to worrisome thoughts about harvest and when the crop would be ready for a start.

With some pretty nice crop in the field of weather to bring it to maturity, it is poor comfort to say that many other districts are getting considerable rain in the last few days, notably to the south and west.

1964: K. Rippler, 1634.
The Club will hold a shoot on Sunday next, starting 9 a.m.

Would Organize Band At Bashaw

A meeting of public interest is called for Thursday, Aug. 26, 8 p.m. at the W.I. rooms at which it is the purpose to organize a brass band for Bashaw and district.

All those interested in playing, as well as members of prospective junior musical groups, are asked to attend this meeting.

There are a number of experienced players available, but beginners are needed and will be welcomed.

Whatever Your Crop... You'll Combine it Better with a McCormick

The NEW McCormick No. 141 (Self-Propelled)

Compare the new McCormick No. 141 Self-Propelled with any combine on the market. Then you'll see why it is rated first among all others in the field. Easy to service, and maintain, this large capacity combine can be obtained with power steering and hydraulic brakes. More than 50 major improvements and refinements have been built into this machine. ON HAND IN BASHAW.

The NEW McCormick No. 140 (3-Pow. Cutting Platform)

You'll find this new McCormick No. 140 engine-driven or P.T.O. combine suitable for large or medium-size farms. It has the same large threshing capacity as the No. 141SP combine. A new addition to the famous McCormick combine line, the No. 140, with 9-foot platform, when equipped with a pickup, will easily handle 10, 12 and 16-foot windows.

The NEW McCormick No. 64 (New with 7-foot Platform)

Now you can take your choice of a six or seven-foot cutting platform with the famous McCormick No. 64 Combine. Choose the one to suit your needs whether you prefer a six or seven foot. The crop flows smoothly and in a straight line through the machine. For the best in harvesting performance, look to the McCormick No. 64—the machine last to the field in its class. ON HAND IN BASHAW.

CHAMBER OF COMMERCE

At a meeting of the Chamber of Commerce on Monday evening, a number of important decisions were made.

A move was initiated to hold a community auction to raise funds for community recreational facilities. This is to be discussed during the Sept. 27 meeting and the date set definitely.

A letter of protest with reference to a number of school matters was authorized to be sent to the board of Commerce School Division.

To make definite and detailed arrangements for our Fall program, it is imperative that ALL members of A.L.L. committees discuss a new plan, keeping in mind that all can do much, few can do nothing.

As a reminder to all, here again is the tentative program for the month of September in December:

Sept. 27 - Theme, "Cultural Interests in the Community."

November 22 - Social Evening.

December 11 - Annual Meeting. Remember these dates, please.

Your Chamber of Commerce Executive

District Pioneer Passes Tuesday

Word was received shortly before the funeral closed for the loss of the death at 8:30 p.m. Tuesday of J. W. Baid, district pioneer.

Mr. Baid had been ailing with cancer for some time and his passing was not unexpected.

We were unable to learn of funeral arrangements at a late-hour Tuesday night.

Teens Men In Serious Trouble

Arrested Wednesday last, Lester Ramsey, Frederick Walker, Evelyn Olson Marshall and Kella Johnson, all of Town, appeared before Magistrate E. M. Robertson here Tuesday. All were charged with the same offence.

They were made at several points in central Alberta and elsewhere. Ramsey and Walker pleaded guilty to four charges of theft each and drew sentences of one year each at Fort Saskatchewan.

Marshall and Johnson pleaded guilty to one charge each and were given 48 hours in jail with fines of \$75 and costs.

Police assert that after arrest and charges may be laid before investigation is completed. Several hundreds of dollars' worth of stolen goods have been recovered, some of it having been restored to the owners.

Mr. and Mrs. A. Klemm, Strathmore, and L. Thompson of Cochrane, spent several days recently at the J. W. Baid home.

Local and Personal

Mr. and Mrs. Steve Reed and four children moved to Ponoka on Tuesday.

Mrs. A. Juchakow left Saturday to visit at Cochrane with Mr. and Mrs. L. Tencison.

Jack Camridge has taken a position with the Halcrocks. He has been with the Halcrocks for some time and will be staying on at the Halcrocks.

Mr. and Mrs. A. Juchakow and family returned home Friday after spending a few days in Edmonton.

Mr. and Mrs. Wilfred Wilson and family, of Edmonton, spent several days here at the home of Mr. and Mrs. A. Salin.

Sunday from Ponoka Hospital where she had been under treatment for ten days with bronchitis.

Mr. and Mrs. W. E. Wells, St. Paul, and Jack Pearson returned home Sunday from a week's holiday at Hyman Lake.

Oliver Brimford, who has been with the University of Alberta for a couple of weeks, will be in town for the week, where he will teach in the Junior High School.

Mr. Fred Ward returned home from a week's holiday at the home of Mr. and Mrs. A. Salin.

A revival invitation is extended to everybody to attend any or all of the services.

Local Creamery Shows 'Em How

Bashaw Creamery and owner W. Brown, whose son Bob is butter-maker, are the highlight here, but more by reason of having taken over more than a single creamery's share of the high-grade products in Ontario. They got off to a slow start at the Central Canadian Exhibition at Ottawa, and took down a first prize for 7 or 14 lb. sold milk, and a second for one-pound pints.

But at the Canadian National in Toronto they began to hit their stride. Awards made on Sept. 3 show the Bashaw Creamery winning the silver medal for creamery products, also first prize for creamery milk, first prize for creamery milk, and first prize for creamery milk, and first prize for creamery milk.

But at the Canadian National in Toronto they began to hit their stride. Awards made on Sept. 3 show the Bashaw Creamery winning the silver medal for creamery products, also first prize for creamery milk, first prize for creamery milk, and first prize for creamery milk.

The Bashaw Creamery has been down up, this including 10-year singles, 20-year doubles, 30-year and 40-year, and a number of other events appropriate to a prize show.

The club's new range is one and a-half miles east of Bashaw.

4-H CLUB

The re-organization meeting of Bashaw 4-H Junior Club was held Friday, September 18, at the school on Highway 10, where the new state of officers was elected for the year ahead. The new executive are:

President—Merle Smith.
Vice-President—Willie McLaughlin.
Secretary—Verna Schell.
Program Committee—Gordon Gaskill, Gordon Schell, David

Reporter—Valerie Turk.
Council Representative—Merle Smith.

Also, in attendance at our meeting was the new district agricultural agent in our district, Mr. Larry Williams, who gave a most interesting talk on 4-H club work.

Next meeting will be held at the school on Friday, October 1st. The lunch committee is: Carter, Camille, Delaney and Doherty.

FERINTOSH O. E. Bane, Correspondent

It's interesting to see the children going to school again, and to hear their merry voices. Ferintosh again has her full complement of teachers with Mr. C. G. Ogden our good principal again, teaching grades 10, 11 and 12; Dennis Doherty with the grades 7 and 8 (this is Mr. Doherty's second time teaching at Ferintosh). Our new teacher, Mr. J. L. Laidl for grades 9 and 10, and Mr. Harold A. Johnston in grades 1 and 2. This is Mr. Johnston's third year teaching in Ferintosh School. Mr. and Mrs. Otto Albert, Raymond and Lloyd, of Ponoka, were Friday visitors with Mr. and Mrs. J. P. Bommer, Camille and Irene, who were in town on Monday evening. It was decided that the HSA would be held at St. Peter's Anglican church on Friday at 8:00 p.m. The family report that there is no frost yet.

The family hope to leave the elder son (Kenneth), who left about ten days ago, with Fred Rader on a motor trip to Lethbridge and north-western States point.

MEET WITH MEET ST. LOUIS, GRAND LODGE MEET

Bashaw Moose lodge was very well represented at the annual meeting of the Moose Grand lodge held at Medicine Hat on September 4, 5 and 6.

The local lodge was represented by Messrs. J. D. Hall, E. P. Ross and D. Schickelkrowy.

At the same time the provincial body of the W.O.M.F. was also in conference. Those from Bashaw in attendance included Mrs. Paul E. Schell, Mrs. Valma Peterson, Mrs. Phyllis V. E. Schell, Mrs. N. R. Schell, Mrs. E. P. Ross, Mrs. D. Schickelkrowy.

All bring back reports of a very enjoyable time.

In Business Here Small Start On Harvest Here

This community received a profound shock on Labor Day when word was received from the Calgary of the sudden death of Herbert C. (Bert) Brown, who has been in the community since 1914. He is survived by his wife, two sons and three daughters.

Mr. and Mrs. Brown were visiting in Calgary at the home of their daughter Mrs. George Magnus, and Mrs. Brown was suddenly stricken about 10 a.m. Labor Day. He was rushed to hospital by ambulance but was dead before arrival. Her only son, who was in the city at the time of the death, was with her at the time.

The funeral service is to be held at St. Peter's Anglican church on Friday at 8:00 p.m. The family request that there be no floral tributes.

The family hope to leave the elder son (Kenneth), who left about ten days ago, with Fred Rader on a motor trip to Lethbridge and north-western States point.

CHEST X-RAY Good Investment

You always will be having a first chest x-ray such as is being offered here next week to everyone above the age of four years.

... IF it shows you have a healthy chest, that's a good news too.

... IF it shows you have already got a round with tuberculosis, then, that's a good news too.

... IF it shows that you have TB in the early stage, before you begin to feel sick, you have plenty of time to rest, and that's smart.

Early discovery helps recovery.

... IF it shows TB has a foothold, you're still lucky to have had the x-ray, because the sooner you start treatment the better are your chances and the shorter your treatment needed.

No matter what it shows, your chest x-ray will give you a good investment, cheap insurance and a sensible deal.

The provincial free x-ray clinic will be at E.H. Hall, Bashaw, on Thursday, Friday and Saturday of next week. If you have already registered, you will be receiving a notice in the mail telling you when to report at the clinic for your free x-ray.

If you have not so yet registered, you should contact Mr. H. B. Scott, who may be able to schedule you for a x-ray.

Registrations On Par With 1953

School Principal R. M. Wadsworth reports that enrolment at the local school is about the same as last year, with a noticeable increase in the number of grade 12 students.

Following are the numbers in the various classes:

Grade 1	23
Grade 2	29
Grade 3	40
Grade 4	29
Grade 5	39
Grade 6	34
Grade 7	33
Grade 8	31
Grade 9	24

Grade 12	11

Total Enrolment... 381

Mr. and Mrs. E. B. Schults were Calgary visitors Tuesday.

Mrs. L. Norbury was in Calgary for the birthday service of witness at the Stampede Oval.

Mr. and Mrs. Geo. McDonald of Calgary spent Labor Day week-end with Mr. and Mrs. Clio Sharp.

Mrs. Jessie Cole and family of Crows were Sunday visitors at the home of Mr. and Mrs. Harry Miller.

Mr. and Mrs. R. L. Miley and sons and Mr. and Mrs. W. J. Peters and family spent the holiday week-end at Banff.

F. W. Pratt of Mayne Island, B.C., arrived Friday last and is a guest at the home of his sister, Mrs. E. Masters.

Mrs. Beth Stewart and children, who have been living in Edmonton for some time, have taken up residence again in Bashaw.

Mrs. T. M. McDonald was a visitor to Calgary over the week-end to visit at her brother's home and see her aged mother, Mrs. Lee.

After a visit of two weeks to her former home here, Mrs. Gordon Dault (the former Jean Brown) left on Sunday to return to her home in Winnipeg. Dault was accompanied by her little daughter Barbara.

On Saturday last Alf Pipe announced in your paper that he had observed sandhill cranes flying off to the south. If Alf wanted to let us the impression that cold weather was just around the corner, the climate since would seem to have made his crane out to be rather poor forecasts.

Among the many thousands who crowded last Stampede Corral in Calgary on Sunday for the visit of the Archbishop of Canterbury and service of witness on Sunday last were Mr. and Mrs. Ben Halk, Mr. and Mrs. Steve Reid, and Mr. and Mrs. G. H. Ramer. The Ramers are regulars in Calgary to spend the week visiting at the home of their daughter, Mrs. Harry Morris and Mr. Morris.

Saving money... and writing cheques

A bank offers you two types of deposit account, Savings and Current.

If your main purpose is to save, to accumulate funds, it's good to have a Savings account.

If you write cheques frequently, you will like the many advantages of a Current account.

The money you leave in a Savings account earns interest, and your bank book gives you an up-to-date, continuing record of your financial progress. If your funds are active, with frequent deposits and withdrawals, a Current account provides a special service; a monthly statement, together with your cancelled cheques—useful as receipts and a ready reference for budgeting, bookkeeping and other purposes.

Local Creamery Makes Triple Play At London

The Western Fair at London, Ontario, saw Bashaw Creamery top the list of creameries of winning the reserve championship ribbon and placing in the same prize group as no-tarve creamery open to them. Coming up on top of their marks on 100 U.S.A. and 100 Canadian Ontario Fair, they have resoundingly themselves at the top as they wait for the results to come from Vancouver's Royal Winter Fair.

"A. Initiative betterment will compare better every year than any previous prize at the Western Fair, London, Ont. A total of 90 prizes—11 first, 16 seconds and 7 thirds—were won by Alberta creameries."

"Bob Brown, Bashaw Creamery, did the 'Hot Trick' similar to the results at the Canadian National by winning a First prize in each section, and he captured the Reserve Championship Ribbon, Belmont, Ontario, Ltd., Belmont, Ont., won the Championship with a flavor score of 42.4 and a total of 97.4 points. The Bashaw made the same total score but on a basis of a point less in flavor, and on the deciding factor."

The Securing
Section 1—One 16-lb. tin, flavor makes—Bashaw Creamery scored a total of 97.5 points, with flavor score of 42.5.

Section 2—One 16-lb. tin, July makes—Bashaw Creamery scored a total of 97.5 points, with flavor score of 42.5.

Section 3—One 16-lb. tin, July makes—Bashaw Creamery scored a total of 97.5 points, with flavor score of 42.5.

TO ATTEND LUTHERAN CHURCH CONVENTION
Rev. R. W. Peeling is leaving by train Friday for Toronto to be present at the bi-annual convention of the United Lutheran Church in America. Louis Rock goes along as lay delegate from this parish and both are to be back Oct. 16. Because of the pastor's absence, there will be no Lutheran services on October 2 and 3.

4-H CLUB

The meeting of the Bashaw 4-H Club will be held this Friday, October 1st, at the school. The Lunch Committee will be Carter, Cammidge, Dulista and DeLew.

Com'ce Chamber Deplores Scanty Male Interest

Though the fair was rather well represented, the attendance at Monday evening's meeting of the Chamber of Commerce was distinctly disappointing to the Executive members who have put out effort into arranging interesting meetings and even personnel reminding the male members to rally round.

The gathering heard a highly interesting talk from Mr. Milne, executive secretary for the northern branch of Canadian Institute For The Blind, and himself blind.

After due discussion it was decided to postpone from 2 till 8 a lot of adjoining the site of the proposed children's playground.

Another decision arrived at in the meeting was that the Chamber of Commerce should sponsor a community action sale as a means of raising funds for community service.

It was decided that this sale is to be held in the first week in November.

Students' Union Announce New Business Venture

The Bashaw High School Students' Union will undertake, as part of the students' activities, the sale of approximately seventy popular magazines which are included in this year's Curriculum Study. Published in the school press the Saturday Post, Ladies Home Journal, Evening Post, Ladies Home Journal, Country Gentleman, Jack and Jill and Holiday.

The entire student body is confident that, with the co-operation of the members of this community, they will reach their objective and thereby obtain sufficient profits to finance sports equipment.

Aside from the monetary gains, the staff and the students all feel that there are other opportunities to be derived from the Curtis school sale.

For example:
(a) It gives the students the opportunity to practice practical "business."

(b) It teaches co-operation and helps to build and develop student leadership.

(c) It helps to place in the hands of the community more and better reading material.

(d) It brings money in the community which will otherwise be sent out of town, because Curtis learns the value of money with allowing them to flourish worth while profits at no expense to the taxpayer.

The students of the Bashaw High School feel that you hold for them all of your magazine subscriptions, whether new or for renewal.

Elks' Hall Gets New Heating

Bashaw Elks are having a new heating plant installed in their hall here. Jerry Ross of Edmonton is in charge of the work on behalf of Mr. J. Hall & Co., successful bid, is on the contract.

The new heating plant is oil fired and is of the most modern forced circulation type which should take care of heating troubles which have existed hitherto.

The Elks have in very recent years made many thousand dollars worth of improvements to their hall and this year have enlarged and renovated the basement, installed modern plumbing and toilet facilities, and brought the hall up to the highest modern standard.

The Elks hope to have the hall go into more detail regarding the renovation of the hall.

FROM DOWN BY THE SEA

Atlantic waves rolling in on a Nova Scotia beach, followed by the Elks' Chamber poem which opens "We give you ships and sides and men. Anchors swing and wind-filled sails. We give you back the sea again in sailor's song and rousing tale."

"...these sounds have introduced 'Barney Harbour' to listeners on the CBC Trans-Canada network for some years now."

On the regular Sunday show, just begins its eighth season, tale of the sea are, giving listeners in sight to the great days of Canadian maritime history, sea chanteys varying in sentiment from sailing pirates' songs to sailors' weeper lyrics and also original, featuring the Canadian Male Quartet (above). The program originates from the heart of Canada's western seaboard, at Halifax.

To Combat Fire Menace

This coming week is Fire Prevention Week in Alberta when we are asked to carefully check our homes and business premises for possible fire hazards.

Our local Fire Brigade is taking an active part in the prevention activities and citizens are requested to lend their co-operation in every way possible.

The schools are taking active notice of Fire Prevention Week, with a "home inspection" project for the young folks and special lessons by their teachers.

The Dominion Government has required and distributed a special bulleting covering the subject of fire drills in the schools and this will receive special study.

This time last week The Star thought that the weather of last Monday morning had straightened out the weather. It was nice and warm right up to Saturday, but since then it has been getting worse and worse.

The weather has brought some of that untested brand of get too much of its August and very September, and Tuesday morning's snow melt with the intermittent showers.

At the same time the temperature has been sliding lower and now anything can happen. There is no report in the forecast and we are predicting more snow on the approximation, of course, that our prediction will be away off—on usual.

HIGHWAY 31, BARHAW-SERVICE

It was announced Tuesday that Lavette Construction Co. of Los Angeles had received the contract for the repaving on Highway 31 between Ashby and Ervick, a distance of 2 miles.

The series of unduly wet summers has left sections of the highway in sore need of attention.

It was also announced that the city will be visiting during the past week with sands and relatives. He is leaving to spend the winter months at the coast. ☐☐☐

Thanksgiving

Local News

Mrs. L. Sharp of Edmonton is a business visitor here this week.

Mrs. Louis Rock left on Thursday to visit her daughter at Moorhead, Nebraska.

The United Church W.A. is holding its regular meeting on Wednesday, Oct. 13, at the home of Mrs. W. E. Wells.

Miss Shirley Beale, who is employed at the Imperial Bank, Edmonton, is spending three weeks holiday at her home here.

Mr. and Mrs. Dave Adams, of Manning, B.C., are visiting with the former's sister, Mrs. Henry Fisher and Mrs. S. Angerman.

Harry Trout of Edmonton and his friends George Davis and Norman Foster, all three C.R. employees, are spending a few days here Sunday.

Mr. and Mrs. Glen Schultz and family, of Oyen, are here for a few days after spending a week with Mrs. J. A. Smith and Mrs. Albert Schultz.

Miss J. Shanks was an Edmonton visitor last week at the home of her daughter Mrs. Mahood. A grandchild, Henry, returned to visit here for a time.

Miss Alice has been busy this past week at her classroom. They have completed a quilt to be raffled at the hallween frolic. Tickets will be available shortly.

Mrs. and Mrs. A. J. Hoenigsdorf, who returned to their home in Edmonton after spending a week at the hallween frolic, tickets will be available shortly.

It was not reported before, but 27 people had spent a very busy time when the Mobile Chest 2-ray Clinic visited Bashaw last month. This was considerably less than the number expected and the local committee which worked energetically to bring out the crowd was definitely disappointed with the response, especially of town residents.

Eskimos Boost

Football Here

Bashaw Junior Football Club, is seeking funds to purchase a dozen new uniforms for their two teams, and they are taking heart as the excellent means of raising the needed funds.

Through the good offices of the Edmonton Eskimos, they have secured a football which was actually used in the game with Winnipeg on Sept. 28. This has been autographed by the Eskimo players.

In a few days we will have the privilege of purchasing our ticket and the holder of the winning number is going to be presented with this interesting souvenir of a great football team.

In the meantime, the boys are holding practice scrimmages each Tuesday and Thursday, 4:15 p.m., at the school ground under the guidance of coach John Bednarik (trans. by adit). Parents and others interested are invited to drop around and see the boys as they learn the fundamentals of the game.

A month was recently held at Edmonton as the first step towards organizing the game through the school division.

It was decided at this meeting that the teams consist of themselves, the first class, the second class, the third class, the fourth class, the fifth class, the sixth class, the seventh class, the CHAMBER OF COMMERCE

Next Monday, Oct. 29 at 8:30
a.m. is monthly meeting of
our community-wide group.
The evening is dedicated to a
group of activities which have been
so beneficial to many in our com-
munity. The committee on cultural
interests in the charge of the even-
ing and the chairman of this com-
mittee, Mr. F. Foster, will bring
to the attention of all present the
work done last year by the Home
and School Association, the C.I.B.T.
the Boy Scout group, the library,
organized band, and the Navy.

Will you make it your intention
to definitely be present? I surely do
the good people who work for these
worthwhile community enterprises
are expected at least once a year
the interest of all of those in whom
interest they have.

Remember the Community As-
sociation Sale to be held in the first
week in November. More about this
later. There are some business in-
terests which will take but a short
time.

Until next Monday, then, at the
Moose hall, 9:30 p.m. sharp!

4-H CLUB

Bashaw 4-H Club held their
regular meeting on Oct. 1. Names
of all new members were taken
and we are sure they will enjoy
being 4-H members.

The program committee and ex-
ecutive are to meet at Mr. Ben
Hall's on Oct. 22 in the evening to
plan a program for the year.

The next meeting is going to be
a social evening which will be held
in the Moose hall, where (line are
to be shown. After dancing, lunch
will be served.

Until next 4-H all members will
be there! —Olive Glade

TESTIMONIAL TENDERED TO FORMER SCHOOL CARETAKER

Mr. and Mrs. J. E. Trov, who for
11 years cared for the local school
were guests of honor at a unique
function staged on Thursday last
by the pupils and staff.

Principal Wadman made presen-
tation of the school's gift, a paper
coaster and paper of money, to-
gether with a most expressive
pleasure in their work.

Many Pay Tribute To Long, Faithful Service

No words are fully adequate to
express the simple emotions of
unity and fellowship that were felt
on Monday evening at the United
church, when about one hundred
and fifty friends from far and near
of Rev. and Mrs. Foster met to
pay tribute to a man who has for
fifty years served the high calling
of the Christian ministry.

A fitting sing-out, led by Rev.
Norman Knight of Viking, opened
the program, followed by a prayer.
The chairman, Mr. A. Selin, warmly
welcomed all present, then called
on Mrs. Thorne, chairman of
the Rev. Foster's, who very gen-
erously brought the greetings and
good wishes of Presbytery to Mr.
Foster.

Other speakers appearing on the
program were Rev. John Sedell, pres-
ident minister of Edmonton and a
friend of Mr. Foster who some ac-
cording to the southern part of
England in 1890. He very humbly
told of the trip and of college days.

Mr. King, a close friend of long
standing and editor of the Camrose
Canadian, recalled their work to-
gether in the southern part of
England during the drought years.

A young man who paid tribute
for all that Mr. Foster had done
for himself and others whom they
had touched and helped, was Rev.
A. D. Dunsen of Lacombe.

These addresses were inter-
rupted by musical numbers which
were freely enjoyed and appreciated.

Home and School Association

There promises to be a highly
interesting meeting of the Bashaw
Home and School Association this
Thursday at 8:30 p.m.

One important item of business
will be the election of new officers
and another in discussion of the
program for the season ahead.

A most interesting item will be
the visit of Miss Ruth Pearson of
Red Deer who is making for the
express purpose of assisting to or-
ganize handicraft classes.

The HSA meetings are definitely
worthwhile and a welcome to ex-
tends to all adults of the community.

More Football Games On Tap

(Special to The Star)

Well, it finally came! Football
was seen in Bashaw last Thursday
as the Bashawians hammered
out a 15-0 victory over the oppo-
sition Merry Madmen in a game which
was none too spectacular.

While the game may not have
lived too much from a spectator's
viewpoint, it was comparatively
well played by the players, for all
of whom it was a first effort, and
they can look forward to great im-
provement in the ensuing games.

Some of the brighter plays were
that of watching Reddy Sills mak-
ing a 60-yard run, and the boy
looked like a veteran. Jerry Schultz,
the biggest tackle, was a very good
one beautiful tackling. And
one can't overlook the playing of
the boys, Reddy Sills, Jack Jack-
son and Richard Miller.

We were very happy, however,
at the lack of parent support
which is a very necessary part of
minor sport. This we hope will
improve as play progresses.

The boys are still selling Club
membership and to date the re-
sponses has not been too gratifying.
The purpose of this drive is to pro-
vide permanent equipment (scum-
ber, helmets) which will be at the
disposal of the youth of the com-
munity for years to come. As it
was not desired to put pressure on
the local residents and mer-
chants due to their many other
commitments, a merchandise drive
was decided upon. Surely this in-
itiative deserves greater support
than has been given so far. So let
us all do our bit, after all it is for
the youth of the community who
will not be disappointed.

WEDDING BELLS

ARNDOWN-BUFF

A pretty wedding took place in Knox United church, Calgary, at 1 p.m. on Wednesday, Oct. 20, when Miss Angeline Buff, second daughter of Mr. and Mrs. Geo. Buff of Bashaw, became the bride of Mr. James Arndson, son of Mr. and Mrs. J. Arndson of Vancouver, B.C.

Given in marriage by her father, the bride wore a two-piece pink dress with navy accessories. Her veil was blue dress with black accessories.

Mr. Dale Weber was best man. Following the ceremony a reception for about 30 was held at the couple's apartment.

After a short wedding trip to Banff the young couple will take up residence in Calgary.

MOVIES NOW CLOSE AT SIX ON SATURDAYS

State patrons should note that the movie of November 2nd, 1954, at Bashaw will be closing each Saturday night at six o'clock. Many day time shows have been staying open Saturdays until ten o'clock, but now that barment is over the late opening serves no useful purpose.

Preparing For Remembrance Day Ceremonies

Arrangements are well in hand for the annual Service of Remembrance in Elder Hall at 11 a.m. on Armistice Day, Thursday, Nov. 11. Legion members are to meet at their hall at 10:30 a.m. and are to wear medals.

The service will be presided over by Rev. Fred Forster and the address will be delivered by Rev. F. C. Austin.
Rev. K. W. Freitag is directing the singing and present will also be given by the choir. The service is holding a picnic at 2 p.m. this (Wednesday) evening at Zion Lutheran Church.

Business will be suspended all day and the Post Office will be open from 8:30 to 10:30 in the morning.

OIL NEWS

A Bristonfield drilling rig is expected to arrive soon from the Calgary area to work on the Imperial-Canadian Superwell with the well site at Bashaw on the Jim Branch farm.
This is a well-oil venture, but one which holds a great deal of interest for those who have been closely following the search for oil in this area.

Last week a service crew began pouring cement slugs into the pair of wells on the Jim Branch place at Water Glen. These great prodromes which first put into production last for the past year they have been producing.

DEMOCRATS GAIN CONTROL HOUSE OF REPRESENTATIVES

As the forms for this issue were being checked, our radio was giving reports on the federal election in the States.

The Democratic party appeared to have gained a majority of 19 to 20 in Congress, but the outcome of the Senate race was very much in doubt when last reports were received.

Hallowe'en Hi-Jinks Delight Large Crowd

The annual W.J. masquerade and children's frolic was held Friday night and seems to have been fully up to the high standard of previous years. The children's frolic was held first, and this brought out many exceptionally well costumed youngsters, of whom the following were cited by the judges:

To The Editor
Lyon, Colorado Oct. 28, 1954

Ge. Haggerty, formerly of the Duvall and Mackay area, came to visit us. Accompanying him were his cousin, Mr. and Mrs. Mark Haggerty.

Mark Haggerty left Bashaw in 1948 (He and his sister Mary) also was of Bashaw.
It had been 31 years since I had met them and I must say it was delightful meeting them again. The news of many Bashawites must have been as we related there over the weeks. They sent their regards to the family and we were all well and prospering. Sincerely,
Arlene H Price

LAMERTON

Arden, small daughter of Mr. and Mrs. Joe Hink, underwent an appendectomy in Lacombe hospital Saturday evening.

Mr. and Mrs. George Thompson of Ouster were guests of their son and daughter, Mr. and Mrs. Mark Nelson, last week.

Mrs. Mary Clark has been a patient in Lacombe hospital the past week.

Miss Pat Simpson and Dr. Chabrovetz, of Calgary, were week-end visitors with the former's parents, Mr. and Mrs. Ray Simpson.

Miss Simpson left Sunday by plane for Virion, Man., where she will be with her sister and brother-in-law, Mr. and Mrs. Dean Reyer, for two weeks.

Mr. and Mrs. Bob Jarvis Jr. were Red Deer visitors last week. Johnny, half son of Mr. and Mrs. Don Carpio, is a patient in Lacombe hospital.

Mrs. Rhoda Ferguson spent several days last week with relatives and friends in Nebraska district.

Mr. and Mrs. Ernie Knackel and baby, are visiting relatives in Calgary for a few days.

Mr. Albert of Alta is staying at the Knackel farm while they are visitors last week.

Congratulations are extended to Mr. and Mrs. Otto Kyprie who were married Oct. 18 in Winnipeg and are making their home there. Mrs. Kyprie is the former Miss Beulah Carr, eldest daughter of Mr. and Mrs. Philip Carr, formerly of this district and now living near Lacombe.

Mr. and Mrs. Jim Pihver were Waskatoon visitors last week.

SAVING BAD TIME WITH WHIST PAUSED AT FOOTBALL

Richard Miller came home Tuesday of last week from Centennial hospital but had to return on Sunday and next day the injured wrist was reset. Further surgery was to be performed on Tuesday and he may be laid off for this week but he is home again.

Presentation To Honor Students

A very interesting feature of the last meeting of Bashaw HSA was the presentation of Honor Pin to the three local High School students who achieved honor standing in the midsummer departmental examinations.

Superintendent of Schools R. E. Hamby made a special trip to Bashaw to present the awards to Miss Dianne Kimmelman, John Chabrovetz and Harmon Wong. He had some nice things to say to the successful students and they in turn thanked the superintendent and their teachers very acceptably.

Selection of new officers showed that the HSA membership was well satisfied with last year's Executive officers, all being returned to their posts for another year.

President—Rev. Fred Forster Vice-President—Rev. K. W. Freitag Secretary—C. C. Daking Committee members were chosen as follows:
Ways and Means—Albert Solis Lemch—Mrs. H. Trappier.
Program—J. Haggerty.
Parent-Teacher Education—Mrs. Hink.

Swift Current Agro expert describes life in Iceland

SWIFT CURRENT—J. B. Campbell, forage crop expert at the Dominion experimental station has just returned to his old job in Swift Current after a two-month tour of technical advice in the Icelandic government in utilizing grazing land in the country.

Mr. Campbell described much of Iceland as a large desert with heavy acid, high mountains and no glaciers. Occupations of the country vary from fishing to dairy, but Mr. Campbell said that the most useful was the use of the native grass, heather and heather grass.

The pasture land is being improved by the use of heather, which is a hardy, low-growing plant. Mr. Campbell said that the heather is being planted in rows from production and seen to be growing well.

He said the big problem is to get enough grass. Eventually the desert land of Iceland will be transformed into a very rich and fertile area. Mr. Campbell said that the Icelandic government is very interested in the use of the native grass, heather and heather grass.

The climate of Iceland is very dry and the weather is very variable. The people of the country are very hardy and the weather is very variable. The people of the country are very hardy and the weather is very variable.

Three important factors govern keeping quality of vegetables

Three highly important factors govern the keeping quality of vegetables when they are stored in the home basement or root cellar.

The first factor is the selection of the vegetables. It is important to choose vegetables that are in season and of good quality.

The second factor is the storage conditions. The vegetables should be stored in a cool, dry, and well-ventilated place.

The third factor is the handling of the vegetables. They should be handled carefully to avoid bruising and damage.

By following these three factors, you can keep your vegetables in good condition throughout the winter.

It is not difficult to tell when vegetables are ripe for storage. They should be firm and have a good color.

Vegetables should be stored in a cool, dry, and well-ventilated place. This will help to keep them fresh and crisp.

Handling the vegetables carefully is also important. They should be washed and dried before being stored.

TELEVISION ANTENNAS

The installation of television antennas supporting structures adjacent to overhead power lines constitutes a serious accident, or "near" accident. If the structure contains the power line either when it is erected or when it is removed, the full voltage of the power line is exposed to the public. The structure is a hazard to the public and has been removed by our company.

Persons erecting television antennas should wherever possible maintain sufficient clearance from the power lines to ensure that no contact will be made if the antenna structure fails. It is recommended that the distance from the power line be at least greater than the total height of the structure. Where such clearance cannot be obtained the structure must be securely anchored to the power line. The company erecting the power line should be notified when the installation is being made so they may have a representative present to immediately disconnect the line, if necessary.

Details of safe construction standards for domestic antennas, including full text of the regulations, are available from the Canadian Standards Association, National Research Building, Ottawa, at a cost of 70¢ per copy.

The minimum requirements for the installation of television antennas and lead in cables, together with the protective groundwire required are outlined in section 81 of the Canadian Electrical Code, Part I, Ninth Edition, which has been adopted under the Electrical Protection Act of Alberta.

The Master Farm Family award is recognized by an award of \$1000.00, an engraved plaque and a name plate for the farm entrance. The purpose of the Master Farmer program is to find and honor those who have achieved notable progress in farming, home-making and citizenship, and who, by their example, are encouraging interest in farming as a way of life. The Department of Agriculture is indeed proud and gratified with the high standard of attainment among the farm citizens of Alberta as revealed by the Master Farm Family Program.

ROBERT FAIR, 61, DIES AT VERMILION THURSDAY

Robert Fair, member for the federal constituency of Battle River-Camrose, died at Vermilion Thursday last at the age of 61.

Mr. Fair had represented Battle River riding at Ottawa for the past 15 years. It was merged with Camrose before the last election. He was 63 years of age.

Local and Personal

Members and adherents of St. Peter's Anglican Church are reminded of the "pique" supper in the Masonic basement Friday, Nov. 19. Come and bring the family.

Johnny Karbonace of Regina left the week-end at his home.

Mrs. Vera Schell and Mrs. Anderson were Camrose visitors Sunday.

Mrs. C. B. Schell returned Saturday evening from a visit to Drayton Valley.

Mrs. A. Stadel, who has been a patient at the Calverton hospital, returned to her home Monday.

W.D.T.M. are having a White and Gold Drive on Dec. 4, starting at 10 sharp. Lunch and cards 5c. Lunch only, 35c.

Pete Stano of Vancouver was a guest at the home of Mr. and Mrs. Ed Stano for the week-end. He left for the coast on Thursday.

Calverton Athletic Club's annual meeting is being held December 7th. All future criteria please attend. Entries to be handed in on or before Dec. 7 to any of the directors.

The St. Peter's Anglican church members are having a social on Sunday, Nov. 22, at 8 o'clock.

Sympathy is extended to Mrs. Ed Sandest, who received word Thursday last of the death of her only surviving brother, John Langens, aged 80. Mrs. Sandest left immediately for Hilda, where he is present at the last and rites.

St. Peter's Anglican Little Helen's Group, under leadership of Mrs. Dave Reed, held a most enjoyable birthday party in the Masonic basement on Thursday afternoon. There were 52 present, of whom 25 were members. The group attended service in the church conducted by Rev. F. C. Asulin, and afterwards games were played and a delicious lunch served in the Masonic basement.

CREAMERY LEADS ALBERTA WINNERS

Placing first in the classes

second in another, Bashaw Creamery

led all other Alberta creameries

at the Royal Winter Fair, Toronto, last.

First prize was won in the class for 10-12. Prize and in the 14th.

Commercial Make but. In the 14th.

June Make but class they won second

place, though this exhibit made

top score for fair.

The championship trophy, which

may thought might well come to

Bashaw once again, was awarded to

an Ontario Creamery for the first time

in 1934.

The Bashaw creamery had done exceedingly

well at the fair, having won many

prizes for their take home the championships

honor at the big one—the Toronto Royal.

CURLING

The following announcements

came from the annual pre-season

meeting held Nov. 23 at the

Edmonton Curling Club.

How Wins Are Made Up

All Skips are to enter their rink

for Nov. 27. This is to be done

by only three players. A rink may

be entered with four players, but

must be accepted by the Executive

and include at least one non-curler

other than the skip and must not

be entered on a rink as yet.

All entries of rinks or individuals

are to be made with president J. H.

Furman, vice-president Don Whaley

may as the secretary-treasurer Bob

Drum.

Open With Community Bowling

A community bowler is also

decided on and to be held as soon

as is available. This is a mixed

open bowler and is open to any

member or non-member in town or

district who wishes to curl.

Each rink must include one man

and one lady, and the entry fee will

be 10¢ per person.

Water for further announcement.

BANDICRAFT CLASSES TO BEGIN THURSDAY EVENING

The first classes in Woodfin

First Class, G. & S. Tooling and

Leatherwork will be held in the

Edmonton High School on Thursday,

Nov. 25, at 8 p.m. sharp.

Materials will be supplied for

approximately \$1.00 for Copper or

Woodfin. The cost of material for

1 member will depend on the

article made.

The classes are free! — and everyone

is welcome.

Home and School Association

Large numbers were present for

last night's meeting. Bashaw

Home and School Association.

The meeting was largely given over to

business and reports from Mrs. H. W.

Kirchmeyer, who has lately come

from the school staff.

A pleasing program was presented

consisting of a group of high school

girls followed by two dances

by Mary McRoberts and Donald

Roberts, and there was a special

tribute to Mr. Dahm, owner "Pop"

at this point Mr. and Mrs. Kirch-

meyer were called upon to receive a

treasure chest of small home-

hold items as a gesture of the com-

munity's wish to see them well

settled in their new Canadian home

and their family.

The lunch committee took over

at the luncheon in a most satisfactory

and pleasant manner.

To avoid conflict with Lutheran

festivities, next High meeting

is being held on Thursday, Dec. 6th.

To The Editor

To The Editor:

When we decided to settle in

Canada, we were told that the

climate in Alberta was dry and

scarcely there anywhere in this great

country.

But last Thursday, November 18,

I caught a "different" snow.

At the time and School meeting

there was a "different" snow

which was "different" in a "cloud-

burst" it kept us busy for nearly

two hours afterwards!

We would be very grateful to you

if you would allow us to say in your

paper that we are very grateful to

the friendly weathermakers in the

community of Bashaw who gave

us this "different" snow.

The number of girls, many were

very young, and it was necessary

to resort to this way of thinking

of friends, known and unknown.

Very sincerely yours,

Herman and Esther Kirchmeyer

with Wolf, Peter and Rawlita

children.

Agriculture will co-operate close with the Dominion laboratory.

agricultural representative, said. As any surplus in the province will be needed by Saskatchewan, Manitoba farmers are being urged to get their supplies as soon as possible.

Approximately 1,800,000 bushels of commercial Selkirk were produced in Manitoba this year, a survey by agricultural representatives indicates that there will be enough Selkirk to go around in most areas, with a few reports of a surplus and others a shortage. Mr. Bell expressed the hope that

the commercial Belkirk at present being held a surplus on many farms would find a ready market in those and adjacent areas. Agricultural representatives, said, are acting as contacts for those who wish to purchase seed and have been compiling lists of those with surplus stocks for sale.

Under Wheat Board regulations the deputy noted, Belkirk could move on a farm to farm basis without any restrictions but only for resale. Farmers may also clear up their seed and then

tain a control sample certifies from the plant products division of the Canada department of Agriculture, and advertise surplus seed for sale.

Commercial Belkirk is moving at many country points at a price of \$300 to \$400 per bushel, M. Bell said.

To stick your tongue out at him is considered an extreme impolite way to greet a person in Tibetans.

WEEKLY

Editors "Invade" Northland

Timber, airways and radio network set stage for first chapter of "Northern Story"

(EDITORIAL NOTE: Unfamiliar of the advertisement "Go West, young man, as West" is a weekly feature of the "Northern Story" newspaper advertisement, Saskatchewan Division, told of recently that a shiny bright sign to take a look at the "Northern Story" newspaper in North. What the sign said was that the newspaper had been written down and will be published for the first time in the province in four weeks, beginning this week with the "Northern Story" newspaper in North. The sign was written by the "Northern Story" newspaper and the sign was written by the "Northern Story" newspaper and the sign was written by the "Northern Story" newspaper.

Barry-hew and his band with a new conception of Saskatchewan's northland, four editors of weekly newspapers in the southern part of the province returned recently with a 12-page journal which took them as far north as the City.

Guests of the Saskatchewan government the newsmen were Dave Balch, Editor Current News from Toronto, Hamilton, North Saskatchewan News-Optimist, Walter Taylor, Hamilton Journal, and Cliff Ashfield, Gresham Sun. Commissioner of Publications, Gordon Cook, was the accompanying host, and taking pictures on the tour was Miss Olive Bensen, local photographer.

Earl Dodge, northern district agent for the National Resources Directorate, was the "guide" for the party. After assembling at Prince Albert, the party was taken on a scheduled tour of various crown corporations and departmental projects in the vicinity of that city.

SASKATCHEWAN WOOD ENTERPRISES
W. A. Housman, resident manager of northern crown corporations, on hand to explain the functions of Saskatchewan Wood Enterprises, the new crown corporation of the Saskatchewan Government. The former organization was the Saskatchewan Wood Factory, which was moved to a new location outside of Regina, and is now known as the Saskatchewan Wood Enterprises. The new organization is a joint venture of the Saskatchewan Government and the private sector.

Timber is at hand during the winter and, due to summer transportation problems, stockpiled for processing during that season. When visited by the weekly editors the sawmill had shut down, leaving huge piles of lumber ready for the market which was operating round the clock.

Timber is at hand during the winter and, due to summer transportation problems, stockpiled for processing during that season. When visited by the weekly editors the sawmill had shut down, leaving huge piles of lumber ready for the market which was operating round the clock.

More conventions scheduled for Jubilee year

REGINA.—The Saskatchewan Golden Jubilee Office in Regina has been notified of further national or international meetings to be held in Saskatchewan in 1960.

The Daily Farmer of Canada national convention is scheduled to be held in Regina from January 10 to 15, 1960, inclusive, with about 200 delegates expected to attend. The convention is being held at the Canadian Legion Association.

Adding to the already impressive list of sports events scheduled in Saskatchewan during the Jubilee year is the mid-Western Zone Track and Field Championships, to be held in Regina, tentatively scheduled for the first week in August.

Just prior to Jubilee year, an international Miss Show is to be held in Regina. Dates for the Miss Show are December 30 to 31st.

Mr. McEwen and the Jubilee Committee have every opportunity to bring various organizations to support the Jubilee year. The committee is also planning to bring similar visitors to the Jubilee Office in Regina.

Local and Personal

Miss Annie Kostanek arrived on Sunday from Calgary to spend a few days at her brother's home.

Miss Margaret Sykes has been a visitor at Catherine's last week.

Mrs. Laura Sykes has been a visitor at Catherine's for the past two weeks.

Mr. and Mrs. R. H. McIlwain and family were here from Edmonton for the week-end.

The United Church W.A. will hold their fall tea and bake sale on Saturday, Dec. 4, in the W.I. rooms.

W.O.T.M. are having a What and Crib Drive on Dec. 4, starting at 8:30 sharp. Lunch and cards 50c. Lunch only, 35c.

J. W. Obrey returned to Calgary from Camrose where he had spent a couple of weeks helping his son Elmer put finishing touches to his new service station.

Colanest Athletic Club's annual meeting is being held December 7th. All future curlers please attend. Entries to be handed in on or before Dec. 7 to any of the directors.

S. W. Bloomquist, secretary-treasurer.

St. Peter's Anglican W.A. attended St. Andrew's Day service at St. Monica's church in Miram on Tuesday, Nov. 30. Two cars took members from here. After the service, Mrs. F. C. Angus served a lovely tea to the visitors.

One to suit—The Long Lamp Trailer at Dixie Theatre Friday at 7:30. Saturday matinee at 1:30, evening at 7:30 and 9:30. Marjorie Main and Luntz Hall featured in this comedy in color.

Rev. K. W. Felling seems to have had a more than busy time last week. After two services on Sunday morning, he spent the rest of the day at church meetings in Edmonton. On Monday he and Herman H. Schultz attended a luncheon of the Lutheran Chronic Hospital Society. Then, from Monday to Thursday he conducted an evangelistic mission at the Westview Lutheran church. How about a 27-hour week for our clergy?

THE WEATHER

The climate in this portion of Alberta has been quite normal for the last couple of weeks, with the temperature gradually lowering, as it should at this time of year.

It has been long enough at night to provide outdoor ice for the kids and yet moderate in the daytime so that outdoor activity is not stifled by hardship.

The ground is very lightly covered with snow for the past few days, but the outlook is for more snow and colder weather at this time soon set to its readers.

Modernized fishing explained: press party visits mink ranch on second leg of northern tour

EDITORIAL NOTE: This is the second part of a four-part story being written by five editors of the Canadian Wildlife Service, Association, (Bashaw, Alberta), on their tour of the Northland. The first part was published in the December 13 issue of the Star.

(Part 2—By Walter Talbot)

A "demonstration" of modernized fishing operations, along with a close-up of the mink ranch, was the second leg of the Northern Star tour, in which Dave Ballantyne of The Swift Current, Sen. Leo Michalski of the North Saskatchewan River, Walter Talbot of the Herald-Journal and Miss A. H. H. of the Herald-Journal. In this chapter, Walter Talbot sets down what the guests saw of a modern fish filleting plant, and what they heard about mink raising and modern mink ranching methods.

After being transported from Buffalo home to Big River by truck or barge, fish are taken to market by rail and truck. In the last few years Mr. White has been to the market, which is more modern and better equipped than any other in the north. He has seen the fish being packed in ice and taken to market in the north.

Highlight of our visit to Big River was a pleasant and informative interview with Leo White, owner and manager of White-Paul Fish Co. Mr. White has been in the business for 25 years. He has seen the fish being packed in ice and taken to market in the north.

Mr. White's father, however, had been in the business for 40 years. He has seen the fish being packed in ice and taken to market in the north. He has seen the fish being packed in ice and taken to market in the north.

We probably appeared as glibly as a bunch of school boys when we were charged with only a dollar for the meal. As our trip continued we had many more meals. After an informal dinner at several homes, Scott Fraser handed us a check for \$10.00. This was not a very important bill, but it was a check for \$10.00.

On the way back to Buffalo, we were stopped at a small camp of mink. We were told that this was a small camp of mink. We were told that this was a small camp of mink.

FARM INSURANCE

During the many years I have represented the Wawanesa Mutual Insurance Company there have been many advanced changes made in policies, method of underwriting, and premiums, with the result that because of its low operating costs and up-to-date minute services to its many thousands of policyholders it is now one of the leading fire insurance companies in Canada writing both rural and urban insurance. As it is a Mutual Company, thousands of its satisfied policyholders have a voice in the affairs of the company through their Board of Directors.

A Modern Farm Home may now be insured at about \$400.00 per thousand for three years on a cash basis (slightly higher on the note plan), with the loan of a fire extinguisher, if classification of risk is complied with.

Anyone using or planning to use heating lamps in farm buildings, kindly let me know.

Mr. and Mrs. Art. Rensky were weekend visitors at Calgary.

Mr. and Mrs. R. Rata and family spent the weekend in Edmonton with Mr. and Mrs. R. Murray.

Stan Pearson, member of the local Royal Bank branch staff, has been transferred to the branch at Stettler and will take up his new post on Monday next.

Winners at the WOMEN's and club drive tournament night were: For seniors, Mrs. J. W. Dwyer and S. E. Peterson; for whist, Mrs. Walter J. Schultz and Leo Haack.

© Gypsy Colt, outstanding horse picture in full color is the feature at the Elgin Theatre, starting Friday at 7:30, Saturday at 8:30, 7:30 and 8:30. An enjoyable picture!

Our popular RCMP officer and Mrs. Pringle are back in town after an absence of several weeks. Constable Pringle has been taking special training at Regina and Mrs. Pringle was visiting her parental home in Edmonton. They are getting settled in the Munster residence which has been leased for a term by the RCMP force.

To introduce the 1954-55 winter activities, the men of Zion Lutheran Brotherhood invited a number of the Elgin Theatre, a "happier and morelateral supper" which they had prepared and which they served to about 40 people. All enjoying the wonderful supper, took part in a levelled and then part in program of hilarious games.

IN MEMORIAM

BAY—In loving memory of Mrs. Elsie Bay, who passed away Nov. 27, 1948.

A precious one from us has gone. A voice we loved is still; A place is vacant in our home That never can be filled.

Oh, sweetest one, how we miss you! And so down another year In our lonely hours of thinking, Thoughts of you are ever.

Oh, how long and sad the day Since from earth you passed away. We miss your sweet and smiling face;

We miss you everywhere. Forgotten to the world by none you may be.

But dear to our memory, you always will be. — Inserted by Sister Ella Miller

WEDDING BELLS

TOFFLEMIRE-SHARP
The marriage of Miss Hazel from Tofflemire, of Harrow, Ont., and Miss Marie M. Sharp, formerly of Bashaw, was solemnized at the Miller Centre of the United Bible Institute, Three Hills, on Saturday, Dec. 4, at 2 p.m.
The bride entered the Chapel on the arm of Mr. Percy Brinsmad in the dress of her father. Her four length dress was of white tulle, having a scalloped lace yoke and set lace, with a small lace collar. Bodice and long pointed sleeves were also of lace over tulle. Her hair was a band of shiny lace having a circle effect on either side, centered with a cluster of light-colored roses. This was gathered a filmy three-quarter length veil edged in lace. She carried a small white lily with a single white beribboned paragon.
Her only attendant, Miss Gram Wallace of Toronto, wore a floor length gown of navy tulle with bodice and scalloped pattern on the left side, and a matching skirt of lace, and a matching shawl. Her shoulder veil was held with a band of shiny tulle, and she carried a bouquet of yellow lily 'noms and white ribbon.
A wedding march, on which was written their motto, "All in Christ," topped a pink and white lily and a white lily. The bride was escorted with small clusters of yellow 'noms, and the couple strolled under the arch to exchange their vows.

Mr. J. M. Murray of "Prairie" officiated. Best man was Mr. John Ford of Lacombe, and the bridesmaids were Mr. Ernest Schultz of New Westminster, B.C., and Mr. Gilbert Moody of Bashaw.

Mr. Cornelius Emsang sang "Perfect Love" preceding the entrance of the wedding party, and "A Wedding Prayer" which they signed the register. A hymn accompanied by Mr. Haveling Brinsmad.

A reception followed in an installation hall for the bride. The bride table was centrally decorated in white with a blue cloth. A short program was enjoyed previous to the lunch, which was served by the Home Savely. Father McKernan, Dorothy and David Berg.

Over a dozen guests were present. Mr. J. B. Nussling of Ponoka, Mr. Marshall, Brinsmad and Mary, all of Bashaw; Mrs. Norman Tabernash and Mrs. Tabernash, of Banff; and Mr. and Mrs. B. B. Soromon, Dams and Jones, of Calgary.

Mr. and Mrs. Sharp are looking to French West Africa as their field of missionary endeavor, but will reside in Three Hills for the present.

OIL NEWS

At the time of going to press with this issue, the fate of the Brinkerhoff well six miles east of Bashaw hung in the balance. Electing and other tests were being run Tuesday night to determine the value of the oil encountered in the D-1 well, which was discovered at a depth of approximately 4,500 feet. A 90-minute drill test at this depth gave 110 feet of sandstone light gravity oil-bearing oil and 800 feet of water. The hole was then run to a depth of 4,015 feet without finding the D-3 rock. The value of the well therefore seems to depend on the result of the tests being conducted Tuesday night.
The drill crew working on the well, it is reported, is to proceed to another Brinkerhoff project, some 12 miles west of Bashaw on a line owned by Hudson Bay Petroleum.

LEARN MORE ABOUT BANGED DUCK HSBOT

During the fall, Max Rasmussen shot a banded duck and sent in the tag to the U.S. Fish & Wildlife Service at Washington, D.C.
On Monday he received a reply advising him that this particular bird, a cross winged, had been banded in Oregon in December of 1943.

Big Timber

BIG TIMBER CLUB
The December meeting was held at the home of Mrs. Lawrence Williams. There were 10 members present and one visitor. The roll call was answered with a stuffed bird and there were to be given to the Salvation Army for Christmas distribution.
The layette was completed and is to be donated to a poor baby. Also some records to entertain youngsters in a children's ward.
The members drew gifts from a newly decorated Christmas tree and bags of treats were handed out to the children.
The next meeting is to be held Jan. 15 at the home of Mrs. L. Brodinsky, roll call being a quilt show.
A lovely lunch was served by the hostess, including a delicious fruit cake.

CHAMBER OF COMMERCE

There was an attendance of 23 at the last meeting of the Chamber of Commerce, which was presided by a really magnificent turkey dinner served up by the staff of the Outfit Shop.
It was decided to defer election of the 1955 officers until the January meeting.
Another decision made was that a planning committee be set up in early January to set up a program for the coming year.

Mr. and Mrs. J. G. Peterson and David were Edmonton visitors on Thursday last.

Sunday visitors with Mrs. Hachel Grand were Mrs. J. E. Gunning and son John, former residents now of Edmonton.

Mr. and Mrs. Mac Rasmussen, accompanied by Mr. and Mrs. Henry Chagnon, returned to Edmonton on Thursday.

St. Peter's Anglican Vestry met at the home of Mr. and Mrs. Crough last Sunday evening after church service.

Local teachers attended the annual Christmas party of Camrose South School A.T.A. held at New Norway Monday evening.

The local school will close for Christmas vacation on Thursday, Dec. 24. It has not as yet been learned just when school classes will resume.

Bashaw business places are blossoming out this year with more elaborate outdoor decorations than in any previous year. Johnson's and the Royal Bath have their set up at least two other establishments will have displays of a similar nature. The Village has joined in the movement for more colorful Yuletide decorations by putting up at least three additional festoons of gaily colored lights across Bashaw avenue.

WON HANDSOME PRIZE

Bob Whitlock was present at a gathering sponsored in Red Deer Friday by the Fish & Game branch. There it seems Bob had entered the largest goose shot in Central Alberta. It weighed 12 lbs., 10 oz., and in recognition of his winning he was presented with a down fish goose decoy.

ANGELIC YOUNG PEOPLE HOLD ELECTION OF OFFICERS

The A.Y.P.E. held their election of officers at the regular meeting on Monday evening with the following slate being chosen:
President—Jack Wright
Vice-President—Jack Jackman
Secretary—Janice Bell
Treasurer—Mary McEldred
Program Committee—Elsie Miller, Bobby Cambridge.

CURLING

The Star had hoped to report the opening of the 1964-65 curling season long before this, but the mild weather and approach of Christmas have combined to delay starting up the "roaring" game.

However, word from the rink is that many curlers will be practically ready and dry-as-the-river-curl on start warming up any time the winter snows come.

It is not anticipated that schedules will be drawn up until after Christmas.

THE WEATHER

Alberta has been enjoying this past month warmer than normal weather and freedom from storms or other disagreeable features normal to winter.

One day is pretty much the answer and the weatherman seems to have little trouble with his predictions.

However, word from the rink is that many curlers will be practically ready and dry-as-the-river-curl on start warming up any time the winter snows come.

It is not anticipated that schedules will be drawn up until after Christmas.

MAY YOUR GIFTS BE THESE

These be your gifts for Christmas,
Gifts that your heart shall know:
Stars that arrow the darkness—
The wonder and silence of snow;
The moon, holding hope in its
crescent—

Hilltops brave with a song,
Valleys of healing contentment.

A friend-strewn path that is long,
Companioned by Him at evening,
His love redeeming the earth;
An old, sweet song in the chimney,
Your breast cradling His birth;
Home's refuge from storm and
confusion,

Joy only a child can bestow—

These be your gifts for Christmas,
Gifts that your heart shall know.

Your continued patronage during this year is sufficient assurance that our efforts on your behalf are appreciated, and to you we say a friendly "Thank You."

And may the New Year bring you Good Health, Happiness and Prosperity.

Local News

Bashaw is foregoing the usual
Thursday afternoon early closing
this week and business places will
be open all day for the better ser-
vice of Christmas shoppers.

Home from University for the
Christmas vacation are Miss Inge-
borg Frating and Maurus, Gordon
Fuerst, Arvid and Bruce, John-
son, Miller, Ralph, Brimacombe.

Mr. and Mrs. R. H. McKinnon
and family are spending Christmas
vacation here with Mr. and Mrs.
A. A. Marshall.

Glad to hear that Tom Willers
is home from Cumnore hospital af-
ter being a patient for a time.

Mr. and Mrs. H. Ritz and chil-
dren left Monday evening for Vir-
ginia, D.C., to spend Christmas with
former Bashaw friends there.

Paul Sherman is a visitor here
for the Christmas holidays to visit
his parents, Mr. and Mrs. H. A.
Sherman, and receive many ac-
quaintances here. Paul has a good
position with a large company and,
in addition, has acquired a piece
of unimproved land which he means
to develop into a raspberry farm.

DAUGHTER OF LOCAL COUPLES
DIES AT LETHBRIDGE

Mr. and Mrs. Geo. Mathew were
called recently to Lethbridge where
their daughter Conna (Mrs. John
Marshall) was seriously ill.
Word was received that death
had occurred Monday night and
that the remains are being brought
to Bashaw for burial.

Howard Fumess House are in
charge of arrangements and the
funeral will be held here
Thursday at 3 p.m. in the United
church.

THE WEATHER

Anything one might say will
hardly be credited by readers to
places distant from Bashaw, but
we would be remiss in our duty if
we did not mention that the great
"early fall" type of climate is still
with us at least three days before
Christmas.

In the East, and across the bor-
der—yes, even at the Pacific coast—
the story is of blizzards or at
least rough weather. Here it has
been too mild to allow finishing up
coasting ice and record high tem-
peratures of 60 above have been
not in the afternoon.

WELL KNOWN CAMERON MAN
KILLED IN CARTRAIN CRASH

Many here were shocked to learn
of the fatal crash which took the

Xmas Decorating
Hits New Peak

As Christmas draws nearer, our
town takes on additional of the
Yuletide spirit by way of decora-
tions to homes and business places.
In fact, many who have been
around the Province in recent days
decide that Bashaw's effort com-
pares more than favorably with
that seen in centres of much larger
size.

The business district has, natu-
rally, the more colorful displays. In
addition to the festoons of colored
lights crossing the main street, a
number of business places have ad-
ded to the spirit of the holiday time
by mounting plywood cut-outs of
Santa and his reindeer on their
buildings.

Perhaps the most effective of the
displays is on the Johnson store,
where the reindeer appear to be
floating into the sky. Riddell's is
equipped with a sparkling red nose
and the display is credited to Lou
Graft, clerk in the store.

At the Canada Packers station
another cut-out has been mounted,
this being the work of Edward Nes-
bit, who operates the station. A third
display is on the Royal Bank build-
ing, this being designed and paint-
ed by John Harenc, with some-
thing in fabricating from Jim Mil-
ler for such are members of the bank
staff.

Yet another Santa Claus scene is
mounted on the front of the Hotel
and was made and installed by Earl
Sherry, young son of the proprie-
tor.

Of course the main street gets a
lot of additional color and brilliance
from these displays, but for sheer
beauty one has to step into the
residential sections, where very ma-
ny homes are most tastefully dec-
orated with lights and appropriate
scenery. New displays appear daily.
Henry Chomson has his public
address system playing Christmas
music.

"MERRY CHRISTMAS" comes
easy to the tongues of all of
us at this time of year. How-
ever, to say and mean it must
come from a feeling not born
of the Season, but of one's as-
sociations through the years.
It is in this spirit that we wish
our friends a very joyous Yule-
tide and a successful New
Year.

Golden Jubilee is chance to say 'thanks' to pioneers

"Thank you" to the pioneers of the province and to recognize the efforts of present residents to future achievement in education. Minister Woodward Lloyd said in a previous address: "Work speak."

"Such an important milestone as this could scarcely be overlooked," he said. "It provides us with an opportunity to reflect on the province's history, to honor our traditions and to acquire relevant information about the lives of those people who worked so hard and so hard that those of us who are here could live in such relative comfort."

"Every community has some great people living in it," he said. "The tales of the pioneers are the tales of the people who worked together, the 'we' of the last decade, the first decade of the 20th century, the drought and grasshoppers and mortgages, the people who built the province—these are the war and

Many stories

Mr. Lloyd said every community has its own events remembering and telling in the jubilee year.

1,000 Saskatchewan farmers place torse seed order

To date 1,000 Saskatchewan farmers have placed orders under the 1965 full season torse crop program. R. E. McNamee, Saskatchewan plant industry branch director, said in a bureau of publication.

of our Saskatchewan fabric."

The education minister said the school would be in its birthday party in 1953, birthday party was not just because the closing of a door was a threshold.

Time for strength

"It's a time for gathering strength and wisdom from the past and sleeping with hope confidence and dignity towards the future."

Mr. Lloyd outlined present plans for the province's golden jubilee celebration and urged participation.

Sufficient seed went out to sow 13,000 acres. Half of this quantity was sown in the southern part of the province. The majority of seed is recommended. The late fall of the foreign crop seed consisted of grain, alfalfa and clover. Sales were slightly below 1951 and 1953 volumes.

During the spring seedling campaign 2,500 orders came in, making a total for 1954 of 4,200 orders, or sufficient seed for 70,000 acres.

The foreign crop program was started in 1947 in an effort to encourage the use of foreign seed.

provinces. "When having a public, this review," he said, "it can't be have it without your consent and without you. We know you have a better year if it's good jubilee year."

up hay reserves on their farm through seeding grass-alfalfa mixtures. It was hoped that this way they would avoid costly purchases of feed during crop failure years.

Since the program began in 1947, the plant industry branch has filled 31,000 orders totaling 3,900,500 pounds or sufficient feed for 350,000 acres.

WOMAN CHIEF

REGINA.—For the first time in Saskatchewan and possibly in Canada, a woman has been elected

chief of an Indian reserve.

Mrs. Owen O'Shop, alerted chief of the Key reserve near Kamuchan defeated three men.

True buffaloes are found in south Alaska. They are closely related to the ox.

AUTOMOBILE INSURANCE

Today automobile insurance has become a necessity to the Motorist for protection because of the constant danger of an accident while motoring on the highway.

Today automobile policies have been modernized to meet the changing conditions and hazards confronting the Motoring Public.

Today you may be one of the thousands of accident-free motorists, yet tomorrow your car may be involved in an accident which, if it is your fault, may mean serious financial losses unless adequate insurance is carried.

GOVERNMENT OF THE
PROVINCE OF ALBERTA

OUR COMPLETE SHORT STORY—

ANTIQUE TABLE

—By THOMAS H. MARSON

"BUT, Madam," explained the floor manager of Gregory's Department store, "we start, so early in the article you describe."

A voluptuous, well-stuffed, plump foreign woman stood across the sparkling counter. She fumed; she fumed impatiently. He fumed; he fumed but he kept his mouth shut.

"I tell you," she countered, "I bought a bedroom suite from this store. You guaranteed to put it in place. You didn't do it. You were ready for it. It was your fault."

"Yes, madam," replied the manager, "but I believe you said a moment ago it was just the table belonging to the suite that we kept for you."

"I don't know what you mean," she said, "but I am sure you are not going to put it in place. You were ready for it. It was your fault."

"That you took the bed, chair, table and chair, and left the table with us."

"That is correct," conceded the manager.

"I don't know what could have happened to it," sighed the manager. "We are always careful with our records. Never has such a thing happened in this department."

The manager, a thin, plump, middle-aged man, scratched his head. He was sure he had never seen the woman before. He was sure he had never seen the woman before.

"The woman, a thin, plump, middle-aged man, scratched his head. He was sure he had never seen the woman before. He was sure he had never seen the woman before."

Alberta unifies two highway departments

Highway construction and administration in Alberta are now unified under one department with the transfer of the Motor Vehicle branch to the Department of Highways.

Previously with the Provincial Secretary's department, the Motor Vehicle branch was responsible for driver testing, and the issuing of license plates. The department also handled the registration of motor vehicles and the maintenance of highways.

In an effort to provide more efficient service, the new branch has been expanded in three divisions: the motor vehicle, operator and the regulatory divisions.

Horace R. Clark, chairman of the Highway Traffic Board, has been appointed registrar of the branch, while still retaining his position with the board. Newly appointed deputy registrars include: J. Brinkman, motor vehicle division; R. C. Tait, operator division; and C. J. Kenney, regulatory division.

The motor vehicle division will handle the registration of cars, trucks, motorcycles, buses, trailers and other types of motor vehicles.

The operator division will be responsible for the registration of drivers and the issuance of licenses. It will also handle the testing of drivers.

The regulatory division will handle the issuance of license plates and the maintenance of highways. It will also handle the registration of motor vehicles.

The new branch will be headed by Horace R. Clark, who has been appointed registrar of the branch, while still retaining his position with the board.

Sale of 12 million bushels Canadian wheat reported

WINNIPEG—Sale of 35 cargoes of Canadian wheat for winter shipment to Europe from the northern Manitoba port of Churchill was reported in Winnipeg export grain circles.

The shipment, totaling about 12,000,000 bushels of hard red spring wheat, was reported by the Canadian Wheat Board.

The United Kingdom and Belgium are believed to be the leading importers with the balance going to other European countries.

The Canadian wheat, which is sold at auction, is sold by export and is sold at the wheat board's discretion. It would make wheat available to exporters at Churchill and quoted at 11 1/2 bushels for No. 1 Northern.

Exporters were reported to have closed the bid on the wheat. The government elevator at Churchill currently is filled near its 1,200,000-bushel capacity with up-grade wheat. Work is well advanced on an extension which will double its capacity.

MIXED BONSPIEL TO START MONDAY NIGHT, JANUARY 23rd
 Though the weather doesn't indicate it, bonspiels are just getting under way at Bashaw. The Club's annual mixed bonspiel will start on Monday, January 23rd, and all club members NOT wishing to curl in this event must hand their names in by Saturday night, Jan. 20. The curling will be drawn on Sunday and curling will commence at 4 o'clock on Monday afternoon.

LADIES' BONSPIEL, BIG SUCCESS
 With fine weather prevailing, the Ladies Curling Club started their own bonspiel Monday, Jan. 17, and by Friday noon the final games were over. Eighteen rinks competed, 11 of them being visiting rinks, and all curlers reported a fine time.

The Bradshaw rink from Mirror proved best, as they defeated Mrs. C. E. Smith (Bashaw) in the grand challenge final. Chief honors in the second event went to the Oberg rink from Manning Creek, and third event was won by the L. Gordon rink of Bashaw. Other prize winners: Challenge - Bradshaw, Mirror 3 Bashaw; Second, Bashaw 4 Bay, Mirror; Third, Even - Oberg, Manning Creek; 2 Edmon, Finch; 1 White, rotten, Bashaw; 4 Orem, Calauet; Third Event - Canaan, Bashaw; 2 Tilt, Bashaw; 3 Kralie, Fern; 4 Johnson, Manning Creek.

A WORD ABOUT SUNDAY CURLING
 The privilege of curling on Sunday is reserved for club members and visitors from outside parishes only. Any club member wishing to curl Sundays, please get in contact with the manager.

Meanwhile, that babe of childhood, who moved to only home in this community after an absence of two years or so, and many of the small fry are all. The primary grades of each school are shipping most of the victims so far.

The winter of 1946-47 thus far has been one of the most notable on record. In fact, the only period during our memory when the weather conditions prevailed Jan. 23rd, and was continued for about ten days. Even then the mercury has seldom dipped near the zero mark, though there has been sufficient frost to maintain good cutting and skating ice. Now there far from enough for skating and skating. However, the weather people promised a dip to 5 below Tuesday night, and this might result in a radical change in the weather pattern. (Conferring that about two months from now we'll all be polishing up the old garden tool!)

United Church Reviews Year

On Sunday evening, Jan. 23, following the evening service in the United Church, the annual convocation meeting was held. The minister presided and Mr. H. J. Dahl occupied the secretary's table. Reports were heard from all departments of the church work and these showed that 1934 had been a successful year. The reports were presented by the following:

For the Sunday School: Mrs. E. Shand, secretary, and Mrs. A. H. H. treasurer;
For the two W.C.T.U.s: Mrs. J. G. Pearson and Mrs. E. Schall; For the two G.A.Y. groups: Mrs. A. Salin, leader, and for the Bachelors, Mrs. H. Gressner.
Mr. Dahl spoke on behalf of the Board of Stewards, of which he is chairman, and thanked the members of the congregation for the splendid year in which they had supported the church work through long

Mr. Dahl presented a splendid detailed report of the year's financial work, which he said was the best yet. He said that there had been a work of balance which was being carried forward. Rev. Ford then reviewed the year's activities and announced an increase in membership. He thanked all officers, leaders and the congregation for their cooperation, and at the close announced that he plans to ask for retirement at the coming Conference, to take effect at the end of June.

A vote of thanks was given Mr. and Mrs. Fessler for their work while in Bashaw.

Following the meeting a splendid lunch was served to the ladies by the evening group W.A. Here, cakes were served, with appropriate attention, in honor of the pastor's approaching birthday, and a pleasant social time was enjoyed.

Report made concerning long term credit for farmers

Long term credit for farmers has been a matter under study by the MFAC. With a view to determining the needs and facilities in this field, the federation retained Dr. Sol Sinclair of the University of Manitoba. Dr. Sinclair's study was reviewed by the MFAC on January 19 at its previous board meeting.

The report on long term credit recommended that a new division be established within the Canadian Farm Loan Board. The purpose of the new division would be to provide facilities for people who require long term credit for the purchase of the value of the farm. At present there is no provision for national basis for new farmers who require long term credit for the purchase of the value of the farm.

Persons borrowing money under the long-term credit would be approved by a committee of local farmers. The farming operations of the borrowers would be reported to the farm home and mortgage management.

Borrower participation. Borrower participation at all levels of a new loan set up was stressed. In countries where use of the value of the land is to operate the borrowers are active. This provides loan funds at such a rate as to be a difficult task.

To ensure that it is important to the successful operation of any loan agency are essential and important. It is difficult to appreciate the farm because of the fluctuations in land price. Loan repayment would be a problem because of the year-to-year variations in farm income. A suggested plan to solve this difficulty was a system whereby a borrower could make pre payments while he could afford it. Then in poor years he could draw upon these pre payments to meet his regular instalments.

Five cereal grain crops year in controlled growth chamber

SASKATOON—A controlled growth chamber that is expected to eventually produce five cereal grain crops a year is the latest tool of plant breeders in the field husbandry department of the University of Saskatchewan in Saskatoon.

Two test crops have been produced in the 25 by 11 foot concrete-walled room below ground level and a third crop has been sown. Controlled factors in the growth chamber are temperature, water and light.

Research in the chamber continues to be produced by simulated conditions of the field. The first crop was a combination of three white and one pink. The first crop was a combination of three white and one pink.

The chamber is used, primarily, to determine the best light conditions for growing. Plants are deliberately infected with rust and mildew to determine which are resistant. The most resistant selections are grown.

Work in the growth chamber is made as in the field. The growth chamber was built with funds provided jointly by the Saskatchewan Department of Agriculture and the University of Saskatchewan.

and Conservation in Alberta

Over half the total area of Alberta is covered with trees. Alberta

For administration purposes, Alberta's forest area is divided into three divisions or reserves. These are under the supervision of forest superintendents and their assistants who employ rangers, lookout men and casual laborers. Timber inspectors are stationed at Edmonton, Athabasca, Entwistle and Bowden. Officers of the Forest Service are responsible for conservation, the prevention and suppression of fires and the proper harvesting and utilization of timber. In addition to their field duties, the men interpret acts and regulations administered by the Forestry Division for the public and work closely with the R.C.M.P. Further duties include assistance to tourists, hunters, fish-

men and settlers, especially in connection with protection of the forests from fires.

Fire is still the greatest enemy of our forested land and six out of seven fires are started by careless people. Despite the best efforts of the Forest Service and intensive publicity campaigns, over a million dollars' worth of timber is lost each year.

The Forest service radio system is essential in communication throughout the reserve, has been greatly

Forests in the Crown and a Crown Forest Reserve are administered by the Eastern Rockies Observation Board. Since this board contains the headquarters of river-helicopters, it is also responsible for helping to supply Alberta, Saskatchewan and Manitoba, the work of the board is jointly financed by the Governments of Canada and Alberta.

Alberta's forest inventory, being made from aerial photographs and ground surveys, provides an accurate measure of our resources. An effective forest management program is thus being carried on which by selective cutting, assures a perpetual supply of timber for future generations.

The Fish and Game Branch pla-

An important part in the work of the Department of Lands and Forests, Conservation is the keynote here also. A trout hatchery is maintained in Calgary and trout restocking stations are located at two centres. Annual plantings of various species of fish are made in carefully selected waters and many smaller lakes owe their fishing attractions to the work.

Other duties, no less important, include transporting live beaver to the northern parts of Alberta, making surveys of migratory birds, trapped birds and big game, and operation in the work of rabbit control in our northern forests.

SOFT WATER NOW TURNED INTO VILLAGE WATER MAINS

We may not notice the difference for a week or two, but it is also to think that the Village's new well with its sparkling soft water is now furnishing water for the Village's water main.

The No. 1 well, in use since the early in 1934, proved faulty and allowed hard water from an upper vein to leak into the soft water supply in which the well bottomed. This well will be built as a reserve as a standby supply. The new well appears first class in every respect.

Division To Build Several Schools

In this issue, Camrose School Division gives official notice that it contemplates building a number of eight-room schools in the Division in 1956. Among these are a new eight-room school for Bashaw.

It had already been decided last fall to construct the lower four rooms of this structure, hence the advertisement refers to the project at "completion".

Work on the new school will begin as soon as May 1st, and unless rain prevents a vote and a job of it.

Divisional Board plans, the entire eight rooms will go up this summer.

It is understood that the Board plans to renovate the present brick school building and bring it up to modern standards.

The fabulous new 1955 DeSoto V-8

Every fleet, flaring line of the new DeSoto is a promise of action. Every broad, low contour hints of the power that awaits your command.

And what a powerplant there is under every DeSoto hood this year! Choose either the 200-h.p. Firefly V-8 or the 188-h.p. Firefly V-8. Each has done-away combustion chambers that bring more power from every drop of fuel. Either will whiz you along quickly and safely, with instant response and effortless ease.

Under the long, low, rump-hugging body of the 1955 DeSoto there's an all-new chassis that makes every route more pleasant and smooth!

But even for yourself what wonderful control there is in the roomy, masterfully tailored interior of the new DeSoto. Stop at your dealer's just as soon as you can to take the DeSoto. This will help you enjoy quickly and safely, with instant response and effortless ease.

Agriculture

IN ALBERTA

Food, one of our basic necessities, comes directly from the soil, plants and grass, clover and grain, which are grown and raised.

It is the duty of the farmer to produce the food that we need to live.

The farmer is the backbone of our country and without him we could not survive.

OUR COMPLETE SHORT STORY—

VACATION

—BY R. A. WILSON

It was a beautiful day, the sun was shining brightly, and the birds were singing.

The man was sitting on the grass, looking up at the sky, and he was smiling.

He was thinking about his vacation, and how much he enjoyed it.

He was thinking about the people he met, and the places he went.

He was thinking about the food he ate, and the drinks he drank.

He was thinking about the sun, and the sand, and the sea.

He was thinking about the wind, and the waves, and the clouds.

He was thinking about the stars, and the moon, and the planets.

He was thinking about the earth, and the sky, and the universe.

He was thinking about the life, and the death, and the afterlife.

He was thinking about the love, and the hate, and the war.

He was thinking about the peace, and the joy, and the happiness.

He was thinking about the hope, and the faith, and the belief.

He was thinking about the dream, and the vision, and the goal.

SEED COMPACTOR — A SERIOUS PROBLEM

Seed Compaction is a new menace to the old problem of "hard pan" or "plow soil". As compared with soil from where plowing is not practiced, and where a true "hard pan" does not occur, the new menace seems well known.

Compacted Soil Causes. In many areas of Western Canada the appearance of "hard pan" or "plow soil". They refer to a hard, compacted layer of soil which occurs just below the depth of cultivation and may be several inches thick. This condition usually occurs in land that has grown cereal crops almost exclusively for many years. There are several factors which contribute to this condition. First of all, the tiller and organic matter in the soil have been largely destroyed through repeated irrigation and cropping and public erosion has filled the natural open spaces in the soil with fine sand and silt. In addition, the heavy tractors, or, in other words, heavy machinery, used on the land while the soil is wet, has had a tendency to compact the sub-surface layer.

A Serious Problem. Compacted soil is a serious problem. It will not absorb or hold moisture properly and aeration is reduced. The result is increased water runoff and reduced crop yields.

Tillage at depths up to 16 inches has been tested in the United States in an attempt to break up compacted soil. In many instances yield increases did not pay for the extra cost of deep tillage. In other cases the benefits were only temporary.

The same is true of limited amount of experimental work with deep tillage done in Western Canada. Until more conclusive results are obtained regarding the value of deep tillage, the recommendation would seem to be that growing more green grass and legume crops.

Our trials are well under way and can be maintained with 2000.

Injuries Serious For Local Man

John Redinger, employed locally by Hamilton Bros., Inc. in Camrose, has had a very seriously injured foot, which may or may not be amputated.
He was making repairs to a caterpillar tractor at Hay Lakes last Friday evening when a heavy part of the machine fell on his foot. He managed to free himself and travelled some four miles to get help.

LAWYER

COMMUNITY MOURNS LOSS OF LONG-TIME RESIDENT

The sympathy of the entire district goes out to the family of the late Mr. Brian Innes who suffered a heart seizure and passed away very suddenly Wednesday evening.
Mr. Innes, a resident of the district for the last 25 years, will long be remembered for his many acts of neighborly kindness. He served as trustee on the Mirror School Board and was active as President of the Lamentation Mutual Telephone Co. for many years prior to his death.

Besides his wife and family, he leaves a son and daughter and a number of grandchildren.

Condolences are extended to Mrs. M. Barker of Alir and Mrs. Magu Barker of Alir. The funeral will be held at the home of Mr. Barker on Saturday, April 1st, at 2 p.m.

The George and Lamentation districts lost another oldtimer Friday night when Mr. Victor Flick passed away in Lacombe hospital after a lengthy illness. Mr. Flick, with his wife and children, came to George district some thirty years ago and resided there until not many years ago when they returned to Lacombe, thence to Olive. The sympathy of the community is extended to Mrs. Flick and their daughters Betty and Irene and families.

Mr. and Mrs. Harry Jagers of Dawson Creek attended the funeral rite for the late Mr. B. Innes at Mirror Saturday.

Mr. Harry Simpson returned home on Saturday after a lengthy visit in Calgary.

Mrs. Elsie Ferguson accompanied Lewis Seither and Arthur to Calgary for a few days' visit last week.

Miss Frances Shier and Miss Mrs. Charles of Edmonton, were home for the week-end.

Mr. and Mrs. Lloyd Lindsay returned news of the passing of their sister-in-law, Mrs. Frank Lindsay, in Saskatoon Thursday. Mr. Lindsay left immediately to attend the funeral services there.

OBITUARY

WYNDHAM HENRY STUBBS

The community was grievously shocked to learn of the sudden passing on the night of March 28 of Mr. Wyndham Henry Stubbs, who passed away suddenly at his home here at 11 a.m. He was 72 years of age, having been born on June 4, 1861, in Madley, Shropshire, England, the older son of Dr. and Mrs. Henry Stubbs.

The funeral was held March 4 from St. Peter's Anglican church, with interment in Bashaw Cemetery. Rev. F. C. Austin conducted the service and the pallbearers were all members of the Church Vestry. There were no flowers by request.
Mr. Stubbs came to Canada 25 years ago and earned in Bashaw district until 1906, when he retired to live in Bashaw. He was a very successful farmer and a very successful businessman. He leaves his wife, one daughter, two grandchildren, one brother and sister and one nephew.

CARD OF THANKS

We wish to take this opportunity to thank all our friends and neighbors for their many kind acts of sympathy during our recent bereavement.—The Family.

Leaves Four Young Children

It is our sad duty to record the untimely passing of Mrs. Walter Binkley, mother of four young children, and well-known resident of the district. Mrs. Binkley, born in Ontario, died at her home here on Saturday evening, March 27, after a long illness.

Funeral services were held at Alir on Sunday from the United Church. Mr. Stewart Munro officiating.

The funeral service was held at Alir on Sunday from the United Church. Mr. Stewart Munro officiating.

Home and School Association

Next meeting of Bashaw Home and School Association will be held at the school at 8 p.m. on Thursday evening, March 17th.

Reimbursement of Schools' Home will discuss the new County system as compared with the present method of administration.

Mrs. Lila McNeil returned to her home here on Saturday after a visit at the home of Mr. and Mrs. A. Jarvis.

IMPORTANT NOTICE

All Water and Sewer Accounts must be paid by the 15th of the month. Failure to do so makes it necessary to add penalty.

Kindly pay your account right now and avoid having to pay the penalty amount.

Henry Rutz Wins Seat on Council

A larger than looked-for number of voters turned out for Monday's Village election.
Henry Rutz received 79 votes, and Len Neugeb, who had challenged him for voting day that he would be ineligible to serve, received a total of 56 votes.

CHAMBER OF COMMERCE

Mr. Graham, director of the Driving Division of the A.M.A. at Edmonton, spoke to an interesting group, largely students, at Monday evening's meeting of the Chamber of Commerce.
The speaker advised that a driving school will be held in Bashaw this season at the date to be announced later.

CURLING

FINISHERS' MATCHES

Thirty rinks from Bashaw district, from Calmar and Meeting Creek, and from the district of Vermilion, met unhappily curling weather to open the Farmers' Hospital on Monday. Night curling has become the order of the day since the weather has been so bad.

Rinks have reached the nights of the Challenge and the game in the Farmers' Hospital (Bldg) competition. The Currier Smith and Sperry rinks are 16 rinks in the house one and Smith counted one on that!

Leonard Johnson and Paul Beller, nominees for curling in Ponds and Calmar respectively, have made for the "play" men! Each scored six-ends in their games. Paul counted higher, but it only goes to show that luck can be a thing in a big way.

The ladies' lunch counter was the first victim of the weather and hours. ("What—no coffee?") Lena Smith's ladies' rink has reached the nights of the Challenge. The men did shiver and shiver, especially in curling games.

Bob Whittecock and the final of Comolomel at Meeting Creek. George Doli won first place in the third competition. About eight other Bashaw rinks ran close to the money. Some of them scored money, too, in the strictest sense of the word. Last curling at Meeting Creek. The ladies' rink, which, like, six-ends in curling, and six-ends in curling.

Two ladies' rinks slipped respectively by Mrs. Bob Whittecock and Mrs. Bob Whittecock. The latter rink played second in the Eaton event.

Water Glen Rink. THOUGHTS 13 OFFICERS
At its recent annual meeting, the Water Glen Rink Association, which now has a really large enterprise, accepted with regret the resignation of George Thompson, who has served as secretary since its inception.

Following are the officers for 1934:
President, Leonard Johnson; Secretary, J. A. Marshall.
Directors: (1 year)—Leonard Johnson, George Thompson, W. B. Davies, P. B. Beld, Robert Sharp.

CARD OF THANKS

THANKS — I wish to thank all those thoughtful people who, knowing me to be ineligibly for office, still favored me with their vote of confidence. It was very heartening to me to have made an interesting electoral contest, and I am grateful for the support so spontaneously and generously given. I also wish to congratulate Mr. Bates on his election to office for the coming three years. — Ed. H. M. and M. M.

THANKS — To my friends and neighbors who helped us in so many ways in our bereavement, we extend heartfelt thanks. We are sincerely grateful for the many floral and memorial tributes. Such kindness and thoughtfulness shall never be forgotten. — The Johns Family.

THANKS — I would like to make known to the electors of Bashaw my thanks for the confidence they have placed in me by electing me to the Village Council. I will ever keep their best interests at heart and will give my full effort to justifying their selection of me. — Henry P. Kuta.

Editor Sir:

Again we are asked to help raise Alberta's quota of \$475,000 for the United Red Cross Society, so that it may continue its services to Alberta's crippled children, its flood-stricken people, its unemployed and Disaster Service, and its services to our Armed Forces.

The officers of Bashaw branch are undertaking to campaign the business district, but we have no volunteers for a general canvass, and cannot undertake task.

Your donation will help the Red Cross to continue the "Work of Mercy that Never Ends."

You who kindly leave your subscription at the Drug Store or with me, and an official receipt will be given.

C. C. Holding
Luncheon Meet'g

Bashaw Chamber of Commerce is holding a luncheon meeting Monday evening next, 8:30, at the Hotel coffee shop.

In order that provision may be made for the guests, it is requested that all who can attend leave word of their intention with secretary W. J. Fether, Royal Bank.

THE WEATHER

Well, here it is a couple of days past the so-called average of Spring, but you couldn't talk to look at outdoor conditions. In fact, it felt as if it were some degree in the winter than most of last December.

For the past couple of weeks there has been more snow and real cold weather than back in January.

However, even if it goes down to 10 below one night and doesn't get up very high above zero in the daytime, one can take a look at the calendar and realize that the sort of weather just can't go on much longer.

LOCAL WOM. CHAPTER AT
EDMONTON CATHEDRAL

Bashaw Chapter No. 197, at the luncheon chapter in Northern Alberta W.O.T.M., attended Moosehead Bar by Victoria Day in Edmonton on Sunday, March 20th.

Officers attending and participating in the program were: Mrs. S. C. Bader, student agent; Mrs. Paul Schults, Mrs. D. Schick, secretary, acting chapter; Mrs. Albert Schults, recorder; Mrs. Albert Schults, guide; Mrs. Henry Bader, guide; Mrs. Henry Miller and Mrs. Roy Murray, chairman.

THANKS!

TO THE ELECTORS
OF DIVISION ONE:

I shall endeavor, to the utmost of my ability, to represent you in C. C. and out; in the pleading of the interests of the Division as a whole over the interests of the individual.

As to those of you, my real friends, who have given so ready of your time, material aid and verbal support, my thanks, Paul Belter

Home and School
Association

At Thursday's meeting of Bashaw Home and School Association it was learned that Chas. Kater was elected president and that \$50,000.00 delinquent issue proposed by the Division Board for the purpose of erecting new schools in the Division. In asking for the vote it was explained that the expenditure would surely increase school of the Board, was present and stated the Board had the opposite opinion, in fact it seemed to reduce the bill rate so that the Division could qualify for the additional government grant.

Superintendent of Schools B. H. drew on his experience with the first county formed in Alberta (the Grande Prairie) in dealing most effectively with the County Grants, and more particularly how it affected the schools. His talk was most informative and clearly presented.

W. E. ROSS

George, March 17-19. E. Ross, Calgary, of the local exhibitors and advertising, Calgary Power Ltd., was elected president of the Alberta Service League of Alberta yesterday, at the annual Directors' meeting.

Mr. Ross, who has been associated with Calgary Power since the past 25 years, was former manager of Prairie Power Co. in Regina, and St. Johns, Newfoundland. He had Newfoundland Light & Power, and at St. Johns, Newfoundland. He has had considerable experience in all phases of the electric utility business.

Mr. Ross stated that the Electric Service League of Alberta was formed in the interests of the general public. The aims and objectives of the League are to promote education in the home and commercial establishments. Electrical wiring is just coming into its own and each year new appliances to assist the homemaker in making the operations of the home more efficient and pleasant are being invented. Homes wired to "Red Seal" specifications advocated by the Electric Service League assure the home owner that the wiring in the home will be capable of carrying the electric load required to serve all the appliances the home owner has now and day.

Farmers' Union Trophy, donated by Bethany Community for annual competition, has a new resting place this year. Alphonse Strubbe, figure skater, won the trophy in the hands of a some 5-11th's who risked the lives of the crowd—chickadees—by performing a stunt when Ressler, Jack Cammew, W. Melchior and Lawrence Scholte performed a stunt in the figure skating arena. The trophy was presented to some 5-11th's in the final event.

An adagio of that final game was the "The Great Escape" by the band of Laurie Brown. Brown had the idea to perform the "The Great Escape" in the first round, trying to make the crowd think that the band was the "The Great Escape" and it took about 10 minutes to perform.

Highways must be built from the bottom up, and so clay goes into the subgrade must be carefully selected. Contractors sent out in the field laboratory to check the stability of this basic material.

The fourth year of the schedule is devoted to cloths before the application of the seal coat. This consists of a light layer of asphalt and one of light sand. The purpose of this step is to give it greater durability and traction. When these are inserted and the seal coat is applied, the asphalt and the light sand are mixed and the asphalt is applied in a thicker layer. This is done at the rate of one or two inches per day. A few hours after this the new surface has been laid, it is ready for traffic.

Alberta now has more than 1,500 miles of hard-surfaced highways, approximately 30,000 miles of gravelled main and secondary highways and district roads, and

Now we'll find out about Mr. Hume's trip to New Zealand. He never did think that was his real name, anyway. And this ain't the first time he's lost himself. If he'd been a little more careful, he could go on a one-way Liaton. You try to sound him out. Try to let him do double-cross the gang. If it works, you can get a lot of money—well, I always said there's only one way to treat a guy like him. I'll get the straight on that.

MRS. LILY SCHULTZ HOLDS SWEEPSTAKE TICKET WHICH MAY BRING HER PLUMPY CASH

When our radio told us Tuesday morning that a Bashaw sweepstake ticket holder among the "Plumpy Little Teen Nerves" had drawn a horse in the forthcoming Grand National Horse Show, our curiosity was naturally aroused.

We thought of several who might have used the name, but did not guess that it was Mrs. Lily Schultz.

Mrs. Schultz is married to Ed Schultz, who is near Buffalo, Alta., and the very notifying of her good fortune had to be furnished from here.

Her ticket is in the Irish Hospital Sweepstakes and the horse she drew is named Little Wideman.

In any case she will receive several hundred dollars, which will be increased greatly if the horse race and finishes out of the money.

Little Wideman is not rated a favorite in the betting odds, but the race being a steeplechase anything can happen — and frequently does.

YOUR RED CROSS DOLLARS HAVE LIVED EACH YEAR

Each year, you save literally thousands of lives through your Red Cross.

Instruction in Swimming and Water Safety, First Aid, transfusions of white blood and blood products from Red Cross Blood Transfusion Service. Shipments of life-saving drugs, Red Cross Hospitals and Nursing Stations are responsible for more saved lives than can be accurately estimated.

In time of disaster, Red Cross volunteers help save lives as emergency dispatchers, managers, and transportation drivers. There is no way of telling how many lives you save through your Red Cross.

"Red Cross" means "Red Cross" — that's the way you give to Red Cross, whether it is time, or blood, or money, you help to save someone's life, somewhere, in some way.

HIGH SCHOOL MINISTRIES PUT ON A GRAND SHOW

It was strictly a new departure for them, but congratulations must go to our High School students for the excellent musical show they gave Friday night.
The Ehs' Hall was crowded to capacity when the opening curtain went up and they found the entertainment very much to their liking. John Chamberlain as Mr. Indefatigable was continued as a Municipal officer, complete with sword and medals.
In the variety part of the show a sketch, "Harmful Day," in which only the lower extremities of the actors could be seen, caused much merriment.
The show started some ninety dollars for the Students' Union treasury, and the funds will be spent on sports activities.
As Jervis was found to be the winning number on the handsome clock, radio.

Lad Injured In Farm Accident

Jimmy Moltzahn, son of Mr. and Mrs. J. Moltzahn and local grade 8 scholar, is in Ponoka hospital since Saturday last with a very painful injury to his right leg. Jimmy got the hand caught in a piece of power machinery and the limb was torn off at the first joint, several bones coming with it.
The boy has been suffering great pain, but doctors hope to save the balance of the limb.

CURLING

WENTWORTH'S TEAM WON WITH MIXED BONSFIRE.
Ball lost to Peters in the final of last week's Mixed, after five days of friendly co-sporting. Peters had Bob and Helen Loughnan with Willie Chen.

James Smith shipped a curl to second place in the Second Event, losing to Glen Sharpy's four to a hard-fought final.
James Draw games fell flat in the last week. The Executive hasn't announced winners at this date. Two Bashaw clubs play at Camrose to-day (Wednesday).

A Bashaw rink played in a one-day tourney at Wetaskiwin last week and reached the stages of the preliminary competition with local car-captains and native curlers being a close defeat. Bashaw men will be glad to get on down on the final rink.

WINS TOP ESSAY AWARD

A recent issue of the Calgary Herald publishes a picture of Leslie Terri, grade 12 student who won a first prize for her essay, "Lottie is a granddaughter of Mrs. Agatha Schults of Bashaw."

Board Sees Reduction Camrosc School Taxes

The 1935 school division accepted by the Camrosc Division Board at a special meeting in late March provides a reduction in the tax rate for school purposes of 2 1/2 mills. This has been made possible through the operation of three factors, namely: additional assessment as a result of corporations boundaries for a school and municipal purposes; increased school grants of approximately \$25,000.00; and the reduction in value of the 2 1/2 mills, or \$20,250.77. This latter grant represents a serious estimate on the part of the Provincial Government to reduce the local school mill rate and is dependent upon reducing the mill rate for operational purposes to 28 mills while permitting no more than 2 1/2 mills for capital expenditures. The increased revenue resulting from additional assessment and increased grants will be applied up by increased expenditure brought about by increases in staff, increase in teachers' salaries, and increased operational expenditures. Be this as it may, the Camrosc Division Board, the Camrosc Division will be happy to learn that some relief is in sight by way of school tax reduction.
After an intensive study of the Capital Account by the Divisional Board, school officials and the Department of Education, the by-law to borrow a further \$350,000.00 to

complete the proposed 1935 building program has been rescinded. The proposed building program involved the erection of the following school buildings; an eight-room school at Round Hill, an eight-room school at Hay Lake, an eight-room addition at Bassett and a one-room addition to the shop at Kingsman. A new by-law to borrow \$200,000 to complete this program has been passed by the Camrosc Division Board and will be advertised for study by the public through regular advertisement means. This advertisement will be found on page three of this issue.
As a result of two special meetings by the Board and a conference with Department of Education officials, it was discovered that the \$300,000 borrowing plan necessitated capital surplus which resulted by virtue of building in 1934 for less than estimated and by virtue of increased capital grants as per the plan, and by virtue of increased 1934 grants. For capital expenditures, the proposed building program could be completed in 1934 by borrowing \$200,000.00.
The Camrosc Division Board, the Camrosc Division are urged by the Divisional Board to support the proposed building program in order that all school children in Camrosc School Division may have equal educational accommodation.

CHAMBER OF COMMERCE

Some 15 members attended Monday's successful luncheon meeting. Joe Dahl's report for the term planning committee was received with appreciation for the co-operation of the members in the planning group.

The public affairs committee was asked to press for better road and highway making.

A letter was ordered sent to the Camrosc Divisional school board, commending their efforts to provide Bashaw with a suitable school building.

The next meeting will be the members' Banquet Night, to be held on Tuesday, April 24. It is hoped to have Daisy Cummings, McCallum as special speaker. Entertainment will be provided by A-H Club members and there will be a short film.

This is the time for young men to send in their essays for the membership and new cards may be had from Parsons & Ellis or Havelock School.

THE WEATHER

So we've had to talk a lot of things we've been saying about the weather since the middle of February. Every since we have the February page off the calendar the weather seems to get progressively worse until last week when this area had some of the most severe climate of the whole winter.
But all is forgotten and forgiven now because Saturday last brought real Spring-like conditions and the sun has since been with us. The sun is rapidly disappearing and such a difference has brought temperature of 50 or more.
We keep our fingers crossed and say that it looks like Spring is just on its last leg.

LAURENCE

A birthday party was held at the home of Mr. and Mrs. Oscar Johnson on Saturday evening. An enjoyable evening was spent and all ladies of the district were much honored with a splendid party.

Many Sign Up For Jubilee Scroll

Two weeks ago The Star invited donors residents to register with Postmaster Pearson for the Jubilee Scroll which the Province is giving to residents who came to Alberta in 1905 or earlier. We were able to report a good response, and this week we have another good list to publish.
It is the intention to present the scrolls at a special celebration in honor of our pioneer citizens and it is desired to have the list complete at as early a date as possible.
In the list below the first date indicates arrival in Alberta and the second year of coming to the Bashaw area.

Whooping crane display will be seen in Sask's. new natural history museum

REGINA. — One of the most popular displays at Saskatchewan's new museum of natural history when it opens officially this spring is expected to be a prairie marsh group, highlighting the whooping crane. Set up two years ago by the museum staff, the display is now being completed on the coast.

The whooping crane, a native of the prairie marshes, is one of the most beautiful birds in the world. It is a large bird with a long neck and a distinctive white body with black wings and tail. It is a native of the prairie marshes and is one of the most beautiful birds in the world.

PROCEEDS OF SPRING TON FOR HOSPITAL FOR AGED FOLK

Built in Edmonton by the Lutheran Synod of Western Canada, the Good Samaritan Hospital for disabled, crippled and people who need constant care, will be opened and dedicated on Sunday, May 16. Our Lutheran Parish here at Bashaw have decided to help in furnishing this home. The proceeds from the Spring Tea and Sale of Zion Lutheran Ladies' Aid will be used entirely for this cause. We invite all and everyone to come to this Spring Tea and support the "Hospital For Old Folks."

THE WEATHER

Temperatures of 50 or more in the daytime and clear skies are combining to make life pleasant and make the remaining winter snows vanish. Roads are drying up satisfactorily and the time for getting out on the land would seem to be near at hand.

The star has not, however, had any report of geese or ducks being sighted on the flight from the south but this, may happen any day.

STORK CLUB

DAHL—At Winnipeg on March 11, to Mr. and Mrs. Gordon Dahl (nee Jean Brown), a daughter, Jacques, line 10.

SPECIAL NOTICE

It has been brought to the attention of the Council that two unscrupulous milk and cream dealers have delivered or sold within the limits of the Village of Bashaw, a contrary to the requirements of The Public Health Act. For the information of those concerned, herewith a reprint of a public notice appearing in The Bashaw Star on or about May, 1954.

PUBLIC NOTICE

Notice is hereby given that By-law No. 65-50, requiring that all milk offered for sale or delivered within the limits of the Village of Bashaw must be pasteurized, was approved by the Provincial Board of Health on March 18, 1954, rescinded and final reading by the Council on May 22nd, 1954, and is now in effect.

Your attention is drawn to the following clauses:
 (2) No person shall sell, offer for sale or deliver within the limits of the Village of Bashaw milk which has not been pasteurized in a pasteurizing plant approved by the Provincial Board of Health.

(5) Any person who contravenes any of the provisions of this By-law shall be guilty of an offence and liable on summary conviction to a fine not exceeding One Hundred (\$100.00) Dollars exclusive of costs and in default of payment of the fine and costs, to imprisonment for a term not exceeding sixty days with or without hard labor.

GARDEN NOTES

No matter what the location there are flowers that grow

No matter what sort of a location there are some flowers which will grow in any garden. For rough spots or slopes one can make a rock garden and grow the special little plants that are listed in any seed catalogue. As a rule there are any things which like shallow and dryish soils. Many of the rock garden plants originally come from mountain slopes.

For dark shady areas there are plants like ferns, etc. of the valley and some that will thrive there and nowhere else. At the other end of the scale are perennials, peonies, alstroemeria and so on, which in the hottest sun and soil will stand drought and are not particular at all whether the soil is rich. There are certain things that must be in a dry location and others that don't mind things that are wet. There are more that are exceptionally hardy than bloom after the frost. And there is, of course, a wide range.

How to avoid 2-4-D damage

Damage to sensitive crops through the application of certain herbicides can involve the grower in legal costs.

This warning is issued by the Manitoba Weeds Commission, a pamphlet on how to avoid 2-4-D damage has been prepared for distribution.

Plants sensitive to 2-4-D and related chemicals include alfalfa, sugar beets, red-top, radishes, turnips, cauliflower, cabbage, Brussels sprouts and many others.

The damage is usually the result of thoughtlessness and carelessness, the pamphlet sets forth the precautions that should be taken to avoid danger.

The publication is available from local Agricultural Representatives.

Home Workshop

One of the most popular features of the Home Workshop is the "How to" section. It contains a wealth of information on a wide variety of subjects, from home improvement to gardening. The section is written in a clear, concise, and easy-to-understand style, making it a valuable resource for anyone interested in home improvement.

Elm Creek hog producers win competition

First prize in the 1964 Elm Creek Hog Producers Competition was won by a group of hog producers headed by J. A. Haliday, Elm Creek district, Manitoba.

Mr. Haliday and nine other farmers entered a total of 112 hogs marketed between July 1, 1964, and January 15, 1965. The hogs were raised by Elm Creek Hogs, a co-operative of 10 farmers, and purchased by Mr. Haliday in the fall of 1964.

Second prize went to the Hallett-Hall farm at Orléans, Manitoba, which marketed 64 hogs raised by Hallett-Hall and Hallett-Hall.

The 64 of Elm Creek Competition, which was first held in 1954, was conducted by the Canada and Manitoba departments of Agriculture.

Coastal groups are composed of five or more producers and a Board of directors or board of directors.

Of the 64 hogs marketed by 12 producers in the prize-winning group, 52.3 percent graded A, 47.7 percent graded B, and 0 percent graded C.

Wild oats get attention at provincial weed meets

The wild oat monopolized a large part of the discussion at each of the four one-day, weed meetings held throughout Manitoba in March.

The meetings, held at Winnipeg, Brandon, Dauphin and Portage la Prairie, attracted nearly 800 farmers, grain and chemical authorities. Speakers at the meetings included experts from the University of Manitoba, the Brandon Experimental Farm, the Manitoba Weeds Commission and from grain and chemical companies.

Delayed meeting, while some times disappointing, was considered the most effective program in combating the wild oat.

Next meeting of Bashaw Home and School Association will be held Thursday, April 21, 8:15 p.m. The theme of the meeting will be "Working with the Student for Better Education." In addition to films of Jasper Park etc., there is to be a special discussion by high school students. The high school curriculum, credit system etc. will be explained. Career Night.

It had been hoped to have the annual Career Night at next Home and School meeting, but it has now been learned that the speakers can only come to Bashaw on Tuesday, April 19, when they will spend the afternoon at the local school. The will be no less than seven speakers speaking and answering the students' questions as follows: Technical Training, Teaching, University Training, Business Training, Armed Services, Agriculture, Nursing. Effort will be made to cover other careers should request be made by the students.

13 Tank Cars In Ditch As Fast Freight Derailed

(By Ralph Brinmead)

Thirteen oil-loaded tank cars were wrecked and 300 yards of track were torn up at 9 p.m. Saturday when Canadian National Railway's Calgary-Kamloops diesel fast freight, No. 44 was derailed two miles south of Bashaw. No one was hurt.

The tank cars fell into the side of a steep curve, pulling into each other and spilling large quantities of oil across the right-of-way. A caboose and box-car which followed the derailed cars were left upright, while the front section of the train, consisting of the engine and 15 or 20 cars, was able to continue to Mirror and report the accident.

Emergency repair crews from all points between Edmonton and Alta were assembled at the scene shortly after the wreck. Working around the track, the crews had the line back in service at 1:40 a.m. Monday.

Crews were sent from Edmonton and Hanna to repair several cars sandwiched together by the impact.

Wheels ripped from the cars scattered two and a half miles north of the wreck. No boxes were near the crash.

Local C.N.R. agent J. L. St. Pierre had a busy week-and-a-half Saturday evening until 10:30 p.m. when the wreck occurred. He was on duty at the time of the accident and on being notified rushed to the scene and worked through the night.

Investigation into the cause of the wreck is continuing at Edmonton.

STORIES TO REMAIN OPEN
SATURDAY NIGHTS UNTIL TEN

Now that May is here Bashaw's stores will be remaining open all Saturday evening until 10:30 p.m. The five stores given a warning halt at 9:45 p.m.

GOLF CLUB TO REORGANIZE
AT MONDAY NIGHT MEETING

Bashaw Golf Club's re-organization meeting will be held at the Library Monday, May 26, at 8 p.m. All golfers and prospective golfers are invited to meet and discuss varying on for the season ahead.

The Executive is anxious for a good turnout, as some very important decisions are to be made at this time and meeting concerning the golf course itself.

THE WEATHER

Here Friday last the weather has been getting milder and warmer each day and things are beginning to bloom on the farms and in the new-sown gardens.

FARMER'S NITE AT C.O.P. WAS A HAPPY AFFAIR

One can only suppose that the constant rain of the previous days may have helped rather than hindered our farmer friends from taking advantage of the special Farmer's Nite held last Tuesday by the District Chamber of Commerce.

At any rate, a surprising number of farmers were present, and the evening was a very much to the liking of the crowd, nearly all of whom are directly or indirectly interested in dairy matters.

Business men of the town provided a generous lunch to wind up the most profitable evening.

Elice Farmer Has Very Close Call

Child Delamater, young farmer of the Elice district, is home from hospital after an extremely narrow escape from death.

Child is reported to have slammed the door of his home, dislodging a 22 calibre rifle, which struck him in the chest and passed through a body close to the heart, emerging at the left shoulder.

He was rushed to Ponoka hospital for treatment.

125 Have Now Asked For Scrolls

With the addition of the following during the past week, there are a total of 125 under citizens from Bashaw which have been applied at the local office for the Jubilee scrolls which are presented by the province to residents who have lived in Alberta since 1905 or earlier.

The first date mentioned above indicates arrival of Albertans and the second date of taking up residence in this area.

COMMUNITY CHOR TO REHEARSE THIS EVENING

The Community Choir is holding a practice session at 8 p.m. this evening (Wednesday) at the Lutheran church.

On Friday, May 28, the final rehearsal will be held, with Mrs. Brock of station CFWC Committee in charge of the choir.

The choir is to record a half-hour program which will be put on the ether in May.

LOCAL POST OFFICE ADDS SIXTY MORE BOXES

Last week Postmaster S. E. Pearson had sixty additional boxes installed for the use of patrons, and is thus able to take care of a waiting list which had been accumulating for some time.

Postmaster Pearson has a total of 515 boxes.

Rummage Sale Goes Over Well

The Chamber of Commerce's first Rummage Auction on Saturday last was successful far beyond all hopes and as a result the sum of \$240.95 was raised to help establish a ladies' playground and a new library.

The sale was the capable hands of Harry Chasman.

Last week's dismal weather somewhat discouraging to the committee in charge, and entries for the sale were not coming in too rapidly. But when Friday and Saturday brought improved weather and good conditions, prospects for the sales soared and improved. Saturday saw a veritable flood of items come in from surrounding districts and the sale early began to "roll".

There was such a large array of merchandise, most of it highly desirable, that it did not last long before half could be disposed of.

A little price which was donated by George Clark was sold early and over, the successful bidder turning in his check at 10:30 a.m. The sale was enriched by some \$25 on the result.

A nice picture on the part of the donors.

The balance, together with additional items which were presented during the sale, will be distributed at the second auction, to be held next Saturday.

Saturday's sale, which will start at 10:30 and will be held on the street in front of Moore Hall.

Don Whitney put in a full afternoon assisting the committee, and a C.C. of members phoned in the time permitted to help along the good work.

Any who would have surplus items to enter in the sale should contact John Cle or Joe Dick.

Cultivating easier, quicker if long-handled tools used

Cultivation of the garden, even a large one, need not be a back-breaking chore. It is amazing how much easier and quicker the job is done with tools that have long handles. Of course, for getting in close to the flowers or vegetables, for weeding and a few other delicate jobs, it may be necessary to get down on knees or kneepads, but with a little care a great deal of the ordinary cultivating and planting jobs can be handled with a minimum stooping.

Keep planting
Too much emphasis cannot be laid on spinning out the planting. It is much better to plant a little every week for a month or so than to try and get everything in at once. There is no good reason

Handled carefully, these tri- plants will come along almost quickly as those left unloos- and thus a large flower gar- can be planted at trivial cost.

flowers cannot be planted for many weeks yet and this gradual planting will produce far more satisfactory results than sowing or setting out all at once.

The vegetable garden particularly, should be planted gradually with only a portion of the carrots, beets, beans, corn, etc., sown

Net too deep

Almost every one is inclined to plant far too deeply. With the seed such as that of lettuce, radish, cosmos, anniss, poppies, alyssum, which are not so large as the head of a pig shingle nail, it is not necessary to cover all. We often see those who cover all and merely press them. It is possible we keep the

THINKING ABOUT PROFITS?

The people who conduct public opinion polls asked a large number of Canadians this question:

"How big a profit do you think the average Canadian company makes? You think they thought it was nearly 28% on the income dollar."

about half as big as that, or around 16%.

Actually, Imperial's profit last year was less than one-third of what people thought we made, or a little more than 8%.

Of this, just over 4% was distributed to Imperial's shareholders.

The rest went back into the business, to help replace worn-out equipment and meet future needs.

"How big a profit do you think the average Canadian company makes? You think they thought it was nearly 28% on the income dollar."

Then these people were asked what profit they thought a company ought to make. Most of them thought it was

Bill Irvine says:

Trade barriers imposed by the Canadian government, at the behest of manufacturers, block the way to farm markets. The outcome forces the producer to sell at cost, plus a profit as high as the traffic-dilemma. Manufacturers from foreign countries, who would exchange their goods for Canadian farm products, are barred by tariffs from the Canadian market. This performance keeps the Canadian farmer on both cheeks by:

1. Preventing the goods which would pay for his wheat entering Canada.
2. Making him pay the tariff charges over and above the competitive market price.

Why is it that the demands of manufacturers are more readily granted than the demands of farmers? The answer is that the manufacturers take their public seriously. They pay the political expenses of "free enterprise" parties and thereby exert a national policy by controlling the economic climate with their money.

My political expenses are paid by thousands of small contributors from farms. Let a few votes back up the farmers' demand in June 20th and you will have another vote and vote in Ottawa.

SPRAY EARLY
Weeds, even when quite young, compete with the growing crop for plant food, moisture, and light. Early treatment of weeds with chemicals is, therefore, recommended if maximum yields are to be obtained. Farmers who are in doubt as to when best to spray their crops should consult their nearest Agricultural Representative or Experimental Station.

ALWAYS
OBSERVE THESE
SAFETY PRECAUTIONS...

- Reduce speed on highways
- Enter main highways with caution
- Think of the consequences before making difficult observations
- Be careful when detecting
- Turn around all before making adjustments
- Watch out for sleep drivers

YOUR TRACTOR CAN BECOME A DEADLY KILLER... NEVER RELAX!

Statistics show that tractors have caused more motor accidents than any other implement on the farm. We cannot stress too often the need for constant care and vigilance when working with this "Power Packed Menace". Don't let your tractor be the cause of serious injury or death. **THINK before you ACT!**

M. J. Coldwell Speaking Here

That the CCP party is making a strong bid to win the by-election in Camrose-Battle River by-election on June 20 is evidenced by the number and prominence of the speakers to be heard at various meetings in this part of the riding last week.
Premier T. C. Douglas of Saskatchewan will be speaking at Camrose on June 8, "Steady" Brock of Selkirk, Man., at Edberg on June 8, 2:30 p.m. and A. Bryson, M.P., at Fortin on June 12, 2:30 p.m.
The CCP's federal leader, and one of Canada's outstanding political speakers, is to be heard at Bashaw on the evening of Monday, June 13, 8:15 P.M. He is of course, M. J. Coldwell, who has been heard frequently on nation-wide radio broadcasts. He will also speak at Viking.

All Set For Big Moose Car Bingo

All is in readiness for the big Moose Car Bingo this afternoon at the fair grounds here.
It is the first spin-of-the-wheel ever held here, but the committee charge have the thousands-and-one dollar corporation well in hand and only the co-operation of the weather is necessary to make this a day to remember.
The capital prize is a brand new Ford Mustang sedan of the latest model, which will be taken home this afternoon by some lucky person.
In addition, there are 18 other consolation prizes, making a total of 20 in all.
Here's hoping you win!

Mirror Celebrates Thursday, June 9

Far from feeling discouraged by the dreadful weather which wiped out their Victoria Day sports program, the members of the Association has teamed up with the P.U.A. Local to put on a monster Sports and Jubilee celebration on Thursday of next week, June 10th.
The activities begin with a big Jubilee parade at 2 p.m., followed at 3 p.m. by the Jubilee Pageant put on by Mirror School.
At 4 p.m. senior baseball takes the stage, teams from Nebraska, Alta and Bashaw being entered. A junior ball game between Mirror and Crows is slated for 5 p.m., with the final senior game starting at 8 p.m.
Music will be discussed lively much all day, and at 9 p.m. there is to be a mammoth fireworks display. Games and games and a refreshment booth will also cater to the crowd.
A grand dance in the Theatre Hall winds up what looks like a very fine day.

NUMBERS CONFIRMED SERVING FOR VETERANS

Confirmation service on Sunday last at Zion Lutheran church saw 21 young people received into membership at Zion church and seven at St. Peter's. This is said to be the largest number of confirmation in the history of the parish, which goes back to the early days of the district.

4-H CLUB

The June meeting of the Bashaw 4-H Club will be held Friday June 2, in Moose Hall.
Lunch committees for this meeting will be: Harold Smith, Bill Melchak, Verne Schalk and Shirley.

Some of the items booked for discussion at this meeting are as follows: The Thematic Display; The Achievement Day and Sale; and last but not least, our own Club Fair.

Further details of these in next week's issue.

THE STAR SLIPPED UP ON THIS NEWS ITEM

A few weeks ago we heard Bill Brown say that he intended going back to his old home in Denmark "this summer." Now we find that he left that statement in the past and should already be reuniting acquaintances and meeting up with relatives.
Bill has not been back to Copenhagen, the home city, for 21 years. He first came to this land five years before that.

Hobby Show Again Succeeds

The ISEA Hobby Fair, held in the Moose Hall Wednesday and Thursday last, was an unqualified success and the sponsoring organization has no intention of extending its absence thanks to the very many who co-operated to achieve this happy result.
This year's Hobby Fair will long be remembered for the numerous paintings and other art work submitted by the artists and the quality which drew very large crowds. Some fine oil paintings were exhibited by Mrs. W. H. Hargrave of Medicine County.

Perhaps the most unique exhibit was the working model of a steam threshing rig, the work of L. R. Graham, of Camrose (under the Lat. Craft). Made by hand, the engine and separator are turned for some \$2,500 and have high awards at fairs and exhibitions from here to the Pacific coast.

The Hobby fair is financed by receipts from the tea tables which ISEA ladies attend to.

Interesting entries were specially prepared for the boys by pupils of school grades 1 to 6.

THE WEATHER

The crops and gardens in this favored part of the land give full testimony to the suitability of the weather for the past fortnight. The field crops, particularly the corn, are well advanced and show an even stand.

Whereas a year ago many may just start to seed, very many now have their crop in and have turned their hands to other work.

The weather, on the whole, has been a lot of the cool side with only occasional warm spells. There has been little rain.

Wetaskiwin Sweeps Tourney

Wetaskiwin stole a march on the other teams in the Jubilee Bashaw League by playing in mid-evening form to top the laurels at Sunday's benefit tournament here. Bashaw's hopefuls, being practically all hay farmers had not been able to spare time from sowing to do any sowing on the diamond, and neither Camrose nor Ponoka appeared to have worked out enough. But, even if the teams fell apart at the season on occasion, there was enough baseball shown to send the hay crowd home feeling very optimistic over the prospects for good baseball this season.

The weather was clear and quite warm and a very nice crowd came out to watch this, the opening ball of the season.

Bashaw looked out a lineup that should, with a few games under its belt, be quite capable of holding its own in the new league.

The best game of the day was between Ponoka and Wetaskiwin, each team collecting seven safe hits. Ponoka's pitcher, who enabled the latter to win 6-2.

Murray Muselman with two hits and Fraser Fries with four did the honors for Bashaw in the final set-6. But the rest of the team was not clicking, either at bat or in the field and Wetaskiwin had quite an easy time winning out.

The scores:

First Game
Bashaw 9 1 2 3 0 8-15
Camrose 0 1 2 0 0 0-2
At Wood, Hunter; R. Hahn, Kerr, and to Brown, L'Amour-Dowdell.
Second Game
Ponoka 0 0 0 0 0 0-2
Wetaskiwin 1 2 0 3 1 0-2
Batteries - Ponoka (L. A. Batters); R. Schalk to Bunting.
Third Game
Bashaw 0 0 0 0 0 0-2
Wetaskiwin 1 2 0 3 1 0-2
Batteries - Bashaw (Brown, L'Amour, Fries, Kewling, Kisher).

COMING GAMES

On Wednesday at 8:00 p.m., Bashaw meets Wetaskiwin on the local diamond. On Wednesday do it again! Many debts it, but we'll wait to see them.

On Sunday afternoon Bashaw is playing at Ponoka.

Record Entry At 4-H Calf Show

(Special to The Star)

What a record! Calves - kids - yearlings - yearlings - all the records leading to Carleton Place, the 4-H Calf Club sale is on at Carleton Place, Ont.

The judging of the two day calves from each club to determine the Grand and Reserve champions of the Carleton Division began at 10 a.m. June 10, with Mr. Cooper as judge. There were 22 calves on display. The exhibitors of the lot were:

- Grand Champion—Lester, Ross, Carleton.
- Reserve Champion—Clarence, Carleton.
- 3—Edith, Carleton.
- 4—Dorothy, Wainwright.
- 5—Elsie, Wainwright.
- 6—Gordon, Henderson, Punks.
- 7—Milly, Kilham.
- 8—Mauri Smith, East.
- 9—Lawrence, Smith, East.
- 10—Bill, Holzhack, West.
- 11—David, Smith, West.
- 12—Olive, Smith, West.

At 1:00 p.m. before the sale of the calves, the following awards were presented to Lester Ross, the Royal Bash Calf Show exhibitor of the Grand Champion, by Nolan Young of Armona the Best Yearling Bull Trophy for the best yearling bull, and also the most prize. The award for the best Angus calf in the show went to the Ross of New Horsey. Awards for the two top yearlings were given to 1—Clarence, Carleton; 2—Dorothy, Wainwright; 3—Elsie, Wainwright; 4—Gordon, Henderson; 5—Milly, Kilham; 6—Mauri Smith, East; 7—Lawrence, Smith, East; 8—Bill, Holzhack, West; 9—David, Smith, West; 10—Olive, Smith, West.

There is also a new trophy set up by the Carleton Division for the first time this year. It was won by Shirley Ross of Punks. The trophy was presented to Shirley Ross by a pair of gloves by the Kilham 4-H Junior Bull Club. The 1934 Golden Jubilee Year Sale then got under way with Mr. Brown in charge of the auctioning. Prices were considerably lower than those of last year. The grand champion calf brought \$6 per lb. compared with \$1.25 last year. Also, the other calf prices ranged from \$1 to 25 cents, whereas last year it was \$1 to 25 cents per lb.

We were very pleased to see so many people from Bashaw at the sale. On behalf of the Club members, I would like to thank Guy Wainwright, Geo. Clark, E. R. Hester, and the Bashaw Service, Wainwright & Son, Bashaw Meat Market and Bashaw Prospects for buying calves.

Due to the fact that there were some 215 calves exhibited and sold this year, it was quite impossible to hold a banquet. Instead we gave a Golden Jubilee luncheon worth 40 cents at the refreshment booth. Our thanks to Carleton Chamber of Commerce for this. So (remember it all) even if the day was windy and rather miserable, the sale was quite successful. —Your Reporter

Can Be Proud of Cemetery Now

Your Editor is happy to confirm that the new stones laid at the first work done by cemetery August 1934.

Cemetery one of the community's beauty spots. Mr. Biedel took on the job a year ago, but his efforts are now bearing fruit. The Women's Institute engaged Mr. Biedel and care of the Cemetery is one of their main projects.

Grass has been cut and a carefully mowed throughout the portion of the cemetery land which has been laid out into plots.

Headstones are being laid out in the cemetery and will be active in beautifying the large flower bed which contains the cemetery. Personal photos and shrubs have been set out and will grow progressively more attractive as years go by.

The badge across the front of the Cemetery is now neatly inscribed. Although the Cemetery is very old, the condition of the grounds is so good that it is gratified to the Women's Institute and Mr. Biedel.

CCF Leader Addresses Voters

A good crowd turned out to hear M. J. Caldwell, CCF leader in the House of Commons, speak on Monday evening at Dixie Hall. J. H. Squires of Punks, was chairman.

Mr. Caldwell's address was cheerfully followed as he outlined the CCF program, more especially on the Dominion level. Priority prices were needed to offset the high price of farm income. An increase in international trade would help the market for Canada's wheat. He was in favor of a national health plan, a program of social insurance, and a program of social insurance. He declared the CCF was present in advancing measures to eliminate war and members were needed in the House to press this aim.

Wm. Irvine, CCF candidate in the 1935 by-election, also spoke at the meeting.

CCF CANDIDATE TO SPEAK IN MANFRED-SCHULTE BASHAW

Joseph W. Len, CCF member in Parliament, will speak at the Manfred-Schulte hall on Friday, June 17, 8 p.m. Tickets for \$1.00. Free for children under 12.

BASEBALL

Bashaw's local rosters, and there are made up of men from here from Sunday afternoon's shelling of the long-leaved Punks also in high play. For last night's game they had found the batting power for which Bashaw teams have been in past years noted. The best offerings of two homebats and an assortment of other local chaps. Murray Huskins led in the struggle with a four-matter over outfield wall, which followed a triple by Brown. Both had hit two-baggers in previous times at bat. Earl Carver hit for four home in the fourth to give the scoring for Bashaw.

Brown went all out for Bashaw and finished strong. Rattlesnake had to be lifted in the sixth when Bashaw clinched for five runs. McGovern finished, the locals got the range on his hit in the final stanza. The score:

Punks 000 10 000-7
Bashaw 000 10 000-10

Batteries—Rattlesnake, McGovern to Lindsay; Brown to Wend. Umpire—Scurvity.

Bashaw played at Lethbridge on Friday night, June 14, 8 p.m. and lost to the Lethbridge Oilers. Jim Musselman batted for Bashaw.

On Thursday, Bashaw emerged victorious in the senior ball tournament at Millar, after a long wait from Hokenah 15-9 in the final.

PLAY BALL THIS EVENING

Bashaw will be at home this evening on Carleton, the game being held at 8:30.

Auction To Aid New Playground

Announcement is made of a Bannockburn Auction on Saturday night, June 22, at 8 p.m. at the Bannockburn Hotel, to clear up the balance of items donated by residents of the town of Bannockburn in aid of the new playground. Many additional items have been contributed, and the above auction is being something to put in the sale they will be contact Joe Clark or Dick.

Cire or Jeweled at the site of the playground. Fewer and fewer lines have been laid and the total ending point of the playground being built. A small spring will be installed for small fry, and other kiddie will be given opportunity on the eastern half of the ground.

YOU'VE BEEN WAITING LONG FOR A NEWS ITEM LIKE THIS!

Jake Blum gets into the spotlight this week with a story very timely, since you may have thought naturally go back to please, dear.

These thoughts may have been coming through Jake Blum's mind last Wednesday night when (as he declares) he saw a bear sitting up beside the road about three miles west of his Calumet district home.

Our planner rightly told us that bears were seen from time to time in the earlier days, but not for many years. However, Jake and Art Series in the car with him to watch for the track of the bear, so it just must be true. Art Series, a resident of Elbow district and has the last six weeks. His home is now at Witter, Wisconsin.

Bill Irvine says:

During the last three years the farmers of Western Canada have, among other things, sent delegations to Ottawa to ask for the following: Floor prices on a parity basis for the domestic market has a guaranteed minimum price for export; producers Marketing Board; Farmer representation on the Wheat Board of the Board of Grain Commission and other boards; Trade Policy to encourage any country sending our food stuffs to trade with us, such as removing tariff barriers and the acceptance of British pounds in payment thereof; Crop Insurance; specific grants for education; National Health Insurance; support of Co-operatives, etc. The government with over 100 of a majority, has turned a deaf ear to every appeal. Does anyone suppose that another Liberal elected on June 20th would make any difference? On the contrary, the election of another Liberal elected on June 20th would make any difference? The government that you were perfectly satisfied with things as they are. And as Premier Douglas said in Carleton Place, "The Cabinet on hearing the report would just turn over and go back to sleep." The only time the Liberal government has really come to life during the last 20 years was when the CCF was strong enough to threaten its power. It is not worth while to try that again? The greatest weakness of both the Ottawa government and the Alberta government is the size of their majority. It is to the public interest to reduce those majorities in both cases.

FIRST CHOICE!

For All Electors in the Camrose Provincial Constituency on **JUNE 29th**

ED. SCHNELL

Here Are Some of the Reasons why Ed. Schnell can Best Represent Camrose Constituency in the Provincial House

■ Experience...

- Having served nine years on the Camrose School Board, the last six of which he was chairman, Ed gained valuable experience. He knows the Camrose educational problems, which is a large item on our financial budget.
- Ed gained an Accountancy with the Bank of Commerce and, on leaving their employ, worked with International Harvester Co. as Zone Manager.
- By order of City Council, he was recently appointed City of Camrose representative on the Industrial Development Board of the Province.

■ Service to Community...

- Ardent in this work, Ed has been President of the Agricultural Society for seven years, having successfully faced the task of rejuvenating the Camrose Fair after the war, to its present "B" status.
- A staunch member of the Camrose Board of Trade, he has been very active on many committees. As Finance Chairman of the outstanding Farmer's Day of 1963, he did a fine job in raising the funds necessary for that venture. His eagerness to serve Camrose is carried to the Rotary Club, where he is a Past President and member in good standing.

■ Character...

- Although his character is obvious from his willingness to serve the community, Ed has gained an enviable reputation as an honest, square-dealing business man.
- The cheerful, optimistic attitude with which he faces all problems is well-known, and its influence is felt by many in the church, home, school, community and business.
- Ed follows his whole life by the Christian teachings. A tower of strength and wisdom in all phases of church activity, he is honored and respected in church circles.

THE EDITOR regrets that it has been quite impossible to find space for some late-arriving news and advertising in this issue.

Perhaps some time there will be a "Kind To Editors" week when folks will get their copy in early so that it will not be necessary to hold items over until next issue.

LAMERTON

Ladies of the Lake Bend Community Club were entertained on Thursday afternoon at the home of Mrs. Oscar Johnson, with Mrs. Lloyd Lindsay and Mrs. Scott Hag co-hostesses. Annual business and election of officers took place, with Mrs. Lindsay chosen president, Mrs. Ken Meers vice-president, Mrs. Henry Schultz secretary and Mrs. John Jarvis treasurer. A delicious lunch provided a pleasant afternoon.

Mrs. Jim Fisher was a recent visitor with her husband Wayne Jewel and family in Drumheller. Friends of Mr. and Mrs. Allan Jewel of Elmore will be sorry to learn that they had the misfortune to have their house badly damaged by fire last week. It is believed a short circuit was the cause of the fire which gutted the kitchen and shed before it was brought under control.

Mr. and Mrs. Wayne Jewel and children were week-end visitors at the Fisher home recently.

Many from the district attended the air show at Pembina last week-end.

Mr. and Mrs. Arthur Simpson of Red Deer were week-end guests at the Ray Simpson home.

Mr. and Mrs. Norman Butler of New Norway visited at the Lloyd Lindsay home during the week-end.

Mrs. and Mrs. Jim Fisher spent Thursday with Mr. and Mrs. Allan Jewel at Elmore.

Mr. Abe Wade of Vancouver and son Abe of Canmore spent Sunday with Mrs. Wade's daughter, Mrs. Lloyd Lindsay and Mr. Lindsay.

Mrs. Ray Simpson was a Red Deer visitor on Monday.

Mr. and Mrs. Bob Jarvis were Red Deer visitors on Saturday.

BASEBALL

Canmore will be playing here at Bashaw tomorrow, game being called for 6:30 p.m.

This is a postponed game which was washed out by a sudden storm Wednesday night.

H. J. DABL, Secretary-Treasurer

Mrs. G. Balter returned home on Thursday from Canmore. Johnny Karlsson was home at the week-end from enroute.

Rev. F. Z. Dietrich left for Edmonton Sunday afternoon to spend the week.

Mr. and Mrs. Wm. Wallace (nee Edna Tate) were Father's Day visitors with Mr. Percy Tate.

Mr. and Mrs. Tremble took their young son Roy to Canmore Thursday for hospital treatment.

Mr. and Mrs. Wm. Chastel and daughter, of Calgary, were week-end guests at the homes of Mr. and Mrs. Fred Way.

Mrs. Henry Radka of Denville is driving a new Studebaker now. She was one of the lucky ones at the recent five-car biops at Stettler.

St. Peter's Anglican W.A. will hold their regular meeting Tuesday, June 23, at 8 p.m. at the home of Mrs. J. H. Pearson.

Mrs. Bain was reported feeling some better on Sunday at Canmore hospital, where she had been receiving treatment for a week.

CASH BINGO at Moose Hall Saturday night. Dancing starts at 10 p.m. by the Valley Ranch Boys. Come prepared for a good time!

Bashaw patients in Ponoka hospital include Mrs. Gert Radka and Mr. Th. Herman. Mrs. Wm. Dallman is receiving treatment in the Canmore hospital.

Mrs. W. Oberg was first prize for a crocheted centerpiece entered in the handicraft show at the bi-annual W.I. convention held recently in Edmonton. The prize was awarded for the best from all Alberta, and Mrs. Oberg has had numerous outside requests for directions on making the lovely piece.

IN MEMORIAM

LAUGHLIN — In loving memory of husband and father, Mr. Norman Laughlin, who passed away one year ago, June 24, 1964. We do not forget, nor do we intend. We think of you often and will to the end. Gone and forgotten by some you may be, But dear to our memory you ever will be—Sadly missed by Wife and Family.

SCHULTE — In memory of husband and father, Arnold Schultz and friend William Guder, killed by accident June 23, 1940. Just when their lives were brightening. Just when their hopes were best. God called them home from among us. To a home of eternal rest.

—Remembered by Ella, Edna and Jerry.

NOTE TO OWNERS OF CEMENTRY PLOTS

Although Mr. Stadel has completed considerable work at the Cemetery, and it does look lovely, there are a few individual graves that need attention.

It would be appreciated if those concerned would attend to them. If you are unable to do this, kindly ask Mr. Stadel and he will be willing to do this work for you. —W.J. Cemetery Committee

MRS. J. G. MOORE

Martin Elvira Skude (born Muller) passed away after a lengthy illness on June 22nd at the age of 70 years and five days. She was born in Frankfurt de Main, Germany, on June 17, 1884, and came to Canada in 1897. In September of 1925 she was united in marriage to Gottfried Skude in St. Peter's Lutheran church near Red Deer, Alta. She leaves to mourn her husband, one brother, two sisters and other relatives, including nephews and nieces.

Until her death she lived with her husband on their farm east of Bashaw.

The funeral service was held on Monday afternoon at Zion Lutheran church with Rev. K. W. Freitag officiating. Interment took place in Lamerton Cemetery.

LOCAL PLUMBING FIRM HAS CAMBROS CHURCH CONTRACT

The Star has learned that Bashaw Plumbing, of which Ernest Simonds is proprietor, has been awarded the contract for plumbing and heating in the new Northwest Lutheran church being built in the Jubilee city. The Bashaw concern's tender was \$2,000.

Bashaw Plumbing had previously installed the plumbing and heating for the new Cemetery school at Canora, the contract totalling some \$1,000.

TRAVELER HELPFUL HERE AT RED DOOR TOURIST

(Crowded out last week) Gordon Brown, J. L. West, W. E. Wells and P. W. Henson participated in the recent vacationers' golfing day at Red Door and seem to have brought home with them far more than a fair share of the honors.

The venerable "Billy" Wells, 47 years old, was first place in the "over 35" flight, J. L. West, who will still be 30 in a couple of months, led the way in his flight, as also did Gordon Brown, a comparatively younger in the tourney.

The big day was climaxed with a sensational banquet in honor of the vacationers.

Commercial TV for Britain commencing in September

On September 12 the first independent commercial television stations in Britain will start transmitting their programs. It is being built in Croydon, a suburb of London, and will serve an area in which about 10 million people live. By March, 1956, two other stations will open, in the Midlands and in Lancashire.

These three stations will bring about 50 percent of the total population of the United Kingdom within reach. After that, stations will be opened at the rate of about one a year. Virtually all the people in Britain can be reached by 15 or 20 stations.

Independent TV authority
Responsible for Britain's new television service is the Independent Television Authority, or I.T.A., set up in August, 1954, by an Act of Parliament, which has a statutory life of 15 years. Under this Act I.T.A. will not have a director general, its main functions are to own and operate transmitting stations. The programs will be supplied by privately financed companies known as "program companies" which will work under license with I.T.A.

The private program companies will get their money from sale of advertising time on the programs they provide. But advertising will not be allowed to exceed 15 percent of the total program. The complete program will be made up of 15 minutes of advertising, 15 minutes of news, 15 minutes of entertainment, and 15 minutes of educational programs. I.T.A. will require the companies to provide certain types of programs and will make sure they do not repeat in any one type of program.

News programs will be dealt with by a private company organization, the Independent Television News, which will supply news broadcasts. The news programs will be made up of 15 minutes of news, 15 minutes of entertainment, and 15 minutes of educational programs. I.T.A. will require the companies to provide certain types of programs and will make sure they do not repeat in any one type of program.

Political and social programs will be made up of 15 minutes of news, 15 minutes of entertainment, and 15 minutes of educational programs. I.T.A. will require the companies to provide certain types of programs and will make sure they do not repeat in any one type of program.

Government has agreed to provide a service to the television companies. Sheltered eastern slopes prove best orchard

One usually thinks of vineyards and fruit trees flourishing on sunny southern slopes. But in the case of the sheltered eastern slopes, the results are equally good. The results of a study conducted by the University of Alberta, Edmonton, show that the sheltered eastern slopes are the best for orchards. The study was conducted by Dr. J. H. McCall, who is a professor of horticulture at the University of Alberta. He found that the sheltered eastern slopes are the best for orchards because they receive less wind and more sun than the other slopes. This means that the trees can grow faster and produce more fruit.

Dr. McCall's study was conducted over a period of three years. He planted a number of different types of fruit trees on different slopes and monitored their growth. He found that the trees on the sheltered eastern slopes grew faster and produced more fruit than the trees on the other slopes. This was because the sheltered eastern slopes received less wind and more sun than the other slopes. This means that the trees can grow faster and produce more fruit.

Nothing can take the place of

A large crowd assembled at Edberg's farm grounds on Sept. 1, 1935, to attend the official inauguration of the new Province of Alberta.

On the platform, at left, Sir Wilfrid Laurier, Prime Minister of Canada, addresses the audience, while seated are Earl Grey, Governor-General, and Lady Grey.

One Dead As Trucks Collide

George Johnson of Edberg was killed when the three-ton truck he was driving collided with a gravel truck owned and operated by Ken Holden of Bad River. The truck came together about 2:15 P.M. afternoon last.

Two passengers in the Edberg truck, Mrs. O. Small and Mrs. W. Davis, both Edberg residents, escaped with shock and confusion and were released after treatment at Lacombe hospital.

The tragic crash occurred at an intersection on Highway 130 some four miles west of Edberg. Both trucks were thrown into the ditch.

NEVER LEAVED CLOVER NOT LUCKY SAYS THE LADY

Mrs. Walter Schoenman of the Edberg district has her doubts about the virtues of four- and five-leaved clover, and her's too.

One day recently while picking the clover she chanced upon a large clover plant which bore mostly four- and five-leaved specimens.

On three occasions she picked a new lot from the plant, ending up with a total of thirty-two of the four-leaved type and fourteen with five leaves.

Mrs. Schoenman says she then mailed for Lady Luck to know whether the four- or five-leaved clover was the lucky one. In fact she has had nothing but bad luck since, such as the pigs in making and dropping a quantity of the potato plants.

Homestead Now Mirror Townsite

Funeral services were held on Monday, July 26th, in the Lacombe Funeral Chapel for the late Mr. Louis Young Clark, an early pioneer settler of the Lacombe district.

Clark, Stuart Moore of Mirror and Edmond Church officials led and interment took place in the Lacombe Cemetery.

Funeral services were held, Harry Oswald, Bert Wadlow, Macky Galt, George Ferguson, Harry Bennett and Wm. McGregor.

Clark was born in 1869, Mr. Clark married in 1890, Mr. Clark was married in 1900.

Aphids Attack Late Barley

Reports received this week indicate that aphids are attacking late barley fields in this area.

Fields in many parts of the district are reported to be infested, but it has not been possible to make an estimate of the number of acres affected.

The aphids were recently reported to be starting fields in Banff and Saskatchewan.

BASEBALL

The last home game for Bashaw in Jubilee League schedule will be on Sunday afternoon at 3 p.m.

Chances will be the visitors and the locals aim to give them the full treatment.

Better come out on Sunday for this game. It should be well worth seeing.

BASHAW 12, PONOKA 9

Thanks to a big fourth inning, when they combined McGee's offerings for ten runs, Bashaw took Ponoka into the lead last Thursday evening by a 12-9 count.

At the same time, Bob Brown was having a bad time making his curve ball behave and the visitors picked him for a total of 7 hits.

Clint Macdonald, by Woods and Drysdale, finished the game.

Jim Macdonald, Mac Whitcomb and Emil Corbett collected four-outlets for Bashaw, the latter, coming with two strikes on.

The game was halted by darkness.

The end of seven innings, scores by innings:

Bashaw 0 0 1 1 5 3 7 4
Ponoka 0 0 0 1 0 1 1 5 7

Close Call In Head-On Crash

Mr. and Mrs. Jake Stone were severely shaken up when their car collided head-on on Sunday with light truck driven by Willie Mahzab. The mishap occurred on what is known as Rader's hill, northwest of town.

Both car and truck were badly damaged in the crash.

TRIED A WANT AD LATELY?

HOUSEHOLDERS SHOULD NOW BOULEVARDS

We note by the papers that many other towns are having "boulevard" streets.

It seems that many people feel that it is their town's duty to have the boulevard, and the result is what one would expect—a lack of any appearance to the street, particularly in the residential district.

The trouble, of course, is that they do not realize the cost of doing this work done.

Other towns are reminding residents that the boulevard is front of their property are their responsibility, and Bashaw is no more able to assume care for those than are other towns.

It is still a struggle keeping the mill in town where we can cope with tax bills.

any came a storm in 1936, landing at Ponoka where they lived for a time before coming to this town and on which is now situated the village of Riverview. Later they moved into Lacombe, where he was well known for his blacksmithing.

He served many years on the C.N. and of late years had made his home with his daughter, Mrs. Simpson.

These sons, John of Calgary, Daniel of Ponoka, and Leonard of Riverview, and son daughter Mrs. Ray Simpson, arrive, also eleven grand children and eleven great-grand children.

Brown and Stewart of Lacombe were in charge of funeral arrangements.

NEXT GUN CLUB SHOOT ON SUNDAY, AUGUST 1st

Bashaw Gun Club will be holding its next shoot on Sunday, August 1st, 10 a.m., at the club grounds 1/4 mile east of the fair grounds.

A welcome is extended to all who care to see the shooting or wish to try their hand on the range.

Bob Miller, local hardware dealer, returned to his home on Sunday after spending some days in Camrose hospital receiving treatment for an infected foot.

EDWARD CHARLES RIDDLE
Bashaw and district was mourned when it became known that one of the pioneer settlers of the district had passed away on Friday in the person of Ed. Riddle, who had made his home in this district for the past 54 years. He is survived by four sons and four daughters.
An obituary notice will appear in next issue.

DAWNIE KIMMELMAN
HAD HIGH GRADE IS STANDING
Local grade twelve students have learned how they fared in June's departmental exams, but complete results could not be obtained by The Star for this issue.

DAWNIE KIMMELMAN, who took the full grade 12 course at University High, Edmonton, and one of the subjects was English, has passed all subjects with an average above 75%.

This is a very high mark for a student taking the full course in one term.

DAWNIE is spending vacation taking shorthand and typewriting at an Edmonton business college. She hopes to make good use of these accomplishments while attending University of Alberta.

HAVE DONE FINE JOB
IN FIXING VILLAGE STREETS
The Village Council and all others are pleased with giving the Village a new look.

The municipal grade was first used to re-grade roadways from up to 10 feet while sewer and water mains were being put down.

The Council was fortunate in making a highly suitable grade of gravel at an attractive price, and where this has been applied the road is left in top condition.

The only source of worry is that motorists may unknowingly exceed the legal speed limit by reason of the smooth road conditions. The authorities would regret very much if this was necessary to prosecute.

The Women's Institute wish to announce that the date set for the Flower Show is Friday, August 18.

U.S. JOINS CANADA IN SOCIAL CREDIT MOVEMENT

(By C. M. Walter)
In a new revelation of political action in the United States, the latest development comes in light of the fact that recently at Pullman, Wis., where Tommy Rasmussen, a well known economic journalist, was talking with his uncle, Harry Harris, and his grandfather, Tommy was offered with a well known, older twice late and a plain book on which was inscribed a small flag: the older Uncle Walter had the finest of equipment.
You guessed it? The little had proceeded to look and had a very fine fish while his older companion got not even a nibble!

Tommy enjoyed the opportunity to give the unaccustomed reader a first-class treat.

Ever hear of a small boy with a home-made pole showing grown-up fishermen how to catch fish? Well, it happened recently at Pullman, Wis., where Tommy Rasmussen, a well known economic journalist, was talking with his uncle, Harry Harris, and his grandfather, Tommy was offered with a well known, older twice late and a plain book on which was inscribed a small flag: the older Uncle Walter had the finest of equipment.

Manfred Farmer Harvests Barley

What is believed to be the first grain harvesting of the 1934 season was in progress Monday on the Walter J. Schults farm in Manfred district.
Word reached The Star Monday that Walter was harvesting a 15-acre field of Old barley and that the yield appeared to be satisfactory. There were no signs of aphid infestation.

Local Hurler Blanks Camrose

BASHAW 7, CAMROSE 0
Jim Muscellan blanked Camrose to three noughts his last on Friday afternoon, the 5 game time striking out 12 visiting batters and blanking the opposition over the whole game.
It was Bashaw's last scheduled home game and a very nicely played game for the home team.
Ear and Louie shared most duties for Camrose.
Score by innings:
Camrose..... 000 000 0-2 2
Bashaw..... 010 210-7 2 2

VISITOR FIXED ON IMPAIRED DRIVING COUNCIL
Donald McPherson of Drumblair was found guilty of impaired driving on Saturday and was sentenced a fine of \$50 and costs. In addition his license was suspended for two months.

Accused was passing through the town and was observed to drive south down the main street at high rate of speed. His car failed to make the turn into Highway 21 and was liable to ditch near the pig farm.

MR. R. Scott, member of the local school staff, is a patient at present in Camrose hospital.

KEEPING UP-TO-DATE ON VARIETIES

Farmers today follow with interest any new varieties of grain that hold promise of something better in the way of yield, resistance to disease and early maturity.

Our "Crop Testing Plant" demonstration plots, where different varieties of wheat, oats, barley and flax are grown side by side, offer the opportunity for anyone interested to get a good idea of how different varieties compare under local conditions.

Every Searle Agent has a list of the location of these plots which farmers can observe to their profit.

Johnson's

LAMERTON

Friends and neighbors honored Mr. Oscar Johnson on the occasion of his birthday last Wednesday. An enjoyable evening was spent at the Johnson home and Mr. Johnson was presented with a community gift.

Miss Dorothy Johnson has been holding at Cooking Lab.

Miss Joy Macdonald of Edmonton, accompanied Miss Iris Clark home for the long week-end, and is a guest at her cousin, Mrs. Rhoda Ferguson.

Mrs. and Mr. Ray Bir-own were Seattle visitors on Monday.

Mr. Art Hauser had his leg and foot badly injured when his tractor ran over him. He received medical attention in Lacombe.

Mr. and Mrs. Len Clark were short holidays in Calgary last week.

Little Owen Lindsay, son of Mr. and Mrs. Lloyd Lindsay, suffered a bad cold, but below his eyes, from the family dog. An old pet, the dog was immediately destroyed.

Local News

Mr. and Mrs. Elmer Johnson and Judy are spending a couple of weeks at their Police Post cottage.

Trevor Greenlee was taken to Camrose hospital on Friday, having been ill for a few days.

Mr. and Mrs. C. C. Way and Ina spent Sunday at the home of Mrs. W. Sheppard of Morrisville.

Mr. Nina Reed and Barbara, of Calgary, spent several days of last week with Mr. and Mrs. Ross Reed.

Dear Editor:

...the letter sent. Then from all over the world came such comments as these from near THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most useful for its straightforwardness."

"I returned to school after a lapse of 12 years. I still get my degree from the Monitor, but my education came from the Monitor."

"The Monitor gives me ideas for my own work."

"I rely upon its copy."

You will find the Monitor interesting, with complete world news. You will discover a complete directory in every issue, the way the paper leads.

Bashaw W.I.

Bashaw Women's Institute met in the Club Rooms on August 1st with 15 members and two visitors present.

For roll call each member was to wear her favorite flower. Most members wore sweet peas, although some said others were their favorites. Mrs. O'Connell wore a beautiful large tea-rose (thorn grown), as also were the red rose and pink carnations worn by Mrs. Nuss.

Mrs. Scott was reported "Jag" lately after her operation at St. Mary's Hospital, Camrose. Flowers had been sent to her, and she is now again at the members' present.

Mrs. R. Beesley had cleaned the Club Rooms and they were fresh, but the yard needs some work done as it. Arrangements have been made to have this done.

Becky Home for Children sent a letter of thanks for the box of clothing sent them. Memorials were received for the late Mr. Tucker and Mr. Sprague.

Ten dollars were voted to buy a U.N.E.C.A.W. tin to be held in Calgary.

These groups make their own personal gifts to institutions in other countries. They may be spent at most anywhere in the world and recipients everywhere may use them to order equipment abroad or locally.

Since the next meeting of the A.C.W.W. is to be held in Calgary and since Mrs. Howe (our provincial president) is to be a delegate to this meeting, the Alberta branch of the A.C.W.W. convention held in Edmonton decided to send one delegate to Calgary.

Plans were made for our Flower Show, to be held on August 19th. We are expecting to have a large and garden judged before that. A lunch will be served at the Flower Show.

Report of the Constitution Committee, held in Bath on June 12, was given.

In the absence of Mrs. Best, Mrs. Nuss covered our "Tub" Lunch and there was a nice variety of nice things for tea.

Senior Citizens Receive Scrolls

One hundred and fifty-eight of our pioneer residents received their own Senior Citizens Scroll last Tuesday afternoon last. The presentation was made by S. E. Pearson himself, one of the district's earliest pioneers. After the presentation and accompanying program, the honored guests were served with light refreshments by ladies of the town. Arranged by the Chapter of Centennials, the pioneer citizens, and many others as could find seats, gathered in the spacious Moose Hall. First came a community church service to mark the Province's Jubilee Anniversary. Rev. E. C. Amies, Rev. D. MacGregor and Pastor E. Freitag shared direction of the service with the last-mentioned desiring the address. Rev. Appleford, Anglican rural dean from Brantford, Ont., brought greetings from the eastern province. Mrs. J. G. Pearson presided at the piano and special numbers were rendered by the Centennial Choir.

It was a well planned and completely carried out public function and in every way a fitting celebration of Alberta's fifty-first anniversary.

New Svea Church Is Fine Edifice

Your Editor had the privilege of looking over the lovely new Svea Lutheran church at Water Glen on a recent Sunday afternoon. Pastor W. O. Johnson as guide we first visited the original church, built in 1891, the only church at the time between Lacombe and Weyburn. It of old contained a fine painting of the Ascension.

A new church of the same name and steeple reconstruction with full basement and a modern steeple first housing plant.

The church interior is beautifully proportioned and unusually furnished. A sound-proof gallery where mothers may bring their babies and enjoy a service by way of the public address system is to be installed. The new church represents an investment in excess of thirty thousand dollars.

The work of building the new church since work of a special nature, was done by men of special nature, with valuable help from other men of the district.

Vernon Leonard accompanied his brother Dennis home to Crowsnest. They spent some time at Bassett and Lake Louise recently. Mr. and Mrs. E. B. Schultz and family, accompanied by Dale Way, were Club Visitors Sunday at the J. Scott home.

One Hurt When Car Hits Ditch

When his car left the road near the Ogilvie farm on Wednesday last, Dick Cavachang of Mirror was seriously injured. He was trapped at Lacombe hospital for severe leg lacerations and a fractured chest vertebra. He is expected to be released from hospital shortly. Cavachang is a C.N.R. employee. His car was very badly wrecked.

Jubilee Caravan To Show Here

As part of the Province's observance of Golden Jubilee year, the Alberta Jubilee Caravan will be in Bashaw on Wednesday afternoon of next week.

It is also expected to show motion pictures, though whether they will be displayed outdoors or in a hall is not assured.

Jubilee Caravan In Bashaw Today

The Provincial Golden Jubilee Caravan is visiting Bashaw today (Wednesday) and many will want to see this sort of interesting exhibit. There are a number of historical pictures and of special interest is the Jubilee year.

The Caravan will be parked in front of the Day Theatre and will be open to the public all afternoon and evening.

In addition, the Caravan brings a number of films appropriate to the occasion and these will be screened in the Theatre, commencing at 2.00 p.m.

There are no admission fees or charges of any kind, and the public is invited to come, along and see both the exhibits and the films.

Patrols of the School will be at the entrance.

Houghs Observe Rain Delays 30th Anniversary Harvesting

Not many couples are privileged to observe a golden wedding anniversary, and when the principle happens to be such a well-beloved pair as Mr. and Mrs. A. N. Hough it is only natural that family and friends combine to mark the happy occasion in memorable fashion.

Open house was held at the Hough farm on Sunday, August 21st, and one hundred or more friends and relatives crowded in to pay their respects and express good wishes.

Mr. and Mrs. Hough were married at St. Thomas, Ont., on August 22, 1898. They came to Alberta in 1910 and homesteaded in Houndley district, then moved to the Bashaw district in 1912, where their home is eight miles northeast of town.

Five children have blessed the union: two daughters, Madeline and Marjorie (deceased), and three sons, Walter (deceased), Clarence and Donald.

The Star joins with neighbors, friends and relatives in hoping this pair will be spared for many more anniversaries. It couldn't happen to a sloop couple.

LOCAL GOLFERS DID WELL AT CAMROSE GOLF TOURNAMENT

Golden Broom was the only local golfer to win a flight prize at last week's Camrose golf tournament, finishing first in the sixth flight.

Over 140 men were entered.

However, Billy Wells and his partner Jack were awarded handicaps and were for being the oldest players to take part. The former was competing for the district successive year, which is a record for the event.

VILLAGE MEN ENLARGED HOSPITAL AGREEMENT

At its last meeting the Village Council entered into an agreement with Ponoka and Camrose hospitals which will give Bashaw patients the privilege of receiving treatment requiring certain drugs which up to now have been sent costly to the patient.

Such drugs as ACTH, cortisone, etc. have been sent by the hospital at great cost, but the patients have been required to pay only a slight amount over the \$1.00 per day rate. Patients not requiring these drugs will not pay more than the regular daily rate.

ONE AFTERNOON RECENTLY

One afternoon recently Mrs. Alma Angaroo heard a disturbance among her chickens and geese. On investigating she found her dog had cornered a coyote. Did she call for help? Not Mrs. Angaroo! She grabbed a loose fencepost and with one well-aimed swipe sent the blurring critter to his own particular happy hunting ground.

CAMROSE M.D.

Minutes of sixth regular meeting of Council of M.D. Camrose No. 62 held Sept. 2, 1938. Present: Paul Baker, A. J. Vines, J. C. Brown, D. N. Brown, R. Brown, A. Olson, R. Young. Berne Brown in chair.

It was decided that this council approve of applications of M. N. Menzies to construct approach from the highway into 22-4-27-10-10.

Young - That this council approve of proposed transfer of P. SW 12-22-4-14 to owners of Arma as asked for by the Town and Rural Planning Board.

Resolution moved by A. J. Vines, seconded by A. Olson, that this council authorize the Assessor, as provided for under the Assessment Act, section 29 as amended in 1931, to assess the transmitter of C.P.W. and the Edmonton City Line Co. and the Calgary-Edmonton power line.

The Tax Assessor Bylaw No. 231 introduced for the purpose of selling lots 7 and 8, block 4, hamlet of Deham, to L. H. Madsen for \$15.00. This was given three readings by unanimous agreement.

Brown - That this council enter into an agreement with Dr. B. B. B. and Elliot for the revocation of all cases against B. B. B.

Olson - That this council agree to the offer of H. H. H. and H. H. H. that they supply the people with meat at a special price for association purposes, and the Council pay the L.F.O. charge.

TRIED A WANT AD LATELY?

White Bash, B.C. Aug. 14, 1938

Dear Editor:
Enclosed please find \$2 for year's subscription.

We have had beautiful weather here for about six weeks and the Gowers and I are looking fine.

The traffic on the road is tremendous, and I see a lot of Alberta cars. One away from our little side road and I am a continuous stream of cars.

I met Jack Scott, who is now living in White Rock, the other day. I also saw a number of old Bashawites at times - Wagners, Holms, Dr. House, Gilbert Stevenson et al.

I still get in two days a week golf, but shall now go to the Exhibition. Getting too old to tackle the traffic and parking problems.

Please remember me to Mr. Brimmead, also Bashaw in general. Yours sincerely, J. H. Buebe.

FAIRIES AT WESTBROKE

Word has been received of the death of Mrs. Gene Buebe, widow of late John Buebe, at Westbroke. The funeral is to be held at Westbroke on Saturday at 2 p.m. The Star is advised.

Village Has New Hospital Contract

For some years now the village of Bashaw has had its agreements with Canmore and Ponoka hospitals for such things as ambulance, operating room, x-rays etc., but has been very acceptable but it has been found that extra fee charged for such things as ambulance, operating room, x-rays etc., but the effect is most acute of raising hospital bills appreciably.

The Province has indicated a new plan whereby for a slightly higher daily charge all these extra hospital services are included, and our Village Council, realizing that it would mean a substantial saving to the patients from here, has signed the agreement and looks for it to be effective before long.

These rates include extra charges which hitherto have been charged in addition to the daily rate. The new rates will be:

Chase A hospital... \$2.00
Chase B hospital... 1.50
Chase C hospital... 1.00
Chase D hospital... 1.50
Chase E hospital... 1.50

WEDDING BELLS

BRIDAL-CLARKE

St. Mark's Anglican church in Mirror was the setting for an early autumn ceremony on Sunday September 11th, 1936, when news of marriage were exchanged between Mrs. Barbara, elder daughter of Mr. and Mrs. Leonard B. Clarke of Mirror, and Mr. Jack William Brown, elder son of Mr. William Brown and the late Mrs. Brown of Bashaw.

Gladiolus and marguerite banded the altar for the double-ring ceremony, at which the bride was given to her husband by her father, Rev. F. C. Austin officiating.

The bride was given in an original Maple Stagman model, created by white bride and groom, Elizabeth Clarke and machine and long fly front sleeves. The full skirt fell outside with layers of nylon tulle encrusted with sequins and flowers, and her long tulle train was held in place with a pearl and sequin studded pillow.

The bride wore a white tulle and white floral hair band. She carried a bouquet of pink carnations.

Mr. Robert Brown was his brother's best man, and ushering guests to their seats were Mr. Ron Collins, brother-in-law of the groom, and the bride's brother, Mr. Bruce Clarke.

Mrs. Rhoda Peterson, aunt of the bride, played the wedding music, and Mr. Robert Jarvis, brother-in-law of the bride, sang "O Perfect Love" during the ceremony.

Following the singing 100 wedding guests were received at a reception held at the home of the bride's parents' home.

Mrs. Clarke chose a stone blue dress with long train and white accessories and pink rose corsage.

Mrs. Ronald Collins of Edmonton, sister of the groom, was given in the bride's party and was given in the bride's party.

The groom's only white accessories and accessories of pink and blue. The groom's only white accessories and accessories of pink and blue.

Mr. Ron Holt of Bashaw was a most capable M.C. Mr. Robert Brown gave the toast to his brother-in-law, to which the groom responded. Further speakers included Mr. William Brown and Mr. Jim Fisher. Robert Jarvis sang "O Perfect Love" and Bruce Clarke played "I Love You Truly" on a xylophone.

The bride's table was centered with a beautifully decorated four-tiered wedding cake, the decorative art of Mrs. Ray Stinson, and was placed in a row of table with gladiolus spray.

Mrs. Cecil Westling had charge of the guest book.

Complimentary messages were received from the bride's uncle and aunt Mr. and Mrs. Virgil Hale of Calgary and from Mr. and Mrs. Oak

PIVET-SUNDIST

Clark's church in Statist was the setting on September 10, 1936, at 10:30 a.m., for the wedding of Miss Kathryn Bergeson Sundist, only daughter of Mr. and Mrs. Arne J. Sundist of Bashaw, and Mr. George Robert Pivet, only son of Mr. and Mrs. Robert J. Pivet of Mirror.

Rev. Father Battie officiated at the marriage service, followed by organ music before an altar bedecked with gladiolus.

Given in marriage by her father, the bride was lovely in a floor-length white strapless gown, modulated with a lace bolero jacket, with pearl studded nylon net over tulle skirt. Her three quarter length veil was held in place with a flower train and she carried a white prayer book topped with red ribbon. Her only jewelry was a pearl necklace.

Miss Betty Lindberg of Mirror acted as bridesmaid, groomed in a floor-length gown strapless gown of cap and long tulle train with matching bolero and a flower train. She carried red roses.

Mr. and Mrs. John Smith, cousin of the groom, were best man, and usher were Mr. Ted Smith and Mr. John Smith of Statist.

Mrs. Elizabeth of Statist was organist. Mrs. Mary O'Hanlon and Miss Jane Wilford sang hymns during Mass and Mrs. Della Peterson of Mirror, cousin of the bride, sang "Ave Maria" during the signing of the register.

A bridal dinner was held at the home of the bride's parents, at which only immediate family were entertained, followed by an open reception.

Mr. T. D. Mirfield, grandfather of the groom, gave the toast to the bride, to which the groom responded.

Mrs. Sundist received her guests groomed in a dress of black and white crepe with red accessories and a corsage of red roses. Mrs. Pivet, mother of the groom, chose a light blue dress of gabardine with white accessories and a red rose corsage.

Later a wedding dance was held in the Grand Theatre Mirror.

For honeymoon trip they to the mountains the bride donned a blue grey suit with white accessories with corsage of red roses.

The young couple will make their home in Statist, followed by the good wishes of a host of local friends and relatives.

All officers and committee members of the Bashaw H.S.A. are kindly asked to attend a planning meeting at the residence of (Patric Pruiting) residence at 8 p.m. on Thursday of this week.

ANGLO-IRISH FAIRWELL
TO REV. AND MRS. AUSTIN

Following evening service on Sunday, members of the congregation and other friends gathered in the basement of Anglican Hall to honor Rev. F. C. and Mrs. Austin.

Rev. and Mrs. Austin are to be home for Holy Mountain House, Mr. H. W. Hall, who presided at the gathering, made reference to the capable and resourceful services given by the departing couple during their five-year stay in the Lancaster Parish, in their presentation of a purse of money in token of the high regard of their parishioners and friends here, to which Mr. Austin made fitting response.

The earlier part of the evening was given over to a display of colored slides by Mr. H. W. Kirkwood, these being all his own work, even to the developing and printing in full color. They began with a picture of the town and surrounding area. Mr. Kirkwood exhibited a series of other prints taken on a mountain climbing holiday at Banff and summer with his son Basil and Rev. Mr. Austin.

The ladies served a delightful buffet lunch at the interval.

A well known former local boy, "Orie" (Francis) Mink, was here during the past week for a spot of duck shooting. Frank is now from the R.C.M.P. and is on leave from duties as a northern Saskatchewan point. His parents live in Edmonton.

Had Oldtimers Back In 1905

"The wisdom of Alberta rest lightly on the heads of the old settlers," commented The Edmonton Bulletin in its editorial.

The occasion was the tenth annual banquet of the Oldtimers' Association. Where today's oldtimers talk of severed waters and homes to be severed in 1905 discussed buffalo hunting, Indian trading and the search for gold.

The place of gathering was the Jasper Hotel, a brick hotel still in use today at 90th street and 10th avenue, in downtown Edmonton. J. McDonald, president of the Association, commented on the fine building and remarked that the "ground on which the Alberta Hotel now stands is a whetstone only a few years ago, and it will be difficult for the vision of the future to predict what change the future will bring to the city."

The oldtimers held high hopes for the future of Alberta—most of which were realized and surpassed. Such men as Hon. Frank Oliver, Father Louis J. A. McDougall (of St. Joseph's), and other notable figures all gave their views on the future of the province and its capital.

"There are more and better opportunities here than ever before," said Hon. Frank Oliver. "Edmonton, the metropolis of this area, will have a richer field than Winnipeg. It draws an immense trade from a larger area than any other city in North America."

Mayor McDougall fully agreed. "Our program has already attracted the best of the west and the south. There is no doubt that the people here will work out the problems confronting this city, utilizing the most modern engineering."

Mr. McDougall, the pioneer merchant, was the most prophetic of all the speakers of 40 years ago. "Edmonton will be the most important city west of Winnipeg," he said, "and those who are located here will never regret it. They must make the most of the opportunities on every hand."

The oldtimers liked a well set table, and had it at the banquet. "The board was arranged as an exhibit upon the table. The whole was a sort of beauty and good cheer. This is itself a fine illustration of the optimistic personality," which caused the early settlers to pick the site for the town and the name of the oldtimer. Besides the standard items on the wine list

Elks Holding Turkey Bingo

The Pilgrim Fraternity, it is told, has been holding a Turkey Bingo night in the woods for a Thanksgiving treat.

It was in Bashaw district, it was to do it that way, at least not since the Elks took to organizing Turkey Bingo a few years back.

This year's Thanksgiving Turkey Bingo is being held at Elks Hall on Thursday, October 10, starting promptly at 8:00 p.m.

They are putting up 40 chosen dressed Alberta turkey, and you may take home one or more of these lovely birds at an outlay of only 10 cents per bag.

You can beat this price by purchasing advance tickets at 15 for a dollar, but these can only be had up to twenty-four hours before the Bingo gets under way.

There will be free coffee being served, and consolation prizes are to be awarded.

There will be no charge made for admission to the Bingo hall.

Bashaw C. of C. Lays Plans For Coming Meetings

At Monday evening's meeting of the Bashaw Chapter of Commerce and Agriculture, plans for forthcoming meetings were discussed.

Monday, October 22nd, a program at Moose Hall at 3:30 p.m. of special interest to farmers, with the Rev. Method of Fortitude as the central theme. A special speaker is being secured to address the gathering.

Argued the middle of November a program of an entertaining nature is being arranged for the Town Planning Committee.

On Monday, Nov. 25, the Chapter of Commerce meeting will have as its topic "Natural Gas for Alberta Towns." A speaker will be on hand to answer the meeting on this subject.

The Jubilee Jolly surprise funds to be raised for the Jubilee of the Playground. The playground is to be known as "Jubilee Memorial Playground."

We would like to thank all who have contributed to the Jubilee project, especially Messrs. J. Dick and J. C. Croft. Their untiring efforts on its behalf.

were such mentions of the prohibition and whiskey trading days as "gallop wine," "mini-liquor cocktails," "colossal cocktail," "gin and tonics," moonshine whiskey, and "yellow oil." The bartender could make "water 1 from the water-works."

The menu was equally spiced with delicacies of the old west. Table among them were "pumpernickel with the hair on," "pumpkin cream with umbrellas," "pumpernickel heads, scalars on."

The very first menu also included such viands as dry suckers with birch syrup, rabbit, roasted, boiled or stewed, fried, broiled, moist, beefsteak tongue, mutton, many hot sandwiches in addition to many commonplace items of the present day.

NEW ARRIVALS

Bale was pulled down Tuesday night when the wind was just getting up. Earlier in the season this would make the Editor quite happy. But not now, with thousands of acres of good crops waiting to be harvested or combined.

Rain last week, followed by a fall of wet snow, was effective in putting a stop to all harvest operations, but favorable weather since that wet-out had made in as much as settled weather was a boon to a crop.

The weather bureau can give us facts and figures to show that the season is still early and that lots of good weather can be expected before winter closes in.

But the only happy fall (weather) that we have seen in the past few years was to finish harvesting before the rains came.

Local Creamery Wins At Toronto

The local Creamery has not as yet received official notice of its awards won at the Canadian National Dairy Exposition in Toronto.

A report received by the Edmonton Journal states that the Bashaw Creamery had won a first prize on print butter. They are also credited with having been awarded a pair of second prizes for best butter of only or Augustus make and for June make.

Wm. Brown is manager of the Bashaw Creamery and his son Bob is the bookkeeper.

Coal, oil gas reserves dwindling

By 2050 A.D. the world will have to rely on atomic power for its energy needs. Coal, oil and natural gas reserves cannot keep pace with rising demands for power.

One of the most important sources of energy is coal. It is estimated that the world's coal reserves will be exhausted by 2050 A.D. if the present rate of consumption continues.

Oil is another important source of energy. It is estimated that the world's oil reserves will be exhausted by 2050 A.D. if the present rate of consumption continues.

Natural gas is also an important source of energy. It is estimated that the world's natural gas reserves will be exhausted by 2050 A.D. if the present rate of consumption continues.

Atomic power is the only source of energy that is not limited by the amount of fuel available. It is estimated that the world's atomic power reserves will last for 100 years.

Therefore, the world must develop atomic power as a replacement for coal, oil and natural gas.

Atomic power is a clean source of energy. It does not produce air pollution. It is also a safe source of energy. It is estimated that the world's atomic power reserves will last for 100 years.

Indians call September the moon of wild rice

The Indians call September the moon of wild rice. It is the month they gather on the shores of the St. Lawrence River to begin the annual harvesting of Mesquima or wild rice, reports Canadian Press.

The Indians gather the wild rice in the St. Lawrence River. They use long poles to reach the rice. They then use their hands to harvest the rice. The rice is then dried and stored for use.

Collecting insects as exciting to this man as golf for others

John B. Wallis of Winnipeg says he has been collecting insects for 20 years. He says that collecting insects is as exciting to him as golf is to others.

Mr. Wallis has collected a large number of insects. He has a collection of over 10,000 insects. He has a special interest in butterflies.

Wm. Hancaster was a patient in the Carleton hospital last week after having an appendicitis operation.

Mr. and Mrs. Wm. Chastel and Beverly, of Calgary, were weekend visitors here at the home of Mr. and Mrs. P. F. Way.

Our High School football team was having a strenuous time acclimating themselves during the initiation period set by the Students' Union. It was all in good fun and the efforts achieved by some of the boys (and girls, too) was just "out of this world."

Les Graff left on Monday to begin a four-year art course at the Institute of Technology in Calgary. Les spent the summer at the Banff School of Fine Arts and it is noted that one of his paintings was selected for an exhibition now being held by the School.

Mrs. Karlovane left for Whitby on Friday evening to report for duty with Canadian Geographic Surveys Ltd.

Don Sells left on Sunday to begin his second year at the Institute of Technology at Calgary. Don is studying radio, television and electronics.

Henry Bate returned home Saturday from Carleton hospital where he was a patient for a few days. He arrived treatment for torn shoulder muscles.

Mr. and Mrs. Emil Mannsahl and baby daughter Sharon, of Viking, spent the weekend at the home of her mother, Mrs. Anna Shoemaker.

Bashaw is in about two weeks time going to lose its C.M.R. station agent of the past five years. J. L. St. Pierre, who is being moved to Hinton, Alta., which is about midway between Edmonton and Jasper, and the location of a large new pulp mill. The encounter here has been named as yet. A farewell party for Mr. and Mrs. St. Pierre was being held in the basement of the Catholic church Tuesday evening.

Solution:
A bank loan

You may need extra cash for doctor's bills, for house repairs, to save on a season's fuel supply—or for any sound reason. Don't hesitate—see the bank about it. It's the natural thing to do.

The chartered banks, through inexpensive personal loans large and small, make it possible for people to meet pressing needs and take advantage of bargains.

At any branch, you can count on consideration, courtesy, privacy. It is a simple matter to arrange a loan, repayable out of income in installments that suit your convenience.

The local branch of a chartered bank not only provides personal loans but may offer banking services of value to everyone in the community.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Only a chartered bank offers a full range of banking services, including:

SAVINGS ACCOUNTS
Keep your money safe, pay money, interest, encourage the future of Canada.

LETTERS OF CREDIT
For travellers on extended trips, or for those business men who travel at a distance.

TRAVELLER'S CHEQUES
Protect your money while on the road. They are readily negotiable anywhere.

LOANS
For repairs, alterations or advances to your business.

HOLIDAY AH-OY!

"Holiday Ahoy!"—sponsored by the Bashaw Elks—is a big home talent show featuring local business men and women for the community, as well as teen-age chorus girls and soloists. This will be presented on Thursday and Friday nights, Oct. 19 and 20, in Elks Hall at 8:15 p.m.

Local business men will portray characters as Marlin Mowse, Mac West, Billy Bass, Biggie T. and others, wearing beautiful nylon evening gowns.

The Elks Hall stage will be converted into a ship called the "Elks Star," and as they cruise along on this musical comedy cruise Capt. Chris Carver keeps everyone informed as to what port they are approaching, and the curtain opens to thrill the audience with the happenings at each port.

Two ensembles who are called "Giddy Giddy" and are Shipwrecked! and Singapore Sam, furnish the laughs, especially with their rendition of "Harold Blum."

Ten-agers will appear in satin and tulle costumes and do clever dance routines, and sing catchy songs.

St. Nanna Nanna tells a cowboy and Indian story of the west, he and several other members of the community's small try music.

Panama Hauls and O'Brien take the audience of one to an island tribe of Chief Devil's women portrayed by a group of local business men, and do a lovely waltz with their dances.

Besides the high-jinks of this home men and women, chorus girls and company and Indian, there will be five specialty numbers, songs, dances and musicals.

In connection with the Holiday Ahoy show is a Toy Toy Popularity Contest for the year 1945 of the community. View those will be placed in the store of their choice and each penny put into the vote box will give them a vote.

Your crop on that northwest quarter sure looked good, Bob.

Fertilizer did it, Jim—I figure I got an extra \$1,200* clear profit from that quarter

(Based on average yearly yield increase, based at 1944)

Bob's extra profit was just one of the many "bonuses" farmers crop from fertilizing. When you fertilize your crops you can harvest up to two weeks earlier avoiding frost, hail and other damage. Better grades, bigger yields, weed control and keeping your land fertile are additional advantages—reasons why more and more farmers are fertilizing every acre. See your Elephant Brand agent about the right fertilizer for you.

SHARON pulled the collar of her coat tighter, around her neck against the chilly night air. A moment ago her watch had said 11:30, and she was alone in the city streets, and the train, with its lights and its sound, was all that was left to her. She was alone in the city streets, and the train, with its lights and its sound, was all that was left to her.

There may be snow on the mountain tops, but the city streets are all that is left to her. She is alone in the city streets, and the train, with its lights and its sound, is all that is left to her.

OUR COMPLETE SHORT STORY—LATE TRAVE

—By MATTHEW F. CHRISTOPHER

SHARON pulled the collar of her coat tighter, around her neck against the chilly night air. A moment ago her watch had said 11:30, and she was alone in the city streets, and the train, with its lights and its sound, was all that was left to her.

There may be snow on the mountain tops, but the city streets are all that is left to her. She is alone in the city streets, and the train, with its lights and its sound, is all that is left to her.

Need seen for get-together on U.S.-Canada farm trade

Need for a get-together between the United States and Canada to clear up the "hard feeling" which has resulted from certain aspects of trade between the two in farm products is seen by Fred J. Rosell, agricultural attaché in the U.S. Embassy at Ottawa.

He pointed out in a Windsor speech that there is a recognition and understanding in the country of the other's trade problems. He said that in a number of years of his work in the U.S. Embassy, he has seen that the U.S. has a surplus of farm products and that Canada has a surplus of farm products. ALL-NEW PICKUP TRUCK QUALITY
with for Heavy Hauling!
VIEW GET-UP-AND-GO—New engine power, new transmission responsiveness and new rear axle strength combine to provide acceleration, from standing start. Full power always remarkable in a vehicle that is first, last and always a dependable load carrier.
Driver and passenger comfort is exceptional in the quiet, all-steel, rubber-mounted Com-Vale body.
The curved one-piece front-end windshield, wide twin rear windows and big three windows provide excellent all-around visibility. The deep, comfortable, well-cushioned seat is adjustable.
The current way to satisfy yourself that here is a uniquely fine combination of full-bodied load-carrying capacity, handling, comfortable riding, and truly economical operation is to test drive this new pickup truck in the lowest price field. Its performance—no smooth, quiet, road-sure, and that it can easily do for passenger car use for the family—will be more convincing than anything you might read about it.

Ray and Don
Popular Hosts
Ray and Don Whitely, the only father and son combination in the local field, will hold a weekly musical "Fry" on Saturday last in connection with their current show. During the afternoon their display rooms were crowded with customers looking over various bargains and special prices. Coffee and doughnuts were served to all guests. They offered free air-cream to all who could correctly estimate the amount required to "fill 'em up." Alf Pope Lewis drove our roller, cabled in to this date.

In the evening Elks' Hall was crowded for the first show put on by Whitely and Son.
Local talent presented a pleasing program. The following artists contributed: Mary McAdams, Patsy Chasman, Don Dubois, Joe Doherty, Dewey Schickewitz and Ervin Schickewitz.
Door prizes were won by Mrs. J. Redinger, Mrs. Leonard Olson, Mrs. Alton McAdams, Mrs. P. C. Brown, John Weiss, Henry Chisholm.

MASTER FAMILY AWARDS ANNOUNCED
Three rural Alberta families have been selected as Master Family for 1934, according to an announcement made last week by Jim L. C. Halmers, Minister of Agriculture.
The family winners are:
F. M. E. Robinson Family
Pondus Creek
B. O. Brown Family
Pondus
Chris Schneider Family
Verreille

Each family will receive an award of \$1,000, an engraved plaque, and a Master Family name plate to be placed on their farmstead entrance. This is the seventh year that the program has been operated by the Alberta Department of Agriculture.
The main objective of the program is to promote Alberta farmers with a practical demonstration of the value of family and farm success in farming and in family and community life. The awards are based upon the records of good farming, right living and clear thinking, in all cases, winning families have demonstrated demonstration of the value of proper farm management; in all cases, winning families have demonstrated demonstration of the value of the three 1934 Master Family Prizes will receive their awards in all communities.
Mr. and Mrs. Christian Smith have their home in here again. Their house was moved into town Friday from the farm and now sits on a lot in the south end of town.

Bashaw W.I.
(Held over from last week)
The October meeting of the Bashaw Women's Institute was held at 8:00 p.m. with 14 members and 17 visitors present.
The program was held by banding in donations for the fall tea and bazaar. Mrs. Olney had the plaid quilt on display, which is to be finished and then raffled at the bazaar. It is pretty and the opinion of those present was that whenever it will be lucky.
Some notes re the work of the C.N.R.E. were read and plans made for the carnival and tag day.

Mrs. R. Miller reported the Cemetery is very well kept and the committee has plans for more work to be done before cold weather sets in. Memorials to the late Mr. Wells were received for this fund, and also for the Cancer Society and the C.N.R.E.

Notes were made for the children's Halloween frolic and the committee has plans for more work to be done before cold weather sets in. Memorials to the late Mr. Wells were received for this fund, and also for the Cancer Society and the C.N.R.E.

BASHAW & DISTRICT CHAMBER OF COMMERCE

May we remind all residents of the district, and in particular, all our farmers, that our October meeting, held at 8:00 p.m. last week, was a success. The special value to all our farmers was the presentation of the 1934 award to the family of Mr. J. E. Robinson, who was selected as the family of the year. The award was presented by Mr. J. E. Robinson, who was selected as the family of the year. The award was presented by Mr. J. E. Robinson, who was selected as the family of the year.

H. me and School Association

The Home and School Association meeting scheduled for Thursday, Oct. 18, will be postponed one week to Friday, Oct. 19, as all our members will be at the all-Canadian fair. Their division conference at the Convention on the 20th and would not be present for the parent-teacher association arranged for the meeting. We hope that they will be with us on the 19th.

A mountain blew up in Iceland years ago and a new community was born in Manitoba

Many years ago in Iceland a mountain blew up and the people fled. For most their lives brought them to Manitoba. Heavily populated in one or two towns, the Icelanders chose pine-covered Hecia Island, Manitoba, lying off the west shore of Lake Winnipeg to start a new life. They named the island after the volcano that drove them from their homeland, written Walter Gower of Comedion Press.

Immigration came to Hecia in 1974. Today, the second and third generations of the islanders live in the village and the way of life of their forefathers.

Walter Gower, who has written the book "Hecia Island: A New Community Born in Manitoba," says that the islanders make their living by fishing the lake. Most of the 200 residents come from fishing families.

In June and July the islanders fish their own lake, or the lake of the lake. Most of the 200 residents come from fishing families.

SMILE OF THE WEEK

A woman walked into a millinery shop and pointed out a hat to the owner.

"That red one with the feathers," she said. "I like it very much."

"That is the one of the window for sale," the owner replied.

Only in recent years has Iceland been made more of a tourist attraction. The first visitors to the island were in 1974.

Many Canadian children still not immunized says doctor

TORONTO.—For many years, protection against smallpox, tetanus, diphtheria, and whooping cough has been available to every Canadian child, but when we examine the records, it is quite apparent that many children lack adequate protection against these diseases, according to Dr. C. A. Agnig, chief physician of the Health Department of the City of Toronto.

Frozen north wilderness may blossom

The Russians are considering building a mammoth dam across the bottom of the Arctic Ocean, with Pacific water pumped across by atomic power.

Alexander Martin, a member of the Soviet Academy of Sciences, said over Moscow radio this week that the frozen northern parts of Asia, North America and Europe into habitable areas with a temperate climate.

Martin didn't mention the flood it might cause along more southerly coasts by melting the Polar ice cap.

The British Strait between Alaska and Siberia connects the Arctic and Pacific oceans. It is 55 miles wide.

Martin said Soviet engineers visualize damming it and then using hundreds of giant pumps powered by an atomic power station of 2,000,000 kilowatt capacity to pump Pacific water into the Polar sea.

This would produce an artificial warm current approximately equal in volume to that of the Gulf Stream," Martin said.

Each year this current carries as much warmth into the Arctic Ocean as is contained in 100,000 tons of oil. Of course, that would greatly moderate the climate in the Arctic zone and adjacent continents.

Furthermore, by melting the famous Siberian glaciers and eliminating conditions that form great masses of cold Arctic air, we would deliver not only Asia and North America, but also parts of Europe from the frigid breath of the Arctic."

The result, Martin said, would be something like discovering new continents with a mild European climate and with wonderful natural resources. What is new, however, and from wilderness would blossom.

Oil seeds used edible purposes for 5,000 years

Oil seeds have been used for edible purposes since the time of the Stone Age, according to a report by Dr. A. H. Hammad, of the Canadian Department of Agriculture Cereals Research Laboratory, Winnipeg, Man.

He said that research programs on oil seed crops, primarily on flax and safflower, are currently under way.

In addition to breeding programs, the Winnipeg Laboratory is introducing and testing other potential oil seed crops that may have a place in Western Canadian agriculture.

Research programs will be initiated on the most promising of these crops.

Linseed flax is well adapted to the growing conditions in Canada. To date, however, linseed has not been used extensively for edible purposes due to its composition. Consequently, other oil seed species are being evaluated for the edible oil trade.

Safflower is not grown on a commercial scale in Western Canada yet. The main limiting factor in the economic production of this crop are susceptibility to several diseases and the lateness of maturity.

The safflower improvement project at the Winnipeg Laboratory was started in 1953. Good progress has been made in selecting for early maturity and disease resistance in varieties introduced from other countries. A well organized program should combine disease resistance and other desirable characteristics into one variety.

The safflower has certain advantages from the producer's point of view. It can be handled readily with the combine, and due to its resistance to lodging and shattering, safflower can be straight combined without loss of seed yield.

X-Rays helped bring fast medical care to Eskimos

OTTAWA—Doctors reading X-rays in white-chamber and teaching whaling-boats this summer helped bring Eskimo and Indian from Canada's eastern Arctic to proper medical treatment faster than ever before since a Commission report.

The plan to develop X-ray units in the Arctic instead of in Ottawa was devised by Dr. John H. Willis, of Ottawa, 35-year-old Eastern Canada superintendent of the Health department's Indian health service.

Recognizing 'potential harm' new drugs major problem

Modern drugs are "wonderful"—scientific progress in developing new ones is "rapid"—but a major problem of any practicing physician is how to recognize "the potential harm" of many of them, writes Dales Smith of United Press.

This was the sense of an address by Dr. Stuart L. Vaughan of the University of Buffalo School of Medicine at a recent meeting of the Medical Society of the State of New York.

It was called to the attention of a United Press reporter by a medical authority in connection with the scientific report of another professor—Dr. Edgar J. Mause—on the toxic properties of the anti-arthritis drug, phenylbutazone.

"It is obvious," said Dr. Vaughan, "that we are in a position to have new drugs in the market that are dangerous to the health of the people. It is our duty to know about the merits and the dangers of the drugs."

He said "the type of knowledge the physician needs" concerns such items as "recognition of the pattern of drug promotion, the relationship of the practicing physician to the patient, the rapid mental method as employed in the use of new drugs, the principles of blood protection and blood cell depletion, the mechanism of action of drugs which may affect normal equilibrium factors determining a drug's toxicity, and the relationship of the drug to the patient's health."

Dr. Mause, in his report to the British Journal of Medicine, said that "the use of new drugs is a dangerous business. It is a large part of the physician's duty to know about the merits and the dangers of the drugs."

Dr. Vaughan said the new drugs "are a major factor in the development of the health of the people. It is our duty to know about the merits and the dangers of the drugs."

Bright colors safety factor

SALESMEN, WA.—Bright colors can be a safety factor, as well as a way to brighten children's back-to-school wardrobes, according to a clothing expert at the University of Wisconsin.

Harold Panchal said red, blue, yellow, green, and royal blue are good colors to use, particularly in winter and early fall, because they are bright and eye-catching.

Dr. Mause, in his report to the British Journal of Medicine, said that "the use of new drugs is a dangerous business. It is a large part of the physician's duty to know about the merits and the dangers of the drugs."

Dr. Vaughan said the new drugs "are a major factor in the development of the health of the people. It is our duty to know about the merits and the dangers of the drugs."

CONGRATULATIONS UPON A HALF-CENTURY OF PROGRESS

As Saskatchewan and Alberta pass the year, to celebrate their Fiftyth Anniversary, we are reminded of the striking developments in agriculture and industry that have taken place in these two provinces since the turn of the century. It is a privilege to join with others in extending congratulations and best wishes on this occasion to all citizens of both provinces and particularly to those men and women whose faith, determination and hard work over the years, have laid the foundation for a prosperous agriculture. ALL-NEW PICKUP TRUCK QUALITY
with for Easy Handling!

NEW GET-UP-AND-GO — New engine power, new transmission, new rear axle strength combine to provide acceleration, from standing start to full speed ahead, remarkable in a vehicle that is fast, light and always a dependable load carrier.

Driver and passenger comfort is exceptional in the quiet, all-steel, rubber-mounted Comfy-Vision cab. The curved nose-piece, sweep-back windshield, wide twin rear windows and big door windows provide excellent all-around visibility. The deep, comfortable, well-cushioned seat is adjustable.

The surest way to satisfy yourself that here is a uniquely fine combination of full pickup load carrying capacity, easy handling, comfortable riding, and truly economical operation, is to test drive this newest pickup truck in the lowest price field. Its performance—so smooth, quiet, comfortable that it can easily double for passenger car use for the family—will be more convincing than anything you might read about it.

Canada storehouse for U.K. wealth during World War II

Canada during the Second World War was the storehouse for vast stores of the United Kingdom's liquid wealth, more than \$7,000,000,000 in dollars, in the form of gold, silver, and other precious metals, and in the form of the Atlantic shipping lanes that carried the goods of the world to the United Kingdom.

The story of the Winston Churchill's role in the war is well known. He was the man who kept the country's treasure, the Royal Treasury, in Canada, in the form of gold, silver, and other precious metals, and in the form of the Atlantic shipping lanes that carried the goods of the world to the United Kingdom.

The magazine says the dramatic, daring scheme to transfer the thousands of boxes of precious metals and gold coins from London to Canada was a feat of the imagination. The scheme was carried out by the Royal Canadian Mounted Police, the Royal Canadian Air Force, and the Royal Canadian Navy.

The magazine says the scheme was carried out by the Royal Canadian Mounted Police, the Royal Canadian Air Force, and the Royal Canadian Navy. The scheme was carried out by the Royal Canadian Mounted Police, the Royal Canadian Air Force, and the Royal Canadian Navy.

Build special vault

Two principal Canadian agencies involved in the story are the Department of Finance and the Bank of Canada. The Bank of Canada was the first to build a vault in the form of a mountain, in the form of a mountain, in the form of a mountain.

The magazine says the scheme was carried out by the Royal Canadian Mounted Police, the Royal Canadian Air Force, and the Royal Canadian Navy. The scheme was carried out by the Royal Canadian Mounted Police, the Royal Canadian Air Force, and the Royal Canadian Navy.

PROGRAM FOR BLIND FARMER NEW SERVICE OF C.N.I.B.

All those interested in agriculture, the country will soon learn the details of a new program for blind farmers.
The Canadian National Institute for the Blind is putting its finishing touches to a new service that will mean the difference between long hours of hopelessness and the prospect of a bright or more useful life to blind farmers. Disease and accidents, in an expanding population, have raised the national figure to more than 12,000. Of these farmers or persons who formerly made a living as one of another job concerned with Canada's most important industry, farming. Designing its farm service department, from existing schemes in England and the United States, the CNIB applied the best features of each, and adapted them to Canadian requirements. Rod, Cornell, a former employment officer for CNIB, and himself blind, took a month's training in the North Georgia Trade and Vocational School, Crackerville, Ga. After visiting farming centres across the country, he hopes to find even more ways of helping blind farmers to take a more active part in the day-to-day business of farming. Using the valuable experience gained before he lost his sight, the handicapped farmer will be shown how to apply the knowledge he already possesses to his present circumstances.

Oil Forum Being Held Tues, Next

Elsewhere in this issue appears
announcement of an "Open Forum
On Oil," to be held in the Moose
Hall on Tuesday evening next, No-
vember 23rd, 8 p.m.
The meeting is held under the
auspices of Bashaw and District
Chamber of Commerce and is ar-
ranged by them with the idea of
enabling all interested to have a
thorough understanding of the de-
velopment and operation of the oil
and natural gas industry in Alberta.
A panel of five representatives
of the Canadian Petroleum Associa-
tion will be here to give informa-
tion and there will be ample oppor-
tunity to present questions.
Similar forums have been held
at other Alberta points with great
success.
There will be no admission fee or
collection taken, and free refresh-
ments will be served.
The Chamber of Commerce, in
view of the importance of this for-
um, is requesting its regular news-
paper which was set for the previous
evening.

Graduates of the University of
Alberta in Edmonton with class '64
Mrs. Marie Sheila Monaghan and
Mr. Gilbert George Monaghan were
married in St. Joseph's Cathedral
recently.

Bronze and gold certificates
honored the ceremonial altar where
Rev. Joseph Matheson performed the
double-ring ceremony. The nuptial
meal was served by the bride's
brothers, Mr. Neil Monaghan and
Mr. Hugh Monaghan.

The daughter of Mr. and
Mrs. William J. Monaghan of Edmonton,
the bride is a member of St. Rita's
High school's fraternity. The pre-
sents of the bride and groom were
Mrs. William Monaghan, reside at St.
Thomas.

Groom is married by her father,
the bride was an inter-length
gown of white nylon tulle with
sleeves edged with embroidered
lace and beaded. Hair, after com-
pleting the ceremony, was styled
in a bun.

Blizzard Limits Nov. 11 Crowd

It is doubtful if over this com-
munity marked Remembrance Day
under more favorable weather con-
ditions than prevailed on Thurs-
day last.

Wind of gale force combined with
sub-zero temperatures and snow to
make even a short walk across a
real hardship. But in the face of
all this quite a size crowd assem-
bled in the "Eks" Hall to be honor
to our heroes.

Ex-servicemen were joined in
the parade from Legion Hall
by a detachment of local Army Co-
re.

The annual banquet was served
in Moose Hall at 8 p.m. by the
Legion Ladies Auxiliary.

The Legion has asked The Star
to extend its thanks to Rev. D.
Macfarlane, Pastor R. W. Poirer,
members of the Community Church
and the organist, Mrs. J. G. Poirer.
The Ladies are thanked for
joining the parade and the Eks
for granting free use of the hall.

CURLING

The local Curling team is to
open with a Curling Club in the
evening on ALL curlers of Bashaw
and district.

There will be two competitive
and draws will commence at 10
a.m. Date to be announced later.

Bashaw Curling Club members
are asked to form rink and submit
entry by the end of this week.
Please — Bob Brown, Secretary.
Single entries may land in their
names to the Secretary.

Any who wish to join the Ladies'
Curling Club, and curl, please leave
name with Mrs. Ted Wood or Mrs.
Violet Rutz.

The C.A.C. are having their
annual meeting at the Viking Rink
on December 1st. Entry interested
return please.

John Rutz is reported doing well
at Camrose hospital where he is
underwent an operation on his spleen
on Monday. John was extremely ill
when taken to Camrose about a
week ago and had been several
days (transfusions). The fact that
he has the abnormal, unusual type
"O" blood had to be overcome in
the transfusions.

At a reception at the Macdonald,
last night the bride was presented
by her uncle, Mr. Joseph Monaghan.
Sharing the honors at the tea were
Mrs. John Crooks and Mrs.
Richard Mann.

Top Bananas In Camrose Bonspie!

Camrose Curling Club opened its curling season last week with an open house played on Monday, Tuesday and Wednesday.

Comparatively few on outside rinks opened, and of these there was only one rink from Bashaw, skiped by Ian Nugent.

The Bashaw rink, to their ever-lasting credit, was five straight games and finished tops of the 43 rinks which competed in the three events, each of them being rewarded with a handsome trophy lamp.

There was plenty of stiff competition, including the Billy Rose rink from Sedgewick.

The rink included Ian Nugent as skip, Bob Brown, Don Wilby and Bill Brown, with Bob Watsonette substituting in one game.

Bashaw W.I.

Bashaw Women's Institute held their regular meeting on Nov. 23 with 17 members and three visitors present.

Mrs. R. Miller gave a report on the C.W.T.E. convention and long day held recently. A total sum of \$200 was raised.

Plans for the fall tea and bazaar, to be held on Nov. 12, were made. Various reports were given on the recent Halloween frolic and dance. The treasurer, Mrs. Jennie Schatz, was given authority to pay all bills before December meeting.

Mrs. R. Miller entertained with coffee.

LAMERTON

L. M. B. Bentley is a patient in Lamerton hospital.

The dance sponsored by the Lake Band Community Club held at the school Friday evening drew a large crowd.

Mrs. John Clark of Calgary were visitors at the Lamerton home last week.

Mrs. and Joe Lloyd have had the pleasure of a visit from the latter's sister and husband from Saskatchewan last week.

Open Forum On Oil, Natural Gas

"Canada's crude oil reserves are currently estimated at three billion barrels," said Mr. John Johnston, chief engineer of Husky Oil Refining Co., has meeting in an open forum discussion on oil, held in the school hall here. The subject was one of a series of forum discussions arranged by the Canadian Petroleum Association. The Chamber of Commerce being sponsors of this forum. They are designed to give both rural and urban residents an opportunity to discuss factual information concerning the petroleum and natural gas industry.

Mr. Johnston went on to say that while only about two hundred and fifty companies spend over \$1,000,000 a year in western Canada in their work of exploration, production and administration of the oil, petroleum industry.

"Besides this," Mr. Johnston said, "since 1914, the Alberta Provincial Government has received about \$440,000,000 from all royalties, bonuses, rentals, and other payments. Refining capacity has been greatly increased and improved in the west, explained Mr. Johnston, and export who travels on rubber-tired wheels in the part of the world can look about him for ample evidence of the boom of competition which means better value for his gasoline dollar than ever before in the history of the petroleum industry."

Another speaker at the Husky Forum was Mr. H. Hinkis, district production engineer, Standard Oil & Gas Co., who spoke about oil drilling and production, and petroleum conservation. Explaining the costly processes in oilfield drilling, he told us we are made of extremely tough steel, anywhere from 10 to 150 miles in were out during the drilling of a single well. "In speaking of conservation and production, Mr. Hinkis stated that

MARK TRICK RECOVERED MAKING GOOD RECOVERY

Johnny Beck, who last week was in serious condition with a blood condition which necessitated an operation on his spleen, is now reported well on the road to recovery at Camrose hospital.

Last Thursday night, Johnny's condition seemed hopeless, but by Saturday he rallied and at last report his blood-count had back to normal and his general condition very satisfactory.

His parents and wife are very grateful to all who helped bring about his recovery, whether by donation of their blood or otherwise.

CURLING

MIXED COMMUNITY BONSPIEL TO START MONDAY, NOV. 25

Lost at the Curling Rink has now been completed and curling is ready to get under way. Starting on Monday night, a Community Bonspiel will start and will be open to ANYONE in town or district wishing to curl. Each rink shall consist of at least one team with three men, or vice versa. Here is a good opportunity to try one who has never before. Try the game. Curling will commence each day at 10 a.m., and will be in progress until 10 p.m. in the evening. It is expected to continue for about three days. Entry fee \$2.00 per rink.

MENNY BOUND ROBIN TO START TO-DAY, WED., NOV. 21

Although only a few novices have been entered so far for regular curling, there is quite a contingent Wednesday evening, Nov. 21. The Editor has been asked to enter and rinks wishing to curl this season to please hand in their names immediately to the secretary, Bob Brown.

ONLY MATCHED ROCKS TO BE USED THIS SEASON

The Club has had 14 pairs of the rock spears. The spears are eight pairs have been fitted with white handles and eight pairs with black handles, and there will be the only rocks used this season. We are asking owners of rocks not used to please take them home before curling commences.

NEW ARRIVALS

FARVIS — Mr. and Mrs. Robert C. Farvis announce the arrival of a daughter on Tuesday, November 22, 1934, at Lacombe hospital.

Both government and industry are vying to increase in securing the maximum amount of oil from the province. All companies cooperate in providing the Government with data so that the Conservation Board can get a satisfactory idea of allowable production rate for each well.

Mr. J. H. Johnston, division land manager, Shell Oil Co., addressed the gathering on the subject of oil leasing, and of mineral and surface rights negotiations.

New regulations announced in religious, patriotic exercises

Revisions in the religious and patriotic exercises to be observed in Manitoba public schools by the department of education have been announced by special permission, to permit religious exercises to be held in public schools. The new regulations have been announced by the department of education in a statement issued today.

In grades 1 to 4, it is now optional for teachers to read the Bible from either of two volumes of Bible stories has been authorized for Grades 1 to 4 inclusive. The authorized volumes are Hurlburt's "Story of the Bible" and Scholastic's "Bible Stories". The Bible stories may be taken from the authorized edition of the Bible, or from the revised standard version of 1952.

On remaining days of the week, from either of two volumes of Bible stories has been authorized for Grades 1 to 4 inclusive. The authorized volumes are Hurlburt's "Story of the Bible" and Scholastic's "Bible Stories". The Bible stories may be taken from the authorized edition of the Bible, or from the revised standard version of 1952.

Without comment. In addition to the reading, the principal or teacher may choose a prayer and, whenever possible, no changes have been made in the exercises to be observed on the 12 which will continue to have scriptures readings five days a week.

Teachers in rural schools who often have several grades in the classroom, are required to read at least one scripture selection and to read from passages prescribed for Grades 1 to 4. At least one scripture selection is required to be read from the Bible on each day of the week.

Changes in the patriotic exercises in schools in the province have been announced by the department of education. The new regulations have been announced by the department of education in a statement issued today.

"Spooks" in home sleep in car. A family of four, at Pleasant, N.Y., afraid to go to their home because it was "haunted" by "spooks," were discovered sleeping in their automobile, police report.

Father of the family, Manhattan, identified wife as being sleeping in the car for four days because "spooks" were running around their five-room apartment, making strange noises and tapping on the walls. The family came to the United States from Puerto Rico.

Police investigated and found no signs of kidnapping or to the family went back home.

Haider-Coff project added to 4-H Beef Club program

The 4-H Beef Club program in Manitoba, will now have the opportunity of taking a new project as part of their club program. It is announced by Frank Haidar, supervisor of beef and sheep work, that the Haider-Coff project has been added to the 4-H Beef Club program.

At present, the 4-H Beef Club program has concentrated on the feed and market calf project, states Mr. Haidar. These projects have attracted a recent number of 175 members in 333 clubs across the province.

The proposed project will be one of the major projects of the provincial Beef Club Leadership Conference, which will be held in Brandon, Manitoba, in December.

Projects from district agricultural representatives or Mr. J. P. MacIsaac, Extension Service, Winnipeg.

Buy Oil Rights On Big Acreage

Prospects for the resumption of the search for oil in this area have been raised by the purchase by a prominent group of oil companies of a large acreage in the Lake Red vicinity. These drilling rights were purchased by Hesse Oil Co. and associates at a sale of crown rights held last month.
The Star is advised that the company paid a total of \$225,000 for the rights on some 4,700 acres.
The lands included are:

Safety Sam Says...

Watch how you pass other cars when in a hurry!

How often have you seen a car suddenly try to pass on the right — squeezing through an intersection, possibly forcing you to take evasive action to avoid being sideswiped.

It's trying on the nerves to say the least — it can cause a serious accident.

When in a hurry, there is always a strong temptation to take advantage of the other driver to make time. Suppose this urge and let your sense of fair play and courtesy prevail.

Trout's Golden Wedding Dec. 6

Married at forty-five years ago,
Mr. and Mrs. John Emerson Trout
were on Tuesday of this week re-
ceiving the congratulations of a
lot of friends and well-wishers.
They moved to Calgary, B.C., in
1919 and in 1921 came to Bashaw,
where they have since made their
home.

Mr. and Mrs. Trout held open
house Tuesday afternoon in the
W.I. rooms and in the evening a
large reception was held in Elks' Hall,
both functions being largely at-
tended. In addition to other gifts re-
ceived from family and friends, Mr.
and Mrs. Trout were presented with
a substantial purse of money in
token of the high esteem in which
they are held in this community.
All members of the Trout family
were present on this happy oc-
casion, some 47 in all. These include
Harry, Edmond, Oleg and
Bill of Bashaw; daughters Pat
(of Calgary), Daisy (of Wainwright), Jean
and Margaret of this district. A
total of 23 grandchildren also
were on hand for the festivities.
Dancing was enjoyed after the
reception.

ROCKINGLEY BAY

Rockingley Bay Community Club
met at the home of Mrs. E. Del-
land on Saturday, Dec. 2, with a
good attendance of members and
five visitors.
Election of officers for 1934 re-
sulted as follows:
President—Mrs. Darrell Pearson
Secy.—Mrs. Louis Matheson
Super.—Mrs. Henry Matheson
The Club banquet was won by H. L.
Robert Matheson.
The January meeting is to be
held at the home of Mrs. S. Hes-
lop.
After the meeting, a shower was
held in honor of Miss Shirley Ben-
son, who was assisted in opening
presents by her sister-in-law, Mrs.
Lyle Benish. Shirley received many
lovely gifts and profuse thanks.

It was decided to grant two dol-
lars to the Community Library.

Mrs. E. A. Hunter was a patient
in Cosmos hospital with an attack
of flu. She was able to return home
Tuesday.

WEDDING BELLS

RISE-ROBERT
While and merriment soon
filled the air of the Baptists Church
on Saturday, November 18,
when Miss May, only daughter of
Mr. and Mrs. Walter Henry, was
united in marriage to Mr. Gordon
Rise of Bashaw, B. A. B. Mar-
rison officiated at the double-ring
ceremony which took place at 5:30
in the afternoon.
The bride entered the church on
the arm of her father, to the strains
of the wedding march played by
the organist, Mrs. Paylin Friel.
She looked lovely in a plum-colored
strawberry gown of white lace with
a longly pointed sheer jacket.
Her chapel length veil was trimmed
with sequins and pearls and was
held in place by a beaded crown en-
crusted with sequins and pearls. She
carried a white tissue bouquet of
with an orchid and white streamers
aped with red and mauve. She wore
a pearl necklace, a gift of the
groom.
The bridesmaids, Miss Ruby
Wells of Battler, who was a pink
silk flower, and Miss Marlene
Rise, sister of the groom, who
was a blue flower length gown of
lace and nylon silk matching her
dress. They carried nosegays of
pink baby's and pink carnations.

The flower girls, were: Diana
Harris of the Challenge, who was
wearing a pink three-layered skirt
of nylon over satin with lace
blossoms, and Gail Binks of Bashaw, niece of the
groom, who was a blue three-layered
skirt of nylon over satin with lace
blossoms trimmed with sequins, both
wearing matching bouquets of
pink baby's and red rosebuds.

The groom was attended by Mr.
Ralph Schismann of Bashaw and
Mr. Dale Deagle of Red Deer.
During the ceremony, the regis-
ter, Mr. Larry Webb sang "The
Lenten Garden," J. Trout.
The organ was played by Mr.
Frieder.

Following the ceremony, a re-
ception for his guests was held in
the banquet room of the Battler
Hotel. The bride's table was en-
crusted by a three-layered wedding cake
flashed with tapers in double silver
candelabras and white and mauve
flowers.

Mr. D. H. Gardner proposed the
toast to his guests which the
groom gladly accepted.
Out of those present included: Len-
ard Barrett, Mr. and Mrs. Jack
Nelson, Calgary; Mr. and Mrs. Oleg
Matheson, Calgary; Mr. and Mrs.
Mills Tammahine, Adams; Mr. and
Mrs. Benny Cook, Red Deer; Mr.
and Mrs. Walter Rise, Edmonton;
Mr. and Mrs. Olga Nicholson and
family, Edmonton; Mr. and Mrs.
John Hinks and family, Fortitude;
Mr. Dale Deagle, Red Deer; Mr.
and Mrs. Schismann, Bashaw; Mr.
and Mrs. Leonard Binks and girls of
Battler.
After returning from a honeymoon
in Seattle, Mr. and Mrs. Gordon
Rise will be residing in Battler.

There was a nice turnout at the
W.O.F.M. which drove Saturday night
out, top prizes for whites went to
Mrs. Tillie Weiss and Len Hanks,
and for redheads to Mrs. Minnie
Schultz and D. McCallister. The
door prize was awarded to Mrs.
Doris Dehne.

Turkey Bingo Draws Big Crowd

Bashaw's second annual turkey
bingo was held at the Baptists Church
Bashaw when their hall was crowded
on Saturday, November 18, a
total of 71 fine turkeys were won
and the crowd had a grand time.
Mrs. A. Schismann of Bashaw and
Miss Bonnie Miller of Fortitude
were door prize winners, and re-
ceiving a fine turkey. Mrs. P. P.
Schismann held the lucky ticket on sale
another big draw-off was held.

CURLING

Now that the rink is officially
open following the Community Men's
club, further good news says there
will be inter-club curling.
Bashaw rink will play with Mir-
ror once a week for possession of a
trophy. The inter-club play will
start with each club rink have had
one round.
Play in the inter-club series will
begin at Mirror on Thursday, Dec. 6,
at 7 p.m. The following week 20
Mirror rink will curl in Bashaw.
Total points count, with the winner
each week having possession of the
cup.

If the idea is popular, and it
should be, the play will be in-
creased to a few more times in the
immediate vicinity.

MIXED BOWLING

Yegout defeated B. Bunker in the
first round of the Challenge, while Ray
Whitney finished third and Ruth
fourth.
Next (ab): A. Wood, L. Ryman,
L. R. Schismann (ab), B. Bunker, H.
Way, Florence Schismann.
The second competition was won
by B. R. Schismann over Campbell
J. Schismann, who was third and
Wanda fourth.
Next (ab): B. R. Schismann (ab), C. Cook, E. Ma-
son, C. Cook, H. Schismann.
Lorraine Gaudin, J. Trout.

There is some hope for three more
rinks in the Club and new members
are welcome.

the "Honor" only when accepting a
rock. Strips and blocks only should
linger in the house.
Rocks are matched for each shot.
Please do not move even one pair
from one shot to the other.
Slips—Please notify your players
of game time. Players—Please in-
form your ship when you are
unable to play.
These little courtesies will make
the game more enjoyable for all.
Mr. and Mrs. Oscar Davis were
in town Monday.
C. C. Way and Ivan Watson to
Camrose on Wednesday last.
Rozina, son of Mr. and Mrs. H.
Traplow, had to have nine stitches
put in a peak of his forehead on
Tuesday night last. He was hurt
while skating at the local rink.

PARENT-TEACHER TALKS STARTING THIS WEEK

Parent-teacher interviews will be
held at the Bashaw school as fol-
lows:
Grades 1-4 (inclusive) — Thurs-
day and Friday, Dec. 8 and 9.
Grades 5-8 (inclusive) — Thurs-
day and Friday, Dec. 15 and 16.
Parents are urged to keep the
appointments if at all possible.

BASHAW HIGH PUPILS DOWN MEETING CRISIS

In two exhibition games, Meeting
Creek High School was left on the
short end of 3-1 and 4-0 scores.
Wednesday's action saw the Bashaw
team still in a Grey Cup
fight. However, the mist lifted and
the Bashaw team emerged victo-
rious to the tune of 3-1.
A cheering Saturday night crowd
witnessed the second action-packed
game. In the third period, Meeting
Creek trailed by three goals, but
with a surge of power they drove
the goal to level the game.
Temporarily on both sides flared
the time was the most exciting
to-stick combat nearly gave way to
the fist-to-fist fight.
Final score: Bashaw 4, Meeting
Creek 1.

4-H CLUB

Members of the 4-H Club are
having a skating party December
21st.

At our last meeting, Dec. 2, we
decided to have a Skating in Janu-
ary.
At our social evening on Nov.
18, many clubs joined in the fest.
The most successful was the
Jan. 6, 1934, in the Moose Hall at
3 p.m.

—Gemma Baird, Reporter
Mr. and Mrs. John Hinks were
Camrose visitors on Monday.
Mr. and Mrs. H. Hinks, Mr. and
Mrs. A. H. Miller, Mr. and
Mrs. J. Dahl attended meeting
of the Bashaw District League
and also took part in the dedication
of the new Moose Hall at Camrose
on Tuesday.

SANTA CLAUSES TO BASHAW!

Free Shows And Treats For Kids

Santa Claus is coming to town! Yes, the one boy with the long white whiskers will be in Bashaw on Saturday night with treats and entertainment for all well-behaved little girls and boys. All this through the courtesy of Bashaw's up-and-coming business firms.

Santa's headquarters will be at Elks' Hall.

The business men have arranged to free movies for all at Elks' Hall, starting at 1:00 and 5:00 p.m.

Just as Santa Claus made his appearance at 3:30 with his bag full of treats for all the children.

It should be emphasized that this entertainment is presented free of all charges. The parents may accompany their youngsters if they so wish, and no admission fee will be charged. The show and treats are completely "on" the business men of Bashaw.

BASHAW & DISTRICT CHAMBER OF COMMERCE

1936 ANNUAL MEETING HAS BEEN CANCELLED

The December meeting of the Chamber of Commerce has been cancelled, as seems to be the case with many gatherings planned for about this time.

The annual meeting will be held on the fourth Monday in January (the 25th) or the day following.

TEACHER-PARENT TALK POSTPONED ONE WEEK

For obvious reasons, the Parent-Teacher Conference planned for the local school on Thursday and Friday of this week have been postponed for one week. Parents concerned will be advised of the time when the conference will be held.

The annual meeting will be held on the fourth Monday in January (the 25th) or the day following.

School has been closed by reason of the stormy weather Monday and Tuesday.

School is to hold on school on Thursday and Friday.

BASHAW STORES AN-OUNCE EXTRA SHOPPING HOURS

For the convenience of Christmas shoppers, Bashaw stores will be open all day Thursday of next week (Christmas Eve). They will also be open on Christmas eve, Saturday, Dec. 24 for the convenience of late shoppers.

Customers should note that this year Christmas is also being observed on Monday, December 28th. Next day (Sunday Day) is also being observed as a business holiday.

Raging Blizzard Sweeps Province

A blizzard of record-breaking severity swept down from the north early Monday morning and has given Western Canada a very uncomfortable time. Winds of gale force brought the storm which fortunately did not bring too much snow.

However, side-roads are now difficult to go and road traffic is at a minimum when this is being written late Tuesday night.

Despite the blizzard, which wind from the northwest, school buses brought in the students on Monday morning, but by 11 a.m. it was decided that it would be wise to return them to their homes. Some of the buses did not get back to town until well on into the evening, indicating the wisdom of the decision.

School sessions were suspended for Tuesday and Wednesday, but it is planned to resume classes here on Thursday.

It was extremely fortunate for this area that the temperature did not drop as sharply as expected. As it was, the high winds made it difficult to travel, and the school buildings became completely inaccessible.

Local reports say the Ponoka County schools are to be open on Wednesday, though from this point it seems doubtful if many rural schools in the western end of the county can have their children's sessions.

The westerners say that a few of the 16 below should be reached on Tuesday night, and that the high wind was blowing Tuesday evening and was to be light on Wednesday.

The blizzard seems to have calmed in severity as it swept eastward into Saskatchewan.

Home and School Association

The annual Christmas Party of Bashaw Home and School Association is being held Thursday evening, Dec. 18, commencing 6:30 p.m. All members are invited to bring a contribution to the fund.

The program committee which has Mr. Byron Olson as chairman.

Mr. and Mrs. R. W. Dodson and family visited at Red Deer over the week-end.

STORM POSTPONES F.A.A. MEETING AT M.H. HALL

This week's blizzard and blizzard winds have forced postponement of this week's meeting of the Bashaw F.A.A., which was to have been held on Tuesday.

It will now be held on Tuesday, Dec. 20. This will be the annual meeting and there will be a special report and a door prize.

DELICIOUS CHRISTMAS LIGHTS GIVE THAT FESTIVE LOOK

The streamers of gaily colored lights around the main street have been up for more than a week and are adding a touch of Christmas cheer to the season.

A few householders have put their home exterior dressed up in gaily colored lights.

Ken Brown has really done a bang-up job on his residence's home. The building is outlined with lights, a tall spire is on it, and also lighted along the roof.

INFESTATION IN STORED GRAIN

Farmers are being urged to make periodic checks of their year-old grain bins, particularly for the Rusty Grain Beetle and the Grain Mite. Often a few simple steps will help to keep these insects under control.

Farmers who have storage problems of this nature, are advised to write to the Stored Products Insect Laboratory, Dominion Public Building, Winnipeg for information and guidance.

Mr. and Mrs. Don Whitney were Red Deer visitors last Wednesday. The W.O.T.M. and L.O.O.M. are holding a meeting in the Moose Hall on Dec. 19 at 8:30 p.m.

Mr. Cap Reed of Ponoka was a recent visitor at the home of B. and Mrs. C. C. Way.

Jack, daughter of Mr. and Mrs. Stuart J. J. is a patient at Ponoka hospital.

Refan, two-year-old son of Editor and Mrs. Brimacombe, sustained a fractured right arm while skating at the local rink Thursday evening last. It was taken to O'Connell and was home again Saturday with the injured arm in a cast. Both bones above the wrist were snapped.

Dr. A. D. Becken will be unable to attend his clinic in Bashaw until the first Thursday in January, that is January 13, 1956. At this time I take this opportunity of extending to all sincere Seasonal Greetings.

Beth, Member Church Club extends its thanks to the many who patronized their tea and coffee at the W.O.T.M. on Saturday. The quilt was won by Clifford Thomas, the pillow by Roy Spalden and the pillow-slips by Mrs. W. O. Jones.

Cattle lice can slow down growth

RECINA.—Cattle lice seldom cause animal's death but they do cause a growth of unwhiteness and slow down the animal's weight gain. The lice are most common in older livestock every year, according to E. E. Brockhouse, Saskatchewan Animal Industry Branch director.

Brockhouse would be sure to check his herds for lice now, he said, and then do more of a general check in the late autumn or early winter. The lice are most common in older livestock every year, according to E. E. Brockhouse, Saskatchewan Animal Industry Branch director.

Wonder drugs no avail to 'turtle-folk'

Incident was advanced recently to be on the short for 'turtle-folk'—and other misadventured sufferers from a condition that requires them to spend much of their time in a bathtub.

Dr. Ralph Brown of Texas County, Okla., Houston, and these people suffer from a hereditary condition in which there is an absence of sweat glands resulting in body temperatures up to 100 degrees and requiring immersion in cold water, or other means of artificial cooling.

He told the 48th annual meeting of an association of medical men that although "wonder drugs" are of an asset in treating such a condition, the condition is an inborn one, and therefore doctors should be alert to recognize such cases early in life.

During the illness may be more prevalent than has been reported heretofore, Dr. Brown added that because 30 years ago only 30 cases had been reported in medical literature, the records now show approximately 100.

He said that while there is no specific treatment for the disease other than physical means of cooling the body, sufferers can expect a normal life span.

There was a bad infestation of cattle lice in the province last year, the director continued, and some have been carried over the summer on healthy animals.

With the possibility of a late crop and with the fact that some may be carrying the threat of lice from last year, the director said.

Affected animals take on a depressed appearance and may experience some difficulty in feeding. Some may have been carried over the summer on healthy animals.

WEDDING BELLS

CRAGG—INNES

A beautiful early winter wedding was celebrated on Saturday, December 16th, 1956, in the United Church, Mirror, Alberta, when Miss Margaret Cragg, daughter of Mr. and Mrs. George Cragg, of Edmonton, and Miss Margaret Innes, daughter of Mr. and Mrs. George Cragg, of Edmonton, were united in marriage.

The ceremony was performed by Pastor David M. Larsson of the Presbyterian Church of St. James, Edmonton. The bride was escorted by her brother, Mr. Victor Innes, and the groom by his brother, Mr. Victor Innes.

The bride was lovely in a full length gown of white tulle with a lace train, and the groom wore a tuxedo with a white shirt and a white bow tie.

The wedding was held in a hall at the home of the bride's parents, Mr. and Mrs. George Cragg, of Edmonton.

The bride's bridesmaids were Miss Margaret Innes, daughter of Mr. and Mrs. George Cragg, of Edmonton, and Miss Margaret Cragg, daughter of Mr. and Mrs. George Cragg, of Edmonton.

The groom's best man was Mr. Victor Innes, brother of the bride, and the officiating minister was Pastor David M. Larsson of the Presbyterian Church of St. James, Edmonton.

Tragedy Blasts Matlock Home

Mrs. Annie Freising, 47, of the Matlock district and residing with her husband at Bashaw, was instantly killed Tuesday morning as she was going downstairs. Mrs. Freising fell, striking her head a severe blow and was dead when her husband Gus and son Herbert hurried to her side.

Mrs. Freising leaves her husband, five daughters (four married and living in Edmonton) and one son who with the youngest daughter lives at home. She was born and reared in the Matlock district.

The funeral is being held on Thursday afternoon, with service at St. Peter's Lutheran Church, Bashaw, at 2 p.m., followed by interment in St. Peter's Cemetery.

CHRISTMAS MESSAGE

Rev. Charles F. Williams
Lutheran Anglican Parish

It was on a day like this in the year 1800, that a little village called Bethlehem, the greatest drama in the history of the world was being lived. God came into the world to show men that He was like us - how much He was concerned for them. The same He used to be born of a human mother. But the curtain went up on a day of tragedy - there was no room for them in the inn.

Isn't that a parallel of modern life? How often has Christ tried to come to one of us and found "there is no room"? Why was there - more important, why is there - no room for the Christ child? Was it simply because there were other ones who had arrived first? The innkeeper had nothing against Jesus and Joseph and Mary. After all, it's not likely that he even knew them. He was in business. He had a hotel to run and naturally he operated on the principle of first come first served. His inn was crowded that night. Those travellers from Nazareth had arrived late, all the rooms were booked, and that's all there was to it.

And it's just that reality that today of us exclude Jesus from our lives. We may not hear any ill will toward Him. It's just the result of circumstances. Other guests have come first and they have occupied all the available space. Many people don't seem to be irreligious but their time and thoughts are so filled with other things that religion can't find a place. For too many of us, the noise and bustle of daily living, with the many demands on our time, have taken such a toll on our lives that when Christmas comes, we have no room for Him.

As we celebrate Christmas this year let us remember what happened in the little village of Bethlehem - a long ago and grey that we don't let it happen in ours. Life could be so much richer and fuller if only we would honestly examine ourselves and make sure that there was room in the inn for Him.

LOCAL PLUMBING FIRM HAS CAMBESSE CHURCH CONTRACT

The Star has learned that Bashaw Plumbing, of which Ernest Sundin is proprietor, has been awarded the contract for plumbing and heating in the new Norwegian Lutheran church being built in the Jubilee city, in Bashaw country, under the planning and heading for the new Elementary school at Camesse, the contract including work on the church.

VETERAN GOLFER'S SHINE AT RED DEER TOURNEY

(Crowded out last week) Gordon Brown, J. L. West, W. E. Wells and F. W. Hanson participated in the recent veterans' golfing day at Red Deer and seem to have brought home with them far more than a fair share of the honors. The venerable "Billy" Wells, age 81, was first place in the "over 80" flight. J. L. West, who will himself be 80 in a couple of months, led the way in his flight, as also did the venerable Hanson, a comparatively youngster in the tourney. The big day was climaxed with a banquet banquet in honor of the veterans players.

DEMONSTRATION PLOTS

One way to judge the suitability of any variety of grain for a particular district is to see it growing side by side with many others. This is possible by paying a visit to the 250 "Crop Testing Plots" Demonstration Plots placed this year not only by our elevator agents but also by individual farmers. Ask your Elevator Agent for the location of the nearest plot.

Ralph Hart Wins Big Promotion

Ralph Hart, Bashaw dealer's contribution to his business, comes in the form of a promotion.
The Star received this past week from the Colgate-Palmolive Co. announcing that Mr. Hart had been appointed president of that branch of the company's world-wide activities, outside the U.S.A.

A product of this district where his step-father, John Cannamach, and step-brother John still make their home Ralph as a boy seemed more interested in cowboy activities than a more sedate career.

However, he has the staff of a head boss, and after being promoted again:

PROMOTED AGAIN:
The last time we heard of the marvelous possible escape from destruction when lightning struck the office during Friday last evening's electrical storm. The blow was met by R. H. Schmitt of Washburn who was bringing a load of grain from his farm northwest of town.

The fire brigade was called and had to lay down in the fire before it could be extinguished.

The trying of the office was met by a small amount of property destroyed but Tom Wilson, local agent for North Grain Co., London and London, Ont., did not believe the damage would amount to more than five or six hundred dollars.

Incidentally, this was the first time in his 20 years as an elevator man that he had damaged his elevator.

Wedding cake, the art of Mr. H. J. Schmitt, the holder of the Royal Community Club served, wearing apron of serge with bread crumbs on it.

Mr. Art Lasky had charge of the grand host.

For a wedding trip to Waterton Lakes and Western States the bride chose a blue grey fine wool dress and the Mr. Lasky's with accessories of pink and black, a crown of pink roses.

Guests from a distance included Mr. and Mrs. Chas. Ray and Kenneth of Lakeview, Wash. and Mr. A. L. Larson of Seattle; Mr. and Mrs. Geo. DeWitt, Calgary; Mr. and Mrs. Ernest DeWitt, of Lloydminster; Mr. and Mrs. Carl Nuss, Daerham; Mr. and Mrs. Walter Good, Red Deer; Mr. and Mrs. Lawrence Albrecht and family, Mr. and Mrs. Walter Ray, and Mr. Joe Tebbel, Mr. and Mrs. Joe Wood, Mr. and Mrs. Ray McCullough, Mr. and Mrs. Art DeWitt, Mr. and Mrs. Wm. Mann, Mr. and Mrs. Myrtle West, Mr. and Mrs. Matt Zacharuk and family, Mr. and Mrs. Gordon Dyer, Mr. and Mrs. Al Palmer, all from Edmonton. Many also were present from Lacombe, Okla., Vancouver, B.C., and from Miss Edna Swiney, Edmonton.

Mr. Robert Jarvis Jr., song writer, "Because" and "I Love You Truly," and Mr. Frank Grant, a songster, sang. Chappin Paul sang the U.S. Navy song by a toast to the bridegroom during his address to the assembled guests. He then turned them with a solo, "Sweet This Day."

The bride's table was covered with a beautifully decorated cloth.

4-H CLUB

All 4-H clubs in the Comox area are joining to picnic and a picnic at Kingsway Beach, near Kamloops, on Thursday, August 12, from 10 a.m. to 5 p.m. Activities include a football tournament, swimming, and a race. Mr. Hinde, manager of the race, will be special speaker and report on the results of the race.

The families of members are invited, and are asked to bring picnic lunch.

On Thursday, July 21, the West Club is holding a small game for the members of the club. The game is to be held at 8:30 p.m.

Made Fast Flight From Caribbean

Bert Hinde, manager for Royal Bank of Canada at Grand Rapids, Lacombe, B.C., has just received word that he has just made a fast flight from the Caribbean to the United States. He had been in the Caribbean for some time, and it was said he was on the way to a good time.

Leaving Grand Rapids at 8 p.m. on Saturday last, he stopped off at Lacombe at 10 p.m. on Sunday. He had changed planes three times and three times had to change of a good night.

Just to show that there was no "poker" in his story, Mr. Hinde presented with Editor with a copy of the Grand Rapids, daily newspaper published at Grand Rapids. This was dated Saturday, July 16. The paper is printed in Spanish, the language in use in the island.

LAMBERT

Wesley Church of Ashcroft, B.C., expanding his holidays with Mr. and Mrs. John Jarvis spent a holiday at Bashaw last week.

Mr. and Mrs. Fred Hinde were in Lacombe, B.C., last week.

The ladies of the Lake Best Community Club were entertained at the home of Mrs. Margie Jarvis last Thursday night.

Mr. A. J. Walsh of Vancouver is visiting his daughter Mrs. Lloyd Lindsay and family.

Mr. and Mrs. Wm. Lohmeyer and children are visiting with the family of Mr. H. J. Schmitt.

Mr. and Mrs. Ed Rabe and children, of Ponoka, spent a recent week-end at the Mr. Lasky's home.

Mr. and Mrs. Jack Fodine spent their holidays with relatives at Lacombe and Comox.

Mr. Fodine's mother and brother, of Lacombe, are visiting with the family of Mr. H. J. Schmitt.

Miss Linda Rabe is holding with the Rabe family at Ponoka.
